BLANK FOR CHIEF'S PREFACE

Chief Brad Keller
LAW ENFORCEMENT CODE OF ETHICS
As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession...law enforcement.

Sworn members of this department are authorized to exercise peace officer powers pursuant to applicable state law (Penal Code § 830.1 et seq.).

100.2.1 ARREST AUTHORITY INSIDE THE JURISDICTION OF THE MONTEBELLO POLICE DEPARTMENT
The arrest authority within the jurisdiction of the Montebello Police Department includes (Penal Code § 830.1; Penal Code § 836):

(a) When the officer has probable cause to believe the person has committed a felony, whether or not committed in the presence of the officer.

(b) When the officer has probable cause to believe the person has committed a misdemeanor in this jurisdiction and in the presence of the officer.

(c) When the officer has probable cause to believe the person has committed a public offense outside this jurisdiction, in the presence of the officer and the officer reasonably believes there is an immediate danger to person or property, or of escape.

(d) When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized or required by statute even though the offense has not been committed in the presence of the officer such as certain domestic violence offenses.

(e) In compliance with an arrest warrant.

100.2.2 ARREST AUTHORITY OUTSIDE THE JURISDICTION OF THE MONTEBELLO POLICE DEPARTMENT
The arrest authority outside the jurisdiction of the Montebello Police Department includes (Penal Code § 830.1; Penal Code § 836):

(a) When the officer has probable cause to believe the person committed a felony.

(b) When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.

(c) When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.

(d) When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.
(e) In compliance with an arrest warrant.

On-duty arrests will not generally be made outside the jurisdiction of this [department/office] except in cases of hot or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency.

On-duty officers who discover criminal activity outside the jurisdiction of the City should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

100.2.3 TIME OF MISDEMEANOR ARRESTS

Officers shall not arrest a person for a misdemeanor between the hours of 10:00 p.m. of any day and 6:00 a.m. of the next day unless (Penal Code § 840):

(a) The arrest is made without a warrant pursuant to Penal Code § 836 which includes:

(c) The arrest is made with the person in custody pursuant to another lawful arrest.
(d) The arrest is made pursuant to a warrant which, for good cause shown, directs that it may be served at any time of the day or night.

100.2.4 OREGON AUTHORITY

Sworn members of this [department/office] who enter the state of Oregon in order to provide or attempt to provide law enforcement assistance have Oregon peace officer authority within 50 miles from the California-Oregon border (ORS 133.405). Such authority shall only apply when officers are acting:

(a) In response to a request for law enforcement assistance initiated by an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State Police.
(b) In response to a reasonable belief that emergency law enforcement assistance is necessary to preserve life, and circumstances make it impractical for Oregon law enforcement officials to formally request assistance.
(c) For the purpose of assisting Oregon law enforcement officials with emergency assistance in response to criminal activity, traffic accidents, emergency incidents or other similar public safety situations, regardless of whether an Oregon law enforcement official is present at the scene of the incident.

Montebello Police Department officers have no authority to enforce Oregon traffic or motor vehicle laws.

Whenever practicable, officers should seek permission from a [department/office] supervisor before entering Oregon to provide law enforcement services. As soon as practicable, officers exercising law enforcement authority in Oregon shall submit any appropriate written reports.
concerning the incident to the Oregon agency having primary jurisdiction over the area in which the incident occurred.

100.3 POLICY
It is the policy of the Montebello Police Department to limit its members to only exercise the authority granted to them by law.

While the department recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This department does not tolerate the abuse of law enforcement authority.

100.4 INTERSTATE PEACE OFFICER POWERS
Peace officer powers may be extended to other states:

(a) As applicable under interstate compacts, memorandums of understanding or mutual aid agreements in compliance with the laws of each state.

(b) When an officer enters an adjoining state in close or fresh pursuit of a person believed to have committed a felony (ARS § 13-3832; NRS 171.158; ORS 133.430).

The person arrested out of state must be taken without unnecessary delay before a magistrate of the county in which the arrest was made (ARS § 13-3833; NRS 171.158; ORS 133.440).

All members shall observe and comply with every person’s clearly established rights under the United States and California Constitutions.

106.1 PURPOSE AND SCOPE

The manual of the Montebello Police Department is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, rules, and guidelines of this department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders and regulations that are in conflict with this manual are rescinded, except to the extent that portions of existing manuals, procedures, orders and other regulations that have not been included herein shall remain in effect, provided that they do not conflict with the provisions of this manual.

106.2 POLICY

Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and circumstances may arise which warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this department under the circumstances reasonably available at the time of any incident.

106.2.1 DISCLAIMER

The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the Montebello Police Department and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the City, its officials or members. AS A LAW ENFORCEMENT OFFICER, my fundamental duty is to serve; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my [department/office]. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I WILL never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before god to my chosen profession... law enforcement.

206.2 ACTIVATING THE EMERGENCY PLAN
The Emergency Management Plan can be activated in a number of ways. For the Police Department, the Chief of Police or the highest ranking official on duty may activate the Emergency Management Plan in response to a major emergency.

206.2.1 RECALL OF PERSONNEL
In the event that the Emergency Management Plan is activated, all employees of the Montebello Police Department are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Chief of Police or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

206.3 LOCATION OF THE PLAN

The Administration supervisor should ensure that department personnel are familiar with the roles police personnel will play when the plan is implemented.

206.4 UPDATING OF MANUALS
The Chief of Police or designee shall review the Emergency Management Plan Manual at least once every two years to ensure that the manual conforms to any revisions made by the National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS) and should appropriately address any needed revisions.

Electronic Mail

212.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper use and application of the Department’s electronic mail (email) system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

212.2 EMAIL RIGHT OF PRIVACY
All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department’s email system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

212.3 PROHIBITED USE OF EMAIL
Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Division Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user’s name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual’s email, name and/or password by others.

212.4 EMAIL RECORD MANAGEMENT
Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.
Electronic Mail

The Custodian of Records shall ensure that email messages are retained and recoverable as outlined in the Records Maintenance and Release Policy.
Administrative Communications

214.1 PURPOSE AND SCOPE
Administrative communications of this department are governed by the following policies.

214.2 MEMORANDUMS
Memorandums may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

214.3 CORRESPONDENCE
In order to ensure that the letterhead and name of the Department are not misused, all external correspondence shall be on Department letterhead. All Department letterhead shall bear the signature element of the Chief of Police. Personnel should use Department letterhead only for official business.

214.4 SURVEYS
All surveys made in the name of the Department shall be authorized by the Chief of Police or a Division Commander.

214.5 GENERAL ORDERS
A written order issued by the Chief of Police or a Division Commander that is applicable to the Department as a whole, a Division thereof, or an individual therein, which establishes a temporary principle, policy, or procedure concerning a given subject and which is effective permanently or until revoked by subsequent order.
Staffing Levels

216.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee’s needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

216.2 MINIMUM STAFFING LEVELS
Minimum staffing levels should result in the scheduling of at least one regular supervisor on duty whenever possible. Watch Commanders will ensure that at least one Field Supervisor is deployed during each watch.

216.2.1 SUPERVISION DEPLOYMENTS
In order to accommodate training and other unforeseen circumstances, a Corporal may be used as Field Supervisors after all reasonable efforts have been made to fill the position with a Sergeant. A Sergeant may act as the Watch Commander when a Watch Commander is not available.

216.3 SHIFT SCHEDULING AND BIDDING PROCEDURES
This procedure has been developed to facilitate the preparation of Shift Schedules for the Patrol Division.

216.3.1 POSTING OF SHIFT SCHEDULE
(a) The Shift Schedule form (bid list) and a current seniority list will be posted at least four (4) weeks prior to any shift change and remain posted until completed.

(b) Probationary officers and officers in field training will be assigned. The exception would be for those officers reinstated within six months pursuant to Civil Service Rules and Regulations, section 250. Those officers will be allowed to bid. Note: Section 250 indicates “There shall be no accrual of seniority for the period in which an individual is separated from City service.” Therefore, it is possible that an officer may lose positions on the bid list upon their reinstatement.

216.3.2 BIDDING PROCEDURE
(a) Preference shall be bid by seniority.

1. Corporal seniority is based on a combination of department seniority, date promoted and past position on the senior officer list. Corporals may only bid the positions designated as "corporal" on the Shift Schedule.

2. Senior officer and officer seniority is based solely on department seniority. Senior officers and officers may only bid the positions designated as "officer" on the Shift Schedule.
3. Lieutenant and sergeant seniority is determined by the date of promotion.

(b) After selecting a watch preference each officer shall initial and date the seniority list, and place his name in the appropriate position on the Shift Schedule.

1. All notations shall be in ink.

(c) Personnel shall not bid any watch more than three (3) times consecutively. Personnel must leave EM's or Days, (regardless of team number) after working three consecutive shifts. Simply changing from one EM team to another, for example, would not be allowed.

1. Effective February 1, 2009, patrol shifts shall last for a period of sixteen (16) weeks, absent a circumstance(s) that would necessitate the shift being shortened or extended.

(d) Personnel shall bid by the end of their first day of duty after their turn to bid arises.

1. Personnel not complying will be assigned by the on duty Watch Commander.

(e) Personnel anticipating or reasonably expecting to be absent from work for any type of leave at the time their bid would arise shall notify their immediate supervisor of the expected absence in writing and shall designate their first three choices of a bid.

(f) Personnel failing to comply shall be passed over in the bid procedure until such time as they return to work to bid or the bid list is completed and the officer is assigned.

(g) Patrol personnel on IOD or light duty status or administrative leave may be assigned, depending on their anticipated return to field duty. This decision will be made by the Field Services Captain.
License to Carry a Firearm

218.1 PURPOSE AND SCOPE
The Chief of Police is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

218.1.1 APPLICATION OF POLICY
Nothing in this policy shall preclude the Chief or other head of a municipal police department from entering into an agreement with the Sheriff of the county or preclude the Sheriff of the county from entering into an agreement with the Chief of any municipal police department to process all applications and license renewals for the carrying of concealed weapons (Penal Code § 26150; Penal Code § 26155).

218.2 POLICY
The Montebello Police Department will fairly and impartially consider all applications to carry firearms in accordance with applicable law and this policy.

218.3 QUALIFIED APPLICANTS
In order to qualify for a license to carry a firearm, the applicant must meet certain requirements, including:

   (e) Be of good moral character (Penal Code § 26150; Penal Code § 26155).
   (f) Show good cause for the issuance of the license (Penal Code § 26150; Penal Code § 26155).

   (i) Be free from any psychological conditions that might make the applicant unsuitable for carrying a firearm (Penal Code § 26190).
   (j) Complete required training (Penal Code § 26165).
218.4 APPLICATION PROCESS
The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

218.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)
(a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).

1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.

2. If an incomplete application package is received, the Chief of Police or authorized designee may do any of the following:
   (a) Require the applicant to complete the package before any further processing.
   (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
   (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).

(b) At the time the completed application is submitted, the applicant shall submit a check made payable to the California Department of Justice for the required California DOJ application fee, along with a separate check made payable to the City of Montebello for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).

1. Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.

2. Full payment of the remainder of the application fee will be required upon issuance of a license.

3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).

(c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for retention in [department/office] files. Two recent passport-size photos (2 inches by 2 inches) of the applicant shall be submitted for [department/office] use. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code
§ 8103 will be issued a license to carry a firearm. A license shall not be issued if the
California DOJ determines that the applicant is prohibited by state or federal law from
possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

(d) The applicant should submit at least three signed letters of character reference from
individuals other than relatives.

(e) The applicant shall submit proof of ownership or registration of each firearm to be
licensed.

Once the Chief of Police or authorized designee has reviewed the completed application package
and relevant background information, the application will either be advanced to phase two or
denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant
shall be notified in writing within 90 days of the initial application or within 30 days after receipt
of the applicant’s criminal background check from the California DOJ, whichever is later. If the
license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.4.2 PHASE TWO
This phase is to be completed only by those applicants successfully completing phase one.

(a) Upon successful completion of phase one, the applicant shall be scheduled for a
personal interview with the Chief of Police or authorized designee. During this stage,
there will be further discussion of the applicant’s statement of good cause and any
potential restrictions or conditions that might be placed on the license.

1. The determination of good cause should consider the totality of circumstances
   in each individual case.

2. Any denial for lack of good cause should be rational, articulable and not arbitrary
   in nature.

3. The [Department/Office] will provide written notice to the applicant as to the
determination of good cause (Penal Code § 26202).

(b) The Chief of Police may, based upon criteria established by the Chief of Police, require
that the applicant be referred to an authorized psychologist used by the [Department/
Office] for psychological testing. The cost of such psychological testing (not to exceed
$150) shall be paid by the applicant. The purpose of any such psychological testing is
intended only to identify any outward indications or history of psychological problems
that might render the applicant unfit to carry a firearm. This testing is not intended to
certify in any other respect that the applicant is psychologically fit. If it is determined
that the applicant is not a suitable candidate for carrying a firearm, the applicant shall
be removed from further consideration (Penal Code § 26190).

(c) The applicant shall complete a course of training approved by the [department/office],
which complies with Penal Code § 26165. The applicant will not be required to
complete and pay for any training courses prior to any determination of good cause
(Penal Code § 26165; Penal Code § 26202).
(d) The applicant shall submit any firearm to be considered for a license to the Rangemaster or other [department/office] authorized gunsmith, at no cost to the applicant, for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer’s specifications or that is unsafe (Penal Code § 31910).

(e) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the [department/office] Rangemaster, or provide proof of successful completion of another [department/office]-approved firearms safety and proficiency examination, including completion of all releases and other forms. The cost of any outside inspection/examination shall be the responsibility of the applicant.

Once the Chief of Police or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant’s criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM
The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

(a) The applicant physically spends a substantial period of working hours in the applicant’s principal place of employment or business within the City of Montebello (Penal Code § 26150).

(b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).

(c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

(d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

218.6 ISSUED FIREARMS PERMITS
In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:
License to Carry a Firearm

(a) The license will be subject to any and all reasonable restrictions or conditions the Chief of Police has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.

1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).

2. The licensee will be required to sign a Restrictions and Conditions Agreement. Any violation of any of the restrictions and conditions may result in the immediate revocation of the license.

(b) The license shall be laminated, bearing a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.

1. Each license shall be numbered and clearly identify the licensee.

2. All licenses shall be subjected to inspection by the Chief of Police or any law enforcement officer.

(c) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).

1. A license issued to a state or federal magistrate, commissioner or judge will be valid for a period not to exceed three years.

2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual's conclusion of service as a reserve officer.

(d) If the licensee's place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).

(e) The licensee shall notify this department in writing within 10 days of any change of place of residency.

218.6.1 LICENSE RESTRICTIONS

(a) The Chief of Police may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:

(b) The Chief of Police reserves the right to inspect any license or licensed firearm at any time.

(c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

218.6.2 AMENDMENTS TO LICENSES
Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the [Department/Office] in order to (Penal Code § 26215):

(a) Add or delete authority to carry a firearm listed on the license.
(b) Change restrictions or conditions previously placed on the license.
(c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Chief of Police, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

218.6.3 REVOCATION OF LICENSES
Any license issued pursuant to this policy may be immediately revoked by the Chief of Police for any of the following reasons:

(a) The licensee has violated any of the restrictions or conditions placed upon the license.
(b) The licensee becomes psychologically unsuitable to carry a firearm.
(c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.
(d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.
(e) If the license is one to carry “loaded and exposed,” the license shall be revoked immediately upon a change of the licensee’s place of residence to another county (Penal Code § 26210).
License to Carry a Firearm

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the [Department/Office] will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

218.6.4 LICENSE RENEWAL

(a) Verifying all information submitted in the original application under penalty of perjury.

(c) Submitting any firearm to be considered for a license renewal to the Rangemaster for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
(d) Paying a non-refundable renewal application fee.

Once the Chief of Police or authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied. Prior issuance of a license shall not entitle any licensee to any property or liberty right to renewal.

Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

Any information in an application for a license to carry a firearm that indicates when or where the applicant is vulnerable to attack or that concerns the applicant’s medical or psychological history or that of his/her family shall not be considered public record (Government Code § 6254(u)(1)).
Sworn Officer Retirement Recognition

219.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines and set out the procedures for the appropriate recognition awards to sworn (regular and reserve) law enforcement officers employed by the Montebello Police Department regardless of rank, assignment or level status, who separate or retire in good standing as a token of grateful appreciation to those officers who have distinguished themselves in their service over a period of many years, and in recognition of their services that protected the community and improved the lives of the citizens of Montebello. It is Department policy to ensure that officers receive tangible recognition in appreciation of their service to the citizens of Montebello and the State of California.

Recognition awards to the surviving spouses or family members (next-of-kin) of officers who lose their lives in the performance of duties is also covered as are disability-related retirement awards.

This policy establishes the awarding of these distinct items for separated officers, and the separated officer's responsibilities, under the following conditions and provisions:

219.2 RELATED LAWS/ REFERENCES
Two California laws have bearing on this policy and as such are cited here for reference with regard to this policy.

The Confidential Records Address of Public Officers and Employees, codified under California Vehicle Code Section 1808.4, was first enacted in 1986 by the California State Legislation, creating a list of public officials whose home addresses are to be kept confidential by the Department of Motor Vehicles (DMV), provided the person requests the confidentiality of that information. Under this legislation, the home addresses of peace officers and others on the statutory list may only be disclosed to a court, a law enforcement agency, or any governmental agency legally required to be furnished that information. Since then, the California legislation has expanded the list to include other public employees and their families. Note: as a matter of practice, DMV records for these individuals only show the individual's employer's address.

The confidential records law specifically states that active or retired peace officers, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code are included in the statutory list and further, with respect to a retired peace officer, his or her home address shall be withheld from public inspection permanently (lifetime) upon request of confidentiality at the time the information would otherwise be opened.

With respect to a surviving spouse or child of a peace officer, if the peace officer died in the line of duty, the home address of the surviving spouse or child shall be withheld from public inspection for three years following the death of the peace officer. The legislation was last amended and made effective January 1, 2011.
Sworn Officer Retirement Recognition

California Penal Code Section 538d, authorizes the head of an agency to issue identification in the form of a badge, insignia, emblem, device, label, certificate, card, or writing that clearly states that the person has honorably retired following service as a peace officer.

The law also authorizes the head of an agency to revoke such identification in the event of misuse or abuse.

219.3 DEFINITIONS
Notwithstanding the definitions stated in Montebello Police Department rules and procedures, the definitions listed below are intended to be limited to this policy.

(a) **Retirement Flat Badge:** Specially designed badge similar to an actual duty badge inscribed with the rank of the individual retiree and the word "Retired" permanently affixed on the face of the badge. A wallet sized standard badge holder of black genuine leather will be provided along with the flat badge.

(b) **Retirement Credentials:** The I.D. card shall contain a photograph of the retired person, last rank held by the person prior to retirement. The words "Retired Peace Officer" shall be printed on the backside of the I.D.Card.

**NOTE:** for purposes of reserve officers with regard to rank title in (a) and (b) above, the last rank held in the reserve unit, shall be their respective retirement rank.

219.4 ITEMS OF RECOGNITION
The Chief of Police or his designee shall present the following items of recognition to the separated law enforcement officer preferable on the date of the separation or retirement, but no later than
Sworn Officer Retirement Recognition

(b) Retirement flat badge and holder
(c) Law Enforcement Officers Safety Act (LEOSA) credentials (if qualified)

219.5 DMV CONFIDENTIALITY OF HOME ADDRESS

219.7 AWARDS FOR LESSEr SERVICE
To ensure that a deserving officer’s service receives recognition, but has not met the eligibility standard as noted above, a suitable lesser award maybe made at the discretion of the Office of the Chief of Police. The required service, while of a lesser degree than that required for award of
the retirement badge and credentials must have been accomplished with distinction as consistent with the spirit of this policy.

219.8 POSTHUMOUS AWARDS
In the event of an officer losing his/her life due to the performance of duty or who otherwise dies in office, regardless of the length of service, the duty badge may be awarded posthumously and, when so awarded, may be presented to such representative of the deceased as may be deemed appropriate by the Office of the Chief of Police.

Any primary next-of-kin may request the award of the duty badge. As in military tradition, the award will not include the word "posthumous". Such request should be in written form and coordinated through the Office of the Chief of Police. In the event the badge is not awarded, the badge and badge number of the deceased officer shall be retired from service.

Primary next-of-kin are, in order of precedence, surviving spouse, eldest surviving child, father or mother, eldest surviving brother or sister, or eldest surviving grandchild. Proof of relationship shall be submitted along with the request.

With respect to a surviving spouse or child of the officer who died in the line of duty, the surviving member(s) may request license and vehicle confidentiality (confidentiality of home address) as permitted under the California Vehicle Code. Upon approval, the surviving spouse or child shall complete the necessary DMV forms and the Department shall process as needed. The California Vehicle Code permits the home address of the surviving spouse or child to be held confidential for three years following the death of the officer.

219.9 USE OF RETIREMENT BADGE AND CREDENTIALS
The award of the retirement badge and ID credentials is specifically intended to recognize dedicated service, and to honor an individual's accomplishments over a sustained period. Any issuance and/or revocation of a retirement badge shall be subject to the conditions noted in section 1052 (Department Badges).

219.10 SUBMISSIONS
To be fully effective, an award must be timely. Retirement award recommendations shall be submitted timely so that the award items may be procured and delivered prior to the requested presentation date. In determining the presentation date, the recommender must take into account the officer's requested retirement date and allow ample lead time for the procurement and fabrication of the award items so they arrive not less than fifteen (15) days before the desired presentation date.

219.11 SEPARATED OFFICER RESPONSIBILITIES

(c) In the event of a posthumous award, the Department shall make every effort to present the award to the next-of-kin within thirty (30) days after the individual has died.
Retiree Concealed Firearms

220.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the issuance, denial, suspension or revocation of Montebello Police Department identification cards under the Law Enforcement Officers’ Safety Act (LEOSA) and California law (18 USC § 926C; Penal Code § 25455).

220.1.1 DEFINITIONS
Notwithstanding the definitions stated in the Department regulations, policies and/ or procedures, the definitions listed below are intended to be limited to this policy only.

Qualified Law Enforcement Officer: Refers to active sworn (regular and reserve) law enforcement officers employed by the Department regardless of rank, assignment or level status. All Montebello Police Officers are California Peace Officers and as such have the statutory power of arrest (Penal Code 834) and are authorized to carry firearms as part of their duties (Penal Code 832, 25900(a)& (b)).

Qualified Law Enforcement Officer "separated in good standing": Refers to a law enforcement officer (regular and reserve) who has separated (and/or retired) from the Montebello Police Department and, at the time of their separation (and/ or retirement), were active duty employees who were not the subject of a serious internal, administrative or criminal investigation, were not under discipline or pending disciplinary action that could have resulted in his or her termination for misconduct or unfitness for office, or whose separation was not part of a settlement agreement and whose separation was not due to mental instability.

Qualified Separated Law Enforcement Officer who has "completed a minimum of an aggregate of ten years of service": Refers to a law enforcement officer who has separated from the Montebello Police Department after having completed a minimum of an aggregate of ten (10) years of service. The ten year aggregation period includes any service time in the U.S. armed forces specifically devoted to training for and full-time service in law enforcement military occupational specialties (Military Police, etc) and/ or service time in other law enforcement agencies, (as noted during Congress legislative sessions).

Federal LEOSA Identification Card: Refers to the photographic identification card issued by the Montebello Police Department from which the individual separated from service as a law enforcement officer indicating that the individual is "separated in good standing"; In order to exercise the CCW privilege, the person must carry "the photographic identification issued by the governmental agency for which the individual is employed as a law enforcement officer."

Qualified Law Enforcement Officer (as per H.R. 218 & S.1132, 18 U.S.C. §926B): A "qualified active law enforcement officer" is defined as an employee of a government agency who:

(a) Is authorized by law to engage in or supervise the prevention, detection, investigation, prosecution or the incarceration of any person for any violation of law;

(b) Has statutory powers of arrest;
Retiree Concealed Firearms

(c) Is authorized by the agency to carry a firearm;

(d) Is not the subject of any disciplinary action by the agency which could result in suspension or loss of police powers;

(e) Meets the standards, if any, established by the agency which require the employee to regularly qualify in the use of a firearm;

(f) Is not under the influence of alcohol or another intoxicating or hallucinatory drug or substance, and

(g) Is not prohibited by Federal law from possessing a firearm.

NOTE: In order to be covered under LEOSA as a "qualified law enforcement officer," a person must be "an employee of a governmental agency". As reserve officers are volunteers and serve with little or no compensation for their services, the question of "employee" status arises. However the California Labor Code explicitly defines reserve peace officers as employees of their agency. Labor Code Sections 3362.5 falls within the parameters of California's workers compensation statute and provides:

(a) "3362.5 Whenever any qualified person is deputized or appointed by the proper authority as a reserve or auxiliary sheriff or city police officer, a deputy sheriff, or a reserve police officer of a regional park district or a transit district, and is assigned specific police functions by that authority, the person is an employee of the county, city, city and county, town, or district for the purposes of this division while performing duties as a peace officer if the person is not performing services as a disaster service worker for purposes of Chapter 10 (commencing with Section 4351)

As such, for purposes of this policy, all reserve officers regardless of rank or level status are considered qualified law enforcement officers.

Qualified Separated Law Enforcement Officer (as per H.R. 218 & S.1132, 18 U.S.C. §926C(c)):
A "qualified separated law enforcement officer" is defined as an individual who:

(a) Has separated from service in good standing from a government agency as a law enforcement officer;

(f) During the most recent twelve (12) month period, have met, at their own expense, the standards for qualification in firearms training for active law enforcement officers, as determined by:
   1. Their previous agency, the State in which they live or,
   2. If the State has not established such standards, either a law enforcement agency within the State in which the individual resides or the standards used by a certified firearms instructor that is qualified to conduct a firearms qualification test for active duty officers within that State;

(g) Is not under the influence of alcohol or another intoxicating or hallucinatory drug or substance; and

(h) Such a person must possess either: 1. Photographic ID issued by their previous agency that indicates that they have, in the previous twelve (12) months, been tested or otherwise found by the agency to meet the active duty standards for qualification in firearms training as established by the agency to carry a firearm of the same type as the concealed firearm, or both of: 1. Photographic ID issued by their previous agency, and
   2. A certification (firearms qualification card) issued by the State in which they live, or by a certified firearms instructor (qualified to conduct a firearms qualification test for active duty officers within that State) that indicates that they have, in the previous twelve (12) months, been tested or otherwise found by the State (or a certified firearms instructor) to have met either:
      (a) The active duty standards for qualification in firearms training, as established by the State, to carry a firearm of the same type as the concealed firearm; or
      (b) If the State has not established such standards, standards set by any law enforcement agency within that State to carry a firearm of the same type as the concealed firearm.

NOTE: Current California law does not set a statewide standard for weapon training and qualification of active law enforcement officers after graduation from the academy. As such, the
Retiree Concealed Firearms

State has left it to local jurisdictions to determine their own firearms training and qualification standards for both active and separated officers in those agencies.

Any full-time sworn officer of this [department/office] who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment shall be issued an identification card with a Carrying Concealed Weapon endorsement, "CCW Approved," upon honorable retirement (Penal Code § 25455).

(a) For the purpose of this policy, honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement. It shall not include any officer who retires in lieu of termination.

(b) No CCW Approved endorsement shall be issued to any officer retiring because of a psychological disability (Penal Code § 26305).

(b) This [department/office] is in possession of the retiree’s complete personnel record or can verify the retiree’s honorably retired status.
(c) The retiree is in compliance with all of the requirements of this [department/office] for the issuance of a CCW Approved endorsement.

### 220.4.3 QUALIFIED RETIRED RESERVES

Qualified retired reserve officers who meet the [department/office] requirements shall be provided an identification card with a CCW Approved endorsement (Penal Code § 26300).

### 220.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Watch Commander of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions policy.

### 220.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

(a) Sign a waiver of liability of the [Department/Office] for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the [Department/Office].
(b) Remain subject to all applicable [department/office] policies and federal, state and local laws.
(c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
(d) Successfully pass an annual criminal history background check indicating that he/she is not prohibited by law from receiving or possessing a firearm.

In order to maintain a CCW Approved endorsement on an identification card issued under California law, the retired officer shall (Penal Code § 26305):

(a) Qualify annually with the authorized firearm at a course approved by this [department/office] at the retired officer’s expense.
(b) Remain subject to all applicable [department/office] policies and federal, state and local laws.
(c) Not engage in conduct that compromises public safety.
(d) Only be authorized to carry a concealed firearm inspected and approved by the [Department/Office].

220.6 DENIAL, SUSPENSION, OR REVOCATION OF A LEOSA IDENTIFICATION CARD
A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the [Department/Office]. In the event that an identification card is denied, suspended, or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

220.6.1 RETIRED / SEPARATED OFFICER PROCEDURE FOR CERTIFICATION QUALIFICATION COURSE:
For purposes of this policy with regard to retired / separated officers, the firearms qualification course shall be as follows:

For each type of firearm in each certification test:

(a) Retired / separated officer can safely load the firearm;
(b) Retired / separated officer can safely un-load the firearm;
(c) Retired / separated officer can safety check the firearm and verify that it is clear of all ammunition;
(d) Retired / separated officer can load and fire five (5) rounds into a single (B27) silhouette target at a distance of seven (7) yards - no time limit;
(e) Retired / separated officer can re-load and fire an additional five (5) rounds into the same target at the same distance - no time limit;

The minimum qualifying score of seventy (70) percent is required to pass the qualification (7 of the 10 rounds fired within the scored portion of the target).

The qualification is valid for a 12-month period from the date of qualification.

The Montebello Police Department will periodically host firearms qualification session for separated law enforcement officers as it deems necessary.

NOTE: Any firearms qualification course administered by a National Rifle Association certified civilian law enforcement firearms instructor or a civilian rangemaster certified by a law enforcement
entity (IE: Federal Bureau of Investigation’s Rangemaster School) conducted by any range within the United States which meets or exceeds the firearms qualification course standards set by this policy would satisfy the LEOSA requirement.

FAILURE TO QUALIFY AND REMEDIAL TRAINING:

Any retired / separated officer who fails to qualify will be given the option of basic remedial training and a reasonable number of attempts, but not less than three, at qualifying during the scheduled qualification dates, subject to range availability and the Rangemaster or designee’s time constraints. Any number beyond three attempts will be the decision of the Rangemaster appealable only to the Chief of Police whose decision is final.

(a) Should the retired / separated officer fail to qualify, he or she will be allowed to attempt to qualify at the next scheduled qualification shoot or at a date scheduled by the Rangemaster or Designee.

(b) Upon the third or final failure, the Rangemaster or designee will submit a memo to the Chief of Police outlining the failures.

RETIRE / SEPARATED OFFICER RESPONSIBILITIES:

(a) Successfully complete and pass the firearms qualification course as prescribed in this policy.

(b) Retired / separated officers are limited to the following firearms and ammunition for certification:

1. All handguns and ammunition are subject to inspection and approval by Rangemaster or designee staff.

2. Handguns must be suitable for concealment carry. Semi-auto pistols and revolvers may be of any caliber with a six inch barrel or less.

3. When qualification takes place at a lead free range, ammunition must be no lead and be limited to that which travels at 1300 feet per second or less and is not armor piercing.

4. Retired / separated officers must provide their own ammunition (if MPD indoor range is used, must be no-lead approved) and the appropriate holster for each type of firearm they intend to qualify with. When possible, officers should bring at least one extra speed loader or magazine to demonstrate re-loading ability and minimize range delays.

5. Retired / separated officers will be allowed to qualify on more than one concealable firearm, as time and scheduling permits. Such number shall be the decision of the Rangemaster or designee staff.

(c) The retired / separated officer must apply for certification each year; certification is only valid for a period of one (1) year following the date on which certification was granted.
Retiree Concealed Firearms

(d) Within thirty (30) days prior to expiration of certification, the retired / separated officer may request a range date for the firearms qualification course. Re-certification procedures shall be the same as those for initial certification.

The Rangemaster or designee's determination will be final as to all issues of safety and equipment. Any weapon, holster, ammunition, or related equipment found unsafe for qualification and carry will be prohibited on the range and noted in writing and of record.

FOOTNOTE:

   (a) Was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;
   (b) Restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and
   (c) Includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury;
(h) Has been convicted in any court of a misdemeanor crime of domestic violence; or
(i) Is under indictment for a crime punishable by imprisonment for a term exceeding one year.
220.7 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any officer retired from this department/office may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Watch Commander when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

(a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.

(b) Prior to revocation of any CCW endorsement, the Department/Office shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree’s last known address (Penal Code § 26315).

1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.

(c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department/Office, one selected by the retiree or his/her employee organization, and one selected jointly (Penal Code § 26320).

1. The decision of such hearing board shall be binding on the Department/Office and the retiree.
2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The Department/Office will then reissue a new identification card which shall be stamped “No CCW Privilege.”

(d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Watch Commander as soon as practicable. The Watch Commander should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.

1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
2. The Watch Commander should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.
3. The personal and written notification should be as follows:

   (a) The retiree’s CCW endorsement is immediately and temporarily suspended.

   (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.

   (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.

4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Watch Commander should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Watch Commander may request that a law enforcement officer from that agency act as the agent of the [Department/Office] to deliver the written notification.

220.8 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this [department/office] an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations
Use of Force

300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this [department/office] is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS
Definitions related to this policy include:

**Deadly force** - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Serious bodily injury** - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

**Totality of the circumstances** - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY
The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.
The [Department/Office] recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE
Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

300.2.3 DUTY TO REPORT EXCESSIVE FORCE
Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, “immediately” means as soon as it is safe and feasible to do so.

300.2.4 FAILURE TO INTERCEDE
An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.3 USE OF FORCE
Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to
Use of Force

the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the [Department/Office]. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE
When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

(a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
(b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
(c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
(d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
(e) The effects of suspected drugs or alcohol.
(f) The individual’s apparent mental state or capacity (Penal Code § 835a).
(g) The individual’s apparent ability to understand and comply with officer commands (Penal Code § 835a).
(h) Proximity of weapons or dangerous improvised devices.
Use of Force

(i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.

(j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).

(k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.

(l) Training and experience of the officer.

(m) Potential for injury to officers, suspects, bystanders, and others.

(n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.

(o) The risk and reasonably foreseeable consequences of escape.

(p) The apparent need for immediate control of the subject or a prompt resolution of the situation.

(q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.

(r) Prior contacts with the subject or awareness of any propensity for violence.

(s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES
Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed [department/office]-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.

(b) Whether the person can comply with the direction or orders of the officer.

(c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE
In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Montebello Police Department for this specific purpose.
Use of Force

300.3.5 ALTERNATIVE TACTICS - DE-ESCALATION
As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

(a) Summoning additional resources that are able to respond in a reasonably timely manner.
(b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
(c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

(a) Attempts to de-escalate a situation.
(b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.6 RESTRICTIONS ON THE USE OF A CHOKE HOLD
Officers of this [department/office] are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person’s trachea or windpipe (Government Code § 7286.5).

300.3.7 ADDITIONAL RESTRICTIONS
Terms such as “positional asphyxia,” “restraint asphyxia,” and “excited delirium” continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence, or pre-existing medical conditions. While it is impractical to restrict an officer’s use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual’s breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once controlled, the individual should be placed into a recovery position (e.g., supine or seated) and monitored for signs of medical distress (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS
Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and
techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

(a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.

(b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

(a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
(b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this [department/office] shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the [Department/Office] may require the completion of additional report forms, as specified in [department/office] policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

(a) The application caused a visible injury.
(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
(c) The individual subjected to the force complained of injury or continuing pain.
(d) The individual indicates intent to pursue litigation.
(e) Any application of a TASER device or control device.
(f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
(g) The individual subjected to the force was rendered unconscious.
(h) An individual was struck or kicked.
(i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, “immediately” means as soon as it is safe and feasible to do so.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Bureau Policy.

300.6 MEDICAL CONSIDERATION

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).
Use of Force

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the subject’s injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITY
A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.

(b) Ensure that any injured parties are examined and treated.

(c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her Miranda rights, the following shall apply:

1. The content of the interview should not be summarized or included in any related criminal charges.

2. The fact that a recorded interview was conducted should be documented in a property or other report.
Use of Force

3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

(d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

(e) Identify any witnesses not already included in related reports.

(f) Review and approve all related reports.

(g) Determine if there is any indication that the subject may pursue civil litigation.

1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

(h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 WATCH COMMANDER RESPONSIBILITY
The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING
Officers, investigators, and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

(a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.

(b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to [officers/deputies] who are the subject of a sustained use of force complaint.
300.9 USE OF FORCE ANALYSIS
At least annually, the Uniform Services Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

(a) The identification of any trends in the use of force by members.
(b) Training needs recommendations.
(c) Equipment needs recommendations.
(d) Policy revision recommendations.

300.10 PUBLIC RECORDS REQUESTS
Requests for public records involving an officer’s personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

300.11 POLICY AVAILABILITY
The Chief of Police or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.12 POLICY REVIEW
The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.13 USE OF FORCE COMPLAINTS
The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).
Use of Force Review Boards

302.1 PURPOSE AND SCOPE
This policy establishes a process for the Montebello Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

302.2 POLICY
The Montebello Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

302.3 REMOVAL FROM LINE DUTY ASSIGNMENT
Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

302.4 REVIEW BOARD
The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Division Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Division Commander or supervisor of the involved employee to notify the Administration Division Commander of any incidents requiring board review. The involved employee's Division Commander or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

302.4.1 COMPOSITION OF THE BOARD
The Administration Division Commander should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command
Use of Force Review Boards

- Training Sergeant
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

302.4.2 RESPONSIBILITIES OF THE BOARD
The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303). Other members may provide questions to these members.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

(a) The employee's actions were within department policy and procedure.
(b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to
Use of Force Review Boards

consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Division Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.
Public Safety Statements in Critical Incidents

303.1 PURPOSE AND SCOPE
The purpose of this policy is to provide field supervisors with direction as it applies to obtaining public safety statements at the scene of a critical incident.

Field Supervisors are to follow a standardized response concerning public safety issues in critical incidents involving Montebello Police Department officers, including but not limited to officer-involved shootings. The goal of the Field Supervisor in such incidents is to immediately obtain information necessary to properly contain the crime scene, pursue any outstanding suspects, protect the public's safety, and protect officer safety.

303.2 PROCEDURE

303.2.1 INITIAL DUTIES
A Field Supervisor responding to a critical incident scene should initially determine which officer(s) were involved in the incident. If necessary the Field Supervisor should request that involved officer(s) immediately provide public safety information. The information necessary to achieve the goals of properly containing the crime scene, pursuing any outstanding suspects, protecting the public's safety, and protecting officer safety will vary based upon the totality of the circumstances confronting the Field Supervisor and Department officers in each particular incident. Such information, however, shall include the following areas of inquiry:

(a) Suspect information including description, number, direction of travel, crimes committed, etc.;
(b) Time elapsed since suspect was last seen;
(c) Type of force used;
(d) The type(s) of weapon(s) involved in the incident;
(e) The number and direction of shots fired, if any;
(f) Whether anyone is known to be injured and their location;
(g) Whether any evidence exists and its location;
(h) Information necessary to establish an adequate perimeter of the scene; and
(i) The identity of known witnesses

303.2.2 REFUSAL TO PROVIDE INFORMATION
An officer's refusal to provide public safety information as described above can be detrimental to the public's safety, officer safety, and the ability of the Field Supervisor to properly contain the scene and deploy needed resources. In the event that an involved officer refuses to voluntarily provide such information, the Field Supervisor may administratively order the officer to respond to the questions asked. In this case the Field Supervisor shall provide the following administrative
orders and admonishment to involved officers who refuse to provide a voluntary public safety statement:

"Officer __________, I am ordering you to give me a public safety statement. Due to the exigent circumstances of the situation, and the immediate need to take action, you do not have the right to wait for representation prior to answering the following limited questions. I am also ordering you to answer any and all questions asked of you in a truthful and accurate manner. Your failure to cooperate and answer the questions truthfully will be considered an act of insubordination that could lead to discipline, up to and including termination. Any statements you make under compulsion of the threat of such discipline cannot be used against you in a later criminal proceeding. Do you understand?"

303.2.3 INVESTIGATION
Once the critical incident scene is contained, and at the Field Supervisor’s earliest convenience, the involved officers should be separated and transported to the station. The involved officers should be ordered not to discuss anything related to the incident with anyone, except the officer’s legal representative. Thereafter, the investigating officer(s) assigned to the incident will be responsible for conducting the interview(s) of the involved officer(s).
Handcuffing and Restraints

306.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

306.2 POLICY
The Montebello Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

306.3 USE OF RESTRAINTS
Only members who have successfully completed Montebello Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

306.3.1 RESTRAINT OF DETAINEES
Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

306.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized
determination that such restraints are necessary for the safety of the arrestee, officers, or others (Penal Code § 3407; Penal Code § 6030).

306.3.3 RESTRAINT OF JUVENILES
A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer, or damage property.

306.3.4 NOTIFICATIONS
Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person’s hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the [Department/Office]. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person’s back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person’s size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

306.5 APPLICATION OF SPIT HOODS
Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or
Handcuffing and Restraints

distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES
Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only [department/office]-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

306.7 APPLICATION OF LEG RESTRAINT DEVICES
Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the [Department/Office] shall be used.

In determining whether to use the leg restraint, officers should consider:

(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
(b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS
When applying leg restraints, the following guidelines should be followed:

(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
Handcuffing and Restraints

(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person’s ability to breathe.

(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.

(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

(f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

306.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

(a) The factors that led to the decision to use restraints.
(b) Supervisor notification and approval of restraint use.
(c) The types of restraint used.
(d) The amount of time the person was restrained.
(e) How the person was transported and the position of the person during transport.
(f) Observations of the person’s behavior and any signs of physiological problems.
(g) Any known or suspected drug use or other medical problems.
Control Devices and Techniques

308.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

308.2 POLICY
In order to control subjects who are violent or who demonstrate the intent to be violent, the Montebello Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

308.2.1 AUTHORIZED BATONS
The following batons are authorized:

(a) PR-24 baton and expandable PR-24 baton.
(b) ASP Expandable baton
(c) Monadnock "Autolock" Collapsible baton
(d) Straight stick baton 26" for patrol, 16"-26" for non-uniformed.

308.2.2 TRAINING REQUIRED FOR USE
(a) Each baton requires specific training. Employees shall not carry a baton until after they have successfully completed the designated training for the specific baton, conducted by an approved and certified trainer.
(b) Each employee is also required to complete any required periodic training or recertifications.

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.
308.4 RESPONSIBILITIES

308.4.1 WATCH COMMANDER RESPONSIBILITIES
The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

308.4.2 RANGEMASTER RESPONSIBILITIES
The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

308.4.3 USER RESPONSIBILITIES
All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

308.5 BATON GUIDELINES
The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

308.6 TEAR GAS GUIDELINES
Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Special Response Team (SRT) Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.
308.7 OLEORESIN CAPSICUM (OC) GUIDELINES
As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

308.7.1 OC SPRAY
Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

308.7.2 PEPPER PROJECTILE SYSTEMS
Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

308.7.3 TREATMENT FOR OC SPRAY EXPOSURE
Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

308.8 POST-APPLICATION NOTICE
Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner’s expense. Information regarding the method of notice and the individuals notified should be included in related reports.
308.9 KINETIC ENERGY PROJECTILE GUIDELINES
This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

308.9.1 DEPLOYMENT AND USE
Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

(a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
(b) The suspect has made credible threats to harm him/herself or others.
(c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
(d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

308.9.2 DEPLOYMENT CONSIDERATIONS
Before discharging projectiles, the officer should consider such factors as:

(a) Distance and angle to target.
(b) Type of munitions employed.
(c) Type and thickness of subject’s clothing.
(d) The subject’s proximity to others.
(e) The location of the subject.
(f) Whether the subject’s actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer’s recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to
manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

308.9.3 SAFETY PROCEDURES
Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

308.10 TRAINING FOR CONTROL DEVICES
The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

  (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
  
  (b) All training and proficiency for control devices will be documented in the officer’s training file.
  
  (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency’s Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency’s Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

308.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES
Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Device

309.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY
The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES
Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift. When carried while in uniform officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

(a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.

(b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.

(c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.

(d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

(a) Provide the individual with a reasonable opportunity to voluntarily comply.

(b) Provide other officers and individuals with a warning that the TASER device may be deployed.
Conducted Energy Device

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer’s lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.5 USE OF THE TASER DEVICE
The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

309.5.1 APPLICATION OF THE TASER DEVICE
The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

(a) The subject is violent or is physically resisting.
(b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS
The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

(a) Individuals who are known to be pregnant.
(b) Elderly individuals or obvious juveniles.
(c) Individuals with obviously low body mass.
(d) Individuals who are handcuffed or otherwise restrained.
Conducted Energy Device

(e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.

(f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

309.5.3 TARGETING CONSIDERATIONS
Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

309.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE
Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

(a) Whether the probes are making proper contact.

(b) Whether the individual has the ability and has been given a reasonable opportunity to comply.

(c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

309.5.5 ACTIONS FOLLOWING DEPLOYMENTS
Officers shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence.
Conducted Energy Device

The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject’s skin.

309.5.6 DANGEROUS ANIMALS
The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

309.5.7 OFF-DUTY CONSIDERATIONS
Officers are not authorized to carry department TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

309.6 DOCUMENTATION
Officers shall document all TASER device discharges in the related arrest/crime report and the TASER device report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

309.6.1 TASER DEVICE FORM
Items that shall be included in the TASER device report form are:

(a) The type and brand of TASER device and cartridge and cartridge serial number.
(b) Date, time and location of the incident.
(c) Whether any display, laser or arc deterred a subject and gained compliance.
(d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
(e) The range at which the TASER device was used.
(f) The type of mode used (probe or drive-stun).
(g) Location of any probe impact.
(h) Location of contact in drive-stun mode.
(i) Description of where missed probes went.
(j) Whether medical care was provided to the subject.
(k) Whether the subject sustained any injuries.
(l) Whether any officers sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of data.
Conducted Energy Device

downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

309.6.2 REPORTS
The officer should include the following in the arrest/crime report:

(a) Identification of all personnel firing TASER devices

(b) Identification of all witnesses

(c) Medical care provided to the subject

(d) Observations of the subject’s physical and physiological actions

(e) Any known or suspected drug use, intoxication or other medical problems

309.7 MEDICAL TREATMENT
Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person’s body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

(a) The person is suspected of being under the influence of controlled substances and/or alcohol.

(b) The person may be pregnant.

(c) The person reasonably appears to be in need of medical attention.

(d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).

(e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.
309.8 SUPERVISOR RESPONSIBILITIES
When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device’s onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

309.9 TRAINING
Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of an officer’s knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Sergeant. All training and proficiency for TASER devices will be documented in the officer’s training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Sergeant should ensure that all training includes:

(a) A review of this policy.
(b) A review of the Use of Force Policy.
(c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
(d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
(e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
Conducted Energy Device

(f) De-escalation techniques.

(g) Restraint techniques that do not impair respiration following the application of the TASER device.
Officer-Involved Shootings and Deaths

310.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

310.2 POLICY
The policy of the Montebello Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

310.3 TYPES OF INVESTIGATIONS
Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer’s actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

310.4 CONTROL OF INVESTIGATIONS
Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

310.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS
The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect’s crime occurred. For example, the Montebello Police Department would control the investigation if the suspect’s crime occurred in Montebello.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.
Officer-Involved Shootings and Deaths

310.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS
The control of the criminal investigation into the involved officer’s conduct during the incident will be determined by the employing agency’s protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency’s officer shall be referred to the Chief of Police or the authorized designee for approval.

310.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION
Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

310.5 INVESTIGATION PROCESS
The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

310.5.1 UNINVOLVED OFFICER RESPONSIBILITIES
Upon arrival at the scene of an officer-involved shooting, the first uninvolved MPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

(a) Secure the scene and identify and eliminate hazards for all those involved.
(b) Take reasonable steps to obtain emergency medical attention for injured individuals.
(c) Request additional resources from the Department or other agencies.
(d) Coordinate a perimeter or pursuit of suspects.
(e) Check for injured persons and evacuate as needed.
(f) Brief the supervisor upon arrival.

310.5.2 WATCH COMMANDER / SUPERVISOR RESPONSIBILITIES
Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Detective Lieutenant.

All outside inquiries about the incident shall be directed to the Watch Commander.

310.5.3 NOTIFICATIONS
The following person(s) shall be notified as soon as practicable:

- Chief of Police
- Investigative Services Division Commander
- Deadly Force Review Board rollout team
- Outside agency investigator (if appropriate)
- Watch Commander supervisor
Officer-Involved Shootings and Deaths

- Civil liability response team
- Psychological/peer support personnel
- Chaplain
- Coroner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

310.5.4 SUPERVISOR RESPONSIBILITIES
Upon arrival at the scene, the first uninvolved MPD supervisor should ensure completion of the duties as outlined above, plus:

(a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
   1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.

(b) If necessary, the supervisor may administratively order any MPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
   1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
   2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.

(c) Provide all available information to the Watch Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.

(d) Take command of and secure the incident scene with additional MPD members until properly relieved by another supervisor or other assigned personnel or investigator.

(e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
   1. Each involved MPD officer should be given an administrative order not to discuss the incident with other involved officers or MPD members pending further direction from a supervisor.
   2. When an involved officer’s weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

310.5.5 INVOLVED OFFICERS
The following shall be considered for the involved officer:
Officer-Involved Shootings and Deaths

(a) Any request for legal or union representation will be accommodated.
   1. Involved MPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
   2. Requests from involved non-MPD officers should be referred to their employing agency.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

(c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).

(d) A licensed psychotherapist shall be provided by the [Department/Office] to each involved MPD officer. A licensed psychotherapist may also be provided to any other affected MPD members, upon request.
   1. Interviews with a licensed psychotherapist will be considered privileged.
   2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
   3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).

(e) Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer (Government Code § 8669.4).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved MPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

310.5.6 NOTIFICATION TO DEPARTMENT OF JUSTICE
The California Department of Justice (DOJ) is required to investigate an officer-involved shooting resulting in the death of an unarmed civilian. The Watch Commander should promptly notify the DOJ in all incidents involving an officer-involved shooting resulting in the death of an unarmed civilian, including where it is undetermined if the civilian was unarmed.

For purposes of notification, “unarmed civilian” means anyone who is not in possession of a deadly weapon (Government Code § 12525.3).

310.6 CRIMINAL INVESTIGATION
The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.
If available, investigative personnel from this [department/office] may be assigned to partner with investigators from outside agencies or the District Attorney’s Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

(a) MPD supervisors and Watch Commander personnel should not participate directly in any voluntary interview of MPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer’s statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.

(c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.

(d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

310.6.1 REPORTS BY INVOLVED MPD OFFICERS
In the event that suspects remain outstanding or subject to prosecution for related offenses, this [department/office] shall retain the authority to require involved MPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved MPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved MPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.
310.6.2 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

(a) Identification of all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the [Department/Office].
   1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

(c) Promptly contacting the suspect’s known family and associates to obtain any available and untainted background information about the suspect’s activities and state of mind prior to the incident.

310.6.3 INVESTIGATIVE PERSONNEL
Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigation Bureau supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. [Department/Office] investigators will be assigned to work with investigators from the District Attorney’s Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney’s Office.

All related [department/office] reports, except administrative and/or privileged reports, will be forwarded to the designated Investigation Bureau supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

310.7 ADMINISTRATIVE INVESTIGATION
In addition to all other investigations associated with an officer-involved shooting or death, this [department/office] will conduct an internal administrative investigation of MPD officers to
determine conformance with [department/office] policy. The investigation will be conducted under the supervision of the Watch Commander and will be considered a confidential officer personnel file.

Interviews of members shall be subject to [department/office] policies and applicable laws (see the Personnel Complaints Policy).

(a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

(b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.

1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.

(c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.

1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer’s physical and psychological needs have been addressed before commencing the interview.

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).

4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her Lybarger or Garrity rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.

5. The Watch Commander shall compile all relevant information and reports necessary for the [Department/Office] to determine compliance with applicable policies.

6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
Officer-Involved Shootings and Deaths

7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

310.8 AUDIO AND VIDEO RECORDINGS
Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video, body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney’s Office, as appropriate.

310.9 CIVIL LIABILITY RESPONSE
A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

310.10 DEBRIEFING
Following an officer-involved shooting or death, the Montebello Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

310.10.1 CRITICAL INCIDENT/STRESS DEBRIEFING
A critical incident/stress debriefing should occur as soon as practicable. The Administration Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Attendance at the debriefing shall only include those members of the [Department/Office] directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn personnel). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to
Officer-Involved Shootings and Deaths

310.10.2 TACTICAL DEBRIEFING
A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

310.11 MEDIA RELATIONS
Any media release shall be prepared with input and concurrence from the supervisor and [department/office] representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Investigative Services Division Commander and Public Information Officer in the event of inquiries from the media.

The [Department/Office] shall not subject any involved MPD officer to visits by the media (Government Code § 3303(e)). No involved MPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander. [Department/Office] members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

310.12 REPORTING
If the death of an individual occurs in the Montebello Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Uniform Services Division Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

Effective July 1, 2021, immediately notify the DOJ when the LEA has an incident of an officer-involved shooting resulting in the death of an unarmed civilian. When situations arise and it is undetermined if the civilian was unarmed, a notification to DOJ is still requested. The Los Angeles Regional Criminal Information Clearinghouse (LA CLEAR) will be the central point of contact for all officer-involved shooting incident notifications: (800) 522-5327.
Firearms

312.1 PURPOSE AND SCOPE
This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

312.2 POLICY
The Montebello Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate, in good working order and that relevant training is provided as resources allow.

312.2.1 WEAPONS TRAINING
Eligible sworn personnel requesting permission to carry the Department issued handgun shall successfully complete an instructional course approved by the Chief of Police to demonstrate their proficiency in the use and safe handling of the weapon.

ADVANCED TRAINING

(a) DUTY HANDGUN: In addition to regular qualification schedules, sworn personnel below the rank of Captains should attend department approved or sanctioned tactical handgun training. This training shall include a review of the department's policy regarding use of force, firearms and shooting. This training shall be provided by the department using P.O.S.T. certified firearms instructors.

(b) SHOTGUN: Officers below the rank of Lieutenant should attend shotgun (which may include less lethal munitions) training every year.

(c) PATROL RIFLE: All sworn personnel who are authorized to deploy a patrol rifle shall attend department approved or sanctioned basic tactical patrol rifle training course

(d) The Rangemaster and Training Sergeant shall be responsible for scheduling officers for any department sponsored firearms training.

312.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS
Members shall only use firearms that are issued or approved by the [Department/Office] and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized [department/office] range.
Firearms

All other weapons not provided by the [Department/Office], including but not limited to edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by [department/office] policy, may not be carried by members in the performance of their official duties without the express written authorization of the member’s Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

312.3.1 HANDGUNS
The authorized department-issued handgun is the Heckler & Koch USP 45. The following additional handguns are approved for on-duty use:

(b) When an officer is faced with a situation which may require the delivery of accurate and effective fire at long range.
(c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
(d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
(e) When an officer reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.

313.5.8 DISCHARGE OF THE PATROL RIFLE
The discharge of the patrol rifle shall be governed by the Department's Deadly Force Policy , § 300.

313.6 PATROL READY
Any qualified officer carrying a patrol rifle in the field shall maintain the weapon in the "patrol ready" until deployed. A rifle is considered "patrol ready" when it has been inspected by the assigned officer and meets the following conditions:

(a) There is no round in the chamber.
(b) The rifle bolt is forward with the hammer down.
(c) The rifle safety is off. Note: Selector switch is unable to be placed on safe when rifles hammer is down and chamber is empty.
Special Weapons

(d) There is a fully loaded magazine in the rifle.
(e) The dust cover is closed.
(f) The rifle is stored in the locked patrol vehicle's rifle rack or trunk.

313.6.1 RIFLE STORAGE

(a) When not in use, patrol rifles will be stored in the Department Armory in rifle racks.
(b) The patrol rifle will be stored in the following condition: Safe Storage with no round in the chamber:
   1. The rifle bolt is forward with the hammer down;
   2. The rifle safety is off;
   3. The dust cover is closed;
   4. Magazine in the rifle;
   5. 

Note: Selector switch is unable to be placed on safe when rifles hammer is down and chamber is empty.

313.7 TEAR GAS LAUNCHERS

(a) Tear Gas Launchers may only be used at the direction of a supervisor by officers trained in their use.
(b) Tear Gas Launchers will be stored in the armory for use as needed.
(c) Tear Gas Launchers are a dangerous weapon and must be handled carefully.
Vehicle Pursuits

314.1 PURPOSE AND SCOPE
This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public, and fleeing suspects.

314.1.1 DEFINITIONS
Blocking - A low-speed tactic where one or more authorized police [department/office] emergency vehicles intentionally restrict the movement of a suspect vehicle, with the goal of containment or preventing a pursuit. Blocking is not boxing in or a roadblock.

Boxing-in - A tactic designed to stop a suspect's moving vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention - An attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT (known as Pursuit Intervention Technique or Precision Immobilization Technique), ramming, or roadblock procedures.

Pursuit Intervention Technique (PIT) - A low-speed tactic intentionally applied to cause the suspect vehicle to spin out and terminate the pursuit.

Ramming - The deliberate act of impacting a suspect's vehicle with another vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

Roadblocks - A tactic designed to stop a suspect's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the suspect's vehicle.

Tire deflation device - A device that extends across the roadway designed to puncture the tires of the pursued vehicle, sometimes referred to as spike strips.

Terminate - To discontinue a pursuit or stop chasing fleeing vehicles.

Trail - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

Vehicle Pursuit - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an officer's signal to stop.

314.2 OFFICER RESPONSIBILITIES
Vehicle pursuits shall only be conducted using authorized police [department/office] emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by
Vehicle Pursuits

Vehicle Code § 21055. Officers are responsible for continuously driving with due regard and caution for the safety of all persons and property (Vehicle Code § 21056).

314.2.1 WHEN TO INITIATE A PURSUIT
Officers are authorized to initiate a pursuit when the officer reasonably believes that a suspect, who has been given appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that should be considered in deciding whether to initiate a pursuit include:

(a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.

(b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others.

(c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.

(d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the [dispatcher supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.

(e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risk of the suspect's escape.

(f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.

(g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.

(h) Emergency lighting and siren limitations on unmarked police [department/office] vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.

(i) Suspect and officer vehicle speeds.

(j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).

(k) Availability of other resources such as air support or vehicle locator or deactivation technology.

314.2.2 WHEN TO TERMINATE A PURSUIT
Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect’s escape.
Vehicle Pursuits

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

(a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.

(b) The pursued vehicle’s location is no longer definitely known.

(c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.

(d) The pursuing vehicle’s emergency lighting equipment or siren becomes partially or completely inoperable.

(e) Hazards to uninvolved bystanders or motorists.

(f) The danger that the continued pursuit poses to the public, the officers, or the suspect, balanced against the risk of allowing the suspect to remain at large.

(g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.

(h) Extended pursuits of violators for misdemeanors not involving violence, risk of serious harm, or weapons (independent of the pursuit) are generally discouraged.

314.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds should take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors should also consider these factors when determining the reasonableness of the speed of the pursuit:

(a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.

(b) Pursuit speeds have exceeded the driving ability of the officer.

(c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

314.3 PURSUIT UNITS

When involved in a pursuit, unmarked police [department/office] emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three vehicles (two units and a supervisor); however, the number of units involved may vary with the circumstances.
Vehicle Pursuits

An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of officers involved may be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

314.3.1 MOTORCYCLE OFFICERS
When involved in a pursuit, police [department/office] motorcycles should be replaced by marked four-wheel emergency vehicles as soon as practicable.

314.3.2 VEHICLES WITHOUT EMERGENCY EQUIPMENT
Officers operating vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit.

314.3.3 PRIMARY UNIT RESPONSIBILITIES
The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the officer is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspects without unreasonable danger to any person.

The primary unit should notify the [dispatcher commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

(a) The location, direction of travel, and estimated speed of the suspect's vehicle.
(b) The description of the suspect's vehicle including license plate number, if known.
(c) The reason for the pursuit.
(d) Known or suspected weapons. Threat of force, violence, injuries, hostages, or other unusual hazards.
(e) The suspected number of occupants and identity or description.
(f) The weather, road, and traffic conditions.
(g) The need for any additional resources or equipment.
(h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or secondary unit, the officer in the primary unit is responsible for the broadcasting of the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

314.3.4 SECONDARY UNIT RESPONSIBILITIES
The second officer in the pursuit will be designated as the secondary unit and is responsible for:
Vehicle Pursuits

(a) Immediately notifying the dispatcher of entry into the pursuit.
(b) Remaining a safe distance behind the primary unit unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
(c) Broadcasting the progress, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
(d) Identifying the need for additional resources or equipment as appropriate.
(e) Serving as backup to the primary pursuing officer once the suspect has been stopped.

314.3.5 PURSUIT DRIVING
The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for units involved in the pursuit:

(a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
(b) Because intersections can present increased risks, the following tactics should be considered:
   1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
   2. Pursuing units should exercise due regard and caution when proceeding through controlled intersections.
(c) As a general rule, officers should not pursue a vehicle driving left of center (wrong way) against traffic. In the event that the pursued vehicle does so, the following tactics should be considered:
   1. Requesting assistance from available air support.
   2. Maintain visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
   3. Request other units to observe exits available to the suspects.
(d) Notify the California Highway Patrol (CHP) and/or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
(e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit and with a clear understanding of the maneuver process between the involved units.

314.3.6 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT
There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.
Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

314.3.7 Pursuit Trailing
In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspects and reporting the incident.

314.3.8 Air Support Assistance
When available, air support assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, the unit should assume control over the pursuit. The primary and secondary ground units, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants the continued close proximity and/or involvement of ground units in the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact of the pursued vehicle and the air support unit determines that it is unsafe to continue the pursuit, the air support unit should recommend terminating the pursuit.

314.4 Supervisory Control and Responsibilities
Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this [department/office].

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for:

(a) Immediately notifying involved unit and the [dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit.

(b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.

(c) Exercising management and control of the pursuit even if not engaged in it.

(d) Ensuring that no more than the required number of units are involved in the pursuit under the guidelines set forth in this policy.

(e) Directing that the pursuit be terminated if, in the supervisor's judgment, it is unreasonable to continue the pursuit under the guidelines of this policy.

(f) Ensuring that assistance from air support, canines, or additional resources is requested, if available and appropriate.

(g) Ensuring that the proper radio channel is being used.
Vehicle Pursuits

(h) Ensuring that the Watch Commander is notified of the pursuit as soon as practicable.

(i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this [department/office].

(j) Controlling and managing Montebello Police Department units when a pursuit enters another jurisdiction.

(k) Preparing a post-pursuit review and documentation of the pursuit.

1. Supervisors should initiate follow up or additional review when appropriate.

314.4.1 WATCH COMMANDER RESPONSIBILITIES
Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. Once notified, the Watch Commander has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

314.5 THE COMMUNICATIONS CENTER
If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or [dispatcher. If the pursuit leaves the jurisdiction of this [department/office] or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies and units.

314.5.1 THE COMMUNICATIONS CENTER RESPONSIBILITIES
Upon notification or becoming aware that a pursuit has been initiated, the [dispatcher is responsible for:

(a) Clearing the radio channel of non-emergency traffic.

(b) Coordinating pursuit communications of the involved units and personnel.

(c) Broadcasting pursuit updates as well as other pertinent information as necessary.

(d) Ensuring that a field supervisor is notified of the pursuit.

(e) Notifying and coordinating with other involved or affected agencies as practicable.

(f) Notify the Watch Commander as soon as practicable.

(g) Assigning an incident number and logging all pursuit activities.

314.5.2 LOSS OF PURSUED VEHICLE
When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.
314.6 INTER-JURISDICTIONAL CONSIDERATIONS
When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY
Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Montebello Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports. Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION
The agency that initiates a pursuit is responsible for conducting the pursuit. Units from this [department/office] should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a supervisor may authorize units from this [department/office] to join the pursuit until sufficient units from the initiating agency join the pursuit or until additional information is provided allowing withdrawal of the pursuit.

When a request is made for this [department/office] to assist or take over a pursuit that has entered the jurisdiction of Montebello Police Department, the supervisor should consider:

(a) The public's safety within this jurisdiction.
(b) The safety of the pursuing officers.
(c) Whether the circumstances are serious enough to continue the pursuit.
(d) Whether there is adequate staffing to continue the pursuit.
(e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after considering the above factors, may decline to assist in, or assume the other agency’s pursuit.

Assistance to a pursuing allied agency by officers of this [department/office] will terminate at the City limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this [department/office] may continue only until sufficient assistance is present.
Vehicle Pursuits

In the event that a pursuit from another agency terminates within this jurisdiction, officers should provide appropriate assistance to officers from the allied agency including but not limited to scene control, coordination and completion of supplemental reports, and any other reasonable assistance requested or needed.

314.7 WHEN PURSUIT INTERVENTION IS AUTHORIZED
Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards to the public arising from the use of each tactic, the officers, and persons in or on the pursued vehicle to determine which, if any, intervention tactic may be reasonable.

314.7.1 USE OF FIREARMS
An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle (see the Use of Force Policy).

314.7.2 INTERVENTION STANDARDS
Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and subject to the policies guiding such use. Officers should consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

(a) Blocking should only be used after giving consideration to the following:
1. The technique should only be used by officers who have received training in the technique.
2. The need to immediately stop the suspect vehicle or prevent it from leaving reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
3. It reasonably appears the technique will contain or prevent the pursuit.

(b) The PIT should only be used after giving consideration to the following:
1. The technique should only be used by officers who have received training in the technique, including speed restrictions.
2. Supervisory approval should be obtained before using the technique.
3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
4. It reasonably appears the technique will terminate or prevent the pursuit.
Vehicle Pursuits

(c) Ramming a fleeing vehicle should only be done after giving consideration to the following:
   1. Supervisory approval should be obtained before using the technique.
   2. The need to immediately stop the suspect vehicle reasonably appears to
      substantially outweigh the risks of injury or death to occupants of the suspect
      vehicle, officers, or other members of the public.
   3. It reasonably appears the technique will terminate or prevent the pursuit.
   4. Ramming may be used only under circumstances when deadly force would be
      authorized.
   5. Ramming may be used when all other reasonable alternatives have been
      exhausted or reasonably appear ineffective.

(d) Before attempting to box a suspect vehicle during a pursuit the following should be
    considered:
   1. The technique should only be used by officers who have received training in the
      technique.
   2. Supervisory approval should be obtained before using the technique.
   3. The need to immediately stop the suspect vehicle reasonably appears to
      outweigh the risks of injury or death to occupants of the suspect vehicle, officers,
      or other members of the public.
   4. It reasonably appears the technique will terminate or prevent the pursuit.

(e) Tire deflation devices should only be used after considering the following:
   1. Tire deflation devices should only be used by officers who have received training
      in their use.
   2. Supervisory approval should be obtained before using tire deflation devices.
   3. The need to immediately stop the suspect vehicle reasonably appears to
      outweigh the risks of injury or death to occupants of the suspect vehicle, officers,
      or other members of the public.
   4. It reasonably appears the use will terminate or prevent the pursuit.
   5. Tire deflation devices should not be used when the pursued vehicle is
      a motorcycle, a vehicle transporting hazardous materials, or a school bus
      transporting children, except in extraordinary circumstances.
   6. Due to the increased risk to officers deploying tire deflation devices, such
      deployment should be communicated to all involved personnel.

(f) Roadblocks should only be used after considering the following:
   1. Roadblocks should only be used by officers who have received training in
      their use.
   2. Supervisory approval should be obtained before using the technique.
3. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.

4. It reasonably appears the technique will terminate or prevent the pursuit. Roadblocks may be used only under circumstances when deadly force would be authorized.

5. Roadblocks may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.

314.7.3 CAPTURE OF SUSPECTS
Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspects following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspects.

314.8 REPORTING REQUIREMENTS
All appropriate reports should be completed to comply with applicable laws, policies, and procedures.

(a) The primary officer should complete appropriate crime/arrest reports.

(b) The Watch Commander shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary officer should complete as much of the required information on the form as is known and forward the report to the Watch Commander for review and distribution.

(c) After first obtaining the available information, the involved, or if unavailable on-duty, field supervisor shall promptly complete a Supervisor's Log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:

1. Date and time of pursuit.
2. Initial reason and circumstances surrounding the pursuit.
3. Length of pursuit in distance and time, including the starting and termination points.
4. Involved units and officers.
5. Alleged offenses.
6. Whether a suspect was apprehended, as well as the means and methods used.
7. Any use of force that occurred during the vehicle pursuit.
Vehicle Pursuits

(a) Any use of force by a member should be documented in the appropriate report (See the Use of Force Policy).

8. Any injuries and/or medical treatment.

9. Any property or equipment damage.

10. Name of supervisor at scene or who handled the incident.

(d) After receiving copies of reports, logs, and other pertinent information, the Chief of Police or the authorized designee should conduct or assign the completion of a post-pursuit review.

Annually, the Chief of Police should direct a documented review and analysis of [department/office] vehicle pursuit reports to minimally include policy suitability, policy compliance, and training or equipment needs.

314.8.1 REGULAR AND PERIODIC PURSUIT TRAINING
The Training Sergeant shall make available to all officers initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, and no less than annual training addressing:

(a) This policy.

(b) The importance of vehicle safety and protecting the public.

(c) The need to balance the known offense and the need for immediate capture against the risks to officers and others (Vehicle Code § 17004.7(d)).

314.8.2 POLICY REVIEW
Officers of this [department/office] shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on this policy is provided. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member’s training file.

314.9 APPLICATION OF VEHICLE PURSUIT POLICY
This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

314.10 POLICY
It is the policy of this [department/office] to balance the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.
Special Response Team (SRT)

315.1 PURPOSE AND SCOPE
The purpose of this standard operational procedure is to establish the command and supervisory responsibilities and organizational configuration of the Special Response Team (SRT).

315.2 MISSION - DUTIES AND RESPONSIBILITIES
The primary mission of the Montebello Police Department Special Response Team is to respond to incidents with a trained mobile field force/team to maintain peace and order and caring for the safety and well being of the civilians and public/private property. This includes the lives and safety of law enforcement personnel whose safety may be threatened by hazardous situations.

(a) The secondary mission is to provide a quick response to those situations that are beyond the scope, training and abilities of regular patrol forces.
(b) SRT will provide civilians and officers protection through the deployment of specially selected personnel who are trained in special tactics, equipped with appropriate resources and utilization of special weapons.
(c) SRT may be utilized to respond to unforeseen and potentially violent incidents with specialized training, tactics, equipment and special weapons.

315.3 SPECIAL RESPONSE TEAM (SRT) DEFINED
SRT consists of a predetermined number of specially selected sworn personnel who receive ongoing specialized training.

(a) Specially trained personnel are brought together to implement special tactics to control unruly riotous crowds, maintain peace, and to preserve life and property.
(b) Utilize special tactics, equipment and special weapons in certain high-risk situations that are planned or unplanned events.
(c) Provide protection for dignitaries or V.I.P.’s and participate in other special events as directed or requested.
(d) The goal of SRT is risk reduction in the protection of life and property and to maintain and restore social order.

315.4 ORGANIZATIONAL CONFIGURATION
SRT operates within the Uniform Services Division under the command of the Uniform Services Division Commander.

(a) SRT is comprised of specially selected sworn personnel. Personnel will be and are selected from various units throughout the police department.
Special Response Team (SRT)

(b) Positions on SRT will be on a part-time collateral basis.

1. (a) SRT may consist of up to 16 members depending on staffing levels and the needs of the Department. SRT will consist of two squads when staffing levels permit. A Team Leader supervises each squad. A squad may be comprised of the following positions:

   1. Scout and Assistant Scout
   2. Breachers
   3. Grenadiers
   4. Long Rifle Observers/Snipers
   5. Canine Handler
   6. Operators

315.5 SUPERVISION OF SRT

(a) A Lieutenant will be designated as the SRT Commander. The SRT Commander is responsible for the management, direction and overall command and supervision of the team.

(b) SRT may be divided into two squads. A Sergeant, or in their absence a Corporal, will be the SRT Team Leader (TL). The SRT Team Leader will provide general supervision and ensure operations within the team and incident resolution are carried out within the scope of department policy. In the event there is only one Sergeant on SRT, a Corporal designated by the SRT Commander or Team Leader, will be used to supplement supervision of the team. In the absence of the normal Team Leader the Assistant Team Leader (ATL) will move up and be designated as the Team Leader.

315.6 AUTHORITY TO ACTIVATE SRT

The assistance of SRT can be requested in all situations involving civil unrest, riotous conditions, planned/unplanned special events, high risk warrant service or situations that are above and beyond the scope, training and abilities of regular patrol and/or detective

(a) Any department supervisor may request the assistance of SRT when in the supervisor’s judgment special tactics, manpower or special weapons are necessary, or after receiving an outside agency request or a planned mutual aid request from a law enforcement agency. After determining that SRT is suitable for the situation or mission, the supervisor requesting shall notify the Duty Chief of the needed deployment.

(b) Department command staff may authorize the deployment of SRT after receiving a pre-planned mutual aid request from a law enforcement agency.

315.7 NOTIFICATION AND RESPONSE

Once SRT has been authorized to be activated, the on-duty watch commander or his/her designee may make notification to the SRT Commander and/or Team Leader.
Special Response Team (SRT)

(a) Notifications to SRT members to respond to an event will be done by either telephone, cell phone, text messaging, email or any other appropriate electronic communication device.

(b) All SRT members should carry reliable communication devices for emergency call out purposes.

(c) All SRT members will be subject to a non-compensated 24/7 call out status. Upon call-out, SRT members will respond to the station for required equipment and weaponry and respond to the incident to relieve on-duty personnel. Upon evaluation of the incident the SRT Team Leader on scene will determine if additional allied agency tactical team personnel should respond.

(d) In a pre-planned event all SRT members will assemble at the station or other predesignated staging area for briefings, equipment disbursement, assignments and other related activities.

(e) The Watch Commander will maintain a call-out list for the SRT. The call out list will be posted in the Watch Commanders office.

315.8 SRT PERSONNEL SELECTION
When a personnel vacancy exists, or is anticipated, the Chief of Police will post a memorandum announcing the intent to fill the vacancy. In order to provide a well trained, disciplined and cohesive unit capable of accomplishing the mission statement set forth, the following criteria should be followed.

(a) The memorandum will state that the position is a collateral assignment and that there will be a non-compensated on-call availability required.

(b) All officers, meeting the below minimum requirements will submit a memo of interest and will be required to participate in the below selection process.

1. Applicant must be off probation.
2. Good physical condition with no physical limitations (Arduous physical activity).
3. Able to function well under extreme pressures and stress and possess a calm and stable personality
4. Able to function as a cooperative team member with the observed ability to work well with others in a team environment.
5. Review of applicants past performance evaluations & supervisors recommendations.
6. Qualifying pass/fail physical fitness test.
7. A physical fitness qualification (PFQ) test will be administered to test the physical ability to perform the position as an SRT member. The PFQ will be consistent
8. The SRT Commander and Team Leaders will review the list of finalists and submit that list to the Uniform Division Commander and Chief of Police for final selection.

9. Finalists will then be placed in a band of qualification.

10. All newly appointed SRT members shall successfully complete an 80 hour CA POST certified SWAT Academy prior to deployment with the team.

315.8.1 ADDITIONAL DUTIES
SRT personnel may be called upon to respond to special circumstances, including but not limited to:

(a) Arrest and/or search warrant service
(b) Surveillance
(c) Disasters
(d) Civil defense emergencies
(e) Terrorist activities/Homeland Security operations
(f) Other duties as assigned or requested.

Generally, the Investigations Bureau, Narcotics Unit, or Special Investigations Unit handles surveillance. However, under special circumstances, SRT may be called upon to perform these duties. SRT Operations will be managed under the Department's Incident Command System, managed by the SRT Commander/Incident Commander.

315.8.2 TRAINING
It is a well-recognized fact that skills developed by specialized training are considered to be perishable.

(a) SRT members shall have regularly scheduled training days. SRT members shall maintain a training schedule that is consistent with the guidelines set forth by the California Police Officer's Standards and Training (POST) SWAT guidelines and the National SWAT industry standard.

(b) For the purpose of developing and maintaining proficiency, the Department will provide relevant training opportunities for SRT. The training opportunities will be scheduled on a regular basis, allowing both squads to train as a team and develop their skills to better function as a well skilled, cohesive, and integral unit.
Special Response Team (SRT)

(c) The Department will provide operational simulation (role playing) training exercises on a regular scheduled basis.

(d) These training opportunities are intended for SRT to maintain a constant state of readiness for a call-out.

(e) It is the responsibility of the SRT Commander, or their designees, to document all training and maintain all records pertaining to SRT activities. A copy of this documentation shall also be forwarded to the Training Bureau.

315.9 SRT MANUAL

This department may create an instructional manual or handbook that establishes guidelines and procedures for SRT and department personnel to follow. This manual is not intended to replace this policy but rather to compliment the policy with additional detailed information and resources not covered by this policy.
Officer Response to Calls

316.1 PURPOSE AND SCOPE
This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

316.2 RESPONSE TO CALLS
Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

316.3 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

316.3.1 NUMBER OF UNITS ASSIGNED
Normally, only two units should respond to an emergency call Code-3 unless the Watch Commander or the field supervisor authorizes an additional unit(s).

316.4 INITIATING CODE 3 RESPONSE
If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center. Should another officer believe a Code-3 response is appropriate, the Communications Center shall be notified and the Watch Commander or field supervisor will make a determination as to whether officers driving Code-3 is appropriate.
316.5 RESPONSIBILITIES OF RESPONDING OFFICERS
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

316.6 COMMUNICATIONS RESPONSIBILITIES
A dispatcher shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Watch Commander or a field supervisor prior to assigning units Code-3.

The dispatcher shall:

(a) Attempt to assign the closest available unit to the location requiring assistance
(b) Immediately notify the Watch Commander
(c) Confirm the location from which the unit is responding
(d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
(e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
(f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

316.7 SUPERVISORY RESPONSIBILITIES
Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

(a) The proper response has been initiated
(b) No more than those units reasonably necessary under the circumstances are involved in the response
(c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment,
the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

316.8 FAILURE OF EMERGENCY EQUIPMENT
If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.
Canines

318.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of canines to augment police services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

318.2 POLICY
It is the policy of the Montebello Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

318.3 ASSIGNMENT
Canine teams should be assigned to assist and supplement the Uniform Services Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the Watch Commander.

318.4 CANINE COORDINATOR
The canine coordinator shall be appointed by and directly responsible to the Uniform Services Division or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

(a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
(b) Maintaining a liaison with the vendor kennel.
(c) Maintaining a liaison with command staff and functional supervisors.
(d) Maintaining a liaison with other agency canine coordinators.
(e) Maintaining accurate records to document canine activities.
(f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
(g) Scheduling all canine-related activities.
(h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.
318.5 REQUESTS FOR CANINE TEAMS
Uniform Services Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Uniform Services Division shall be reviewed by the Watch Commander.

318.5.1 OUTSIDE AGENCY REQUEST
All requests for canine assistance from outside agencies must be approved by the Watch Commander and are subject to the following:

(a) Canine teams shall not be used for any assignment that is not consistent with this policy.

(b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.

(c)

(d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.

(e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

318.5.2 PUBLIC DEMONSTRATIONS
All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

318.6 APPREHENSION GUIDELINES
A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

(a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.

(b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.

(c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.
**Canines**

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

### 318.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include, but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect’s known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler’s responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
Canines

318.6.2 WARNINGS AND ANNOUNCEMENTS
Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

318.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES
Handlers should document canine deployments in a canine use report. Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in the canine use report. The injured person shall be promptly treated by Emergency Medical Services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual’s injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current [department/office] evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

318.7 NON-APPREHENSION GUIDELINES
Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine’s suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:
Canines

(a) Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

(b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

(c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

(d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

318.7.1 ARTICLE DETECTION
A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

318.7.2 NARCOTICS DETECTION
A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

(a) The search of vehicles, buildings, bags and other articles.

(b) Assisting in the search for narcotics during a search warrant service.

(c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

318.7.3 BOMB/EXPLOSIVE DETECTION
Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

(a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.

(b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).

(c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.

(d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.
At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

318.8 HANDLER SELECTION
The minimum qualifications for the assignment of canine handler include:

(a) An officer who is currently off probation with a minimum of 3 years total experience as a sworn police officer (lateral experience is counted).

(b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).

(c) A garage that can be secured and accommodate a canine vehicle.

(d) Living within 30 minutes travel time from the Montebello City limits.

(e) Agreeing to be assigned to the position for a minimum of three years.

(f) Apprehension Dog handlers must be able to meet the same physical requirements as members of the Special Response Team (SRT).

318.9 HANDLER RESPONSIBILITIES
The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

(a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.

(b) The handler shall maintain all [department/office] equipment under his/her control in a clean and serviceable condition.

(c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.

(d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Montebello Police Department facility.

(e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.

(f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.

(g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler’s home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
Canines

(h) The canine should be permitted to socialize in the home with the handler’s family for short periods of time and under the direct supervision of the handler.

(i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.

(j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.

(k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

318.9.1 CANINE IN PUBLIC AREAS
The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

(a) A canine shall not be left unattended in any area to which the public may have access.

(b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

318.10 CANINE INJURY AND MEDICAL CARE
In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Watch Commander as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler’s personnel file.

318.11 TRAINING
Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA), the National Police Canine Association (NPCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines.

All canine training should be conducted while on-duty unless otherwise approved by the canine coordinator or Watch Commander.
Canines

318.11.1 CONTINUED TRAINING
Each canine team shall thereafter be recertified to a current POST, CNCA, or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

(a) Canine teams should receive training as defined in the current contract with the Montebello Police Department canine training provider.

(b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.

(c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is not reviewed and approved by the Department/Office.

318.11.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING
Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

318.11.3 TRAINING RECORDS
All canine training records shall be maintained in the canine handler's and the canine's training file.

318.11.4 TRAINING AIDS
Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements. Alternatively, the Montebello Police Department may work with outside trainers with the applicable licenses or permits.

318.11.5 CONTROLLED SUBSTANCE TRAINING AIDS
Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(f)).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Montebello Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this Department/Office for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.
Canines

318.11.6 CONTROLLED SUBSTANCE PROCEDURES
Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine’s accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

(a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.

(b) The weight and test results shall be recorded and maintained by this [department/office].

(c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.

(d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.

(e) All controlled substance training samples will be stored in locked, airtight, and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler’s assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.

(f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.

(g) Any unusable controlled substance training samples shall be returned to the Property and Evidence Section or to the dispensing agency.

(h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

318.11.7 EXPLOSIVE TRAINING AIDS
Officers may possess, transport, store, or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

(a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.

(b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.

(c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.

(d) Only members of the canine team shall have access to the explosive training aids storage facility.
(e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.

(f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).
Domestic Violence

320.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this [department/office] to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

320.1.1 DEFINITIONS
Definitions related to this policy include:

Court order - All forms of orders related to domestic violence that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

320.2 POLICY
The Montebello Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

320.3 OFFICER SAFETY
The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

320.4 INVESTIGATIONS
The following guidelines should be followed by officers when investigating domestic violence cases:

(a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.

(b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.

(c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
Domestic Violence

(d) When practicable and legally permitted, video or audio record all significant statements and observations.

(e) All injuries should be photographed, regardless of severity, taking care to preserve the victim’s personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Bureau in the event that the injuries later become visible.

(f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

(g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.

(h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).

(i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.

(j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:

1. Whether the suspect lives on the premises with the victim.
2. Claims by the suspect that the victim provoked or perpetuated the violence.
3. The potential financial or child custody consequences of arrest.
4. The physical or emotional state of either party.
5. Use of drugs or alcohol by either party.
6. Denial that the abuse occurred where evidence indicates otherwise.
7. A request by the victim not to arrest the suspect.
8. Location of the incident (public/private).
9. Speculation that the complainant may not follow through with the prosecution.
10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.
Domestic Violence

320.4.1 IF A SUSPECT IS ARRESTED
If a suspect is arrested, officers should:

(a) Advise the victim that there is no guarantee the suspect will remain in custody.
(b) Provide the victim’s contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
(c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

320.4.2 IF NO ARREST IS MADE
If no arrest is made, the officer should:

(a) Advise the parties of any options, including but not limited to:
   1. Voluntary separation of the parties.
   2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
(b) Document the resolution in a report.

320.5 VICTIM ASSISTANCE
Victims may be traumatized or confused. Officers should:

(a) Recognize that a victim’s behavior and actions may be affected.
(b) Provide the victim with the [department/office]'s domestic violence information handout, even if the incident may not rise to the level of a crime.
(c) Alert the victim to any available victim advocates, shelters and community resources.
(d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
(e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
(f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
(g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
(h) Seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

320.6 DISPATCH ASSISTANCE
All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.
Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

320.7 FOREIGN COURT ORDERS
Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

320.8 VERIFICATION OF COURT ORDERS
Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

(a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
   1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).

(b) Check available records or databases that may show the status or conditions of the order.
   1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).

(c) Contact the issuing court to verify the validity of the order.

(d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.
320.9 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

320.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

(a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.

1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).

(b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person’s arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person’s arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person’s arrests (Penal Code § 836(b)).

(c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):

1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender’s child)
3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
4. Penal Code § 646.9 (stalking)
5. Other serious or violent felonies specified in Penal Code § 1270.1

(d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:

1. The intent of the law to protect victims of domestic violence from continuing abuse.
2. The threats creating fear of physical injury.
3. The history of domestic violence between the persons involved.
4. Whether either person acted in self-defense.
Domestic Violence

(e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer’s presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

320.9.2 COURT ORDERS

(a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located and shall provide the person protected or the person’s parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).

(b) At the request of the petitioner, an officer at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).

(c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)).

(d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

(e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the officer shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The officer shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide the person with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

320.9.3 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

320.9.4 REPORTS AND RECORDS

(a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.

(b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
Domestic Violence

(c) Officers who seize any firearm, ammunition, or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)).

320.9.5 RECORD-KEEPING AND DATA COLLECTION
This [department/office] shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the [Department/Office], including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Supervisor to maintain and report this information as required.

320.9.6 DECLARATION IN SUPPORT OF BAIL INCREASE
Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee’s appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).
Search and Seizure

322.1 PURPOSE AND SCOPE
Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Montebello Police Department personnel to consider when dealing with search and seizure issues.

322.2 POLICY
It is the policy of the Montebello Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

322.3 SEARCHES
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.
Search and Seizure

322.4 SEARCH PROTOCOL
Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

(a) Members of this department will strive to conduct searches with dignity and courtesy.

(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.

(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.

(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.

(e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:

   1. Another officer or a supervisor should witness the search.
   2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

322.5 DOCUMENTATION
Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.
Temporary Custody of Juveniles

324.1 PURPOSE AND SCOPE
This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Montebello Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

324.1.1 DEFINITIONS
Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

**Juvenile offender** - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

**Safety checks** - Direct, visual observation personally by a member of this [department/office] performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

(a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.

(b) A juvenile handcuffed to a rail.

(c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
Temporary Custody of Juveniles

(d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
(e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
(f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
(g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

324.2 POLICY
The Montebello Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Montebello Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

324.3 JUVENILES WHO SHOULD NOT BE HELD
Juveniles who exhibit any of the following conditions should not be held at the Montebello Police Department:

(a) Unconscious
(b) Seriously injured
(c) A known suicide risk or obviously severely emotionally disturbed
(d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
(e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Montebello Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).
Temporary Custody of Juveniles

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY
When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. [Department/Office] members should administer first aid as applicable (15 CCR 1142).

324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY
[Department/Office] members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

324.3.3 COMPLETION OF JUVENILE PETITION REQUESTS
Juvenile Petition Requests are to be completed on any juvenile contacted by this Department who falls under the provisions of Welfare & Institutions Code §§ 300, 601 and 602.

324.4 CUSTODY OF JUVENILES
Officers should take custody of a juvenile and temporarily hold the juvenile at the Montebello Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Montebello Police Department without authorization of the arresting officer's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile’s parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Montebello Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1).

324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS
Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Montebello Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).
Temporary Custody of Juveniles

324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS
Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

324.4.3 CUSTODY OF JUVENILE OFFENDERS
Juvenile offenders should be held in non-secure custody while at the Montebello Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

(a) Released upon warning or citation.
(b) Released to a parent or other responsible adult after processing at the [Department/Office].
(c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
(d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile’s freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child’s ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).
Temporary Custody of Juveniles

324.5 ADVISEMENTS
Officers shall take immediate steps to notify the juvenile’s parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the Miranda rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

324.6 JUVENILE CUSTODY LOGS
Any time a juvenile is held in custody at the [Department/Office], the custody shall be promptly and properly documented in the juvenile custody log, including:

(a) Identifying information about the juvenile.
(b) Date and time of arrival and release from the Montebello Police Department (15 CCR 1150).
(c) Watch Commander notification and approval to temporarily hold the juvenile.
(d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.
(e) Any changes in status (e.g., emergency situations, unusual incidents).
(f) Time of all safety checks.
(g) Any medical and other screening requested and completed (15 CCR 1142).
(h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1; 15 CCR 1145).
(i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Watch Commander shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.
Temporary Custody of Juveniles

324.7 NO-CONTACT REQUIREMENTS
Sight and sound separation shall be maintained between all juveniles and adults while in custody at the [Department/Office] (34 USC § 11133; Welfare and Institutions Code § 207.1; Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Montebello Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

324.7.1 TRUANCY
When a juvenile 12-17 years of age is contacted between 9:00 a.m. and 1:00 p.m. on a school day away from the juvenile's assigned school, the juvenile may be interviewed to determine whether the juvenile is a truant. If the student provides a valid explanation for the absence from school, the juvenile shall be released. If the student admits truancy, is otherwise identified as a truant, or fails to provide valid explanation of the juvenile's status, an interview card will be filled out. These Interview Cards will be used for counseling follow-up with the parent and juvenile. As a result of the information gathered, the officer may take one of the following actions:

(a) The juvenile may be released to continue to his destination.
(b) The juvenile may be transported to the Counseling Attendance Center (CAC). The Center is staffed with a counselor and counselor aide who will receive the juvenile and contact the parents.
(c) If there is a possibility of criminal involvement, police officers shall make a determination regarding further investigation and/or arrest.

324.8 TEMPORARY CUSTODY REQUIREMENTS
Members and supervisors assigned to monitor or process any juvenile at the Montebello Police Department shall ensure the following:

(a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Montebello Police Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Montebello Police Department more than six hours.
(b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
(c) Personal safety checks and significant incidents/activities shall be noted on the log.
(d) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.
Temporary Custody of Juveniles

1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.
2. This does not apply to surreptitious and legally obtained recorded interrogations.

(e) Juveniles shall have reasonable access to toilets and wash basins (15 CCR 1143).
(f) Food shall be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile (15 CCR 1143).

(g) Juveniles shall have reasonable access to a drinking fountain or water (15 CCR 1143).
(h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.

(i) Juveniles shall have privacy during family, guardian, and/or lawyer visits (15 CCR 1143).

(j) Juveniles shall be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody (15 CCR 1143).

(k) Blankets shall be provided as reasonably necessary (15 CCR 1143).

1. The supervisor should ensure that there is an adequate supply of clean blankets.

(l) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.

(m) Juveniles shall have adequate furnishings, including suitable chairs or benches.

(n) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody.

(o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse (15 CCR 1142).

324.9 USE OF RESTRAINT DEVICES
Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Montebello Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).
Temporary Custody of Juveniles

324.10 PERSONAL PROPERTY
The officer taking custody of a juvenile offender or status offender at the Montebello Police Department shall ensure a thorough search of the juvenile’s property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile’s presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Montebello Police Department.

324.11 SECURE CUSTODY
Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Watch Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to him/herself or others include the following (15 CCR 1145):

(a) Age, maturity, and delinquent history
(b) Severity of offense for which the juvenile was taken into custody
(c) The juvenile offender’s behavior
(d) Availability of staff to provide adequate supervision or protection of the juvenile offender
(e) Age, type, and number of other individuals in custody at the facility

Members of this [department/office] shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile’s safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).
324.11.1 LOCKED ENCLOSURES
A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

(a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.
(b) Juveniles shall have constant auditory access to [department/office] members (15 CCR 1147).
(c) Initial placement into and removal from a locked enclosure shall be logged (Welfare and Institutions Code § 207.1).
(d) Unscheduled safety checks to provide for the health and welfare of the juvenile by a staff member, no less than once every 15 minutes, shall occur (15 CCR 1147; 15 CCR 1151).
   1. All safety checks shall be logged.
   2. The safety check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
   3. Requests or concerns of the juvenile should be logged.
(e) Males and females shall not be placed in the same locked room (15 CCR 1147).
(f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
(g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

324.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE
The Watch Commander will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Montebello Police Department (15 CCR 1142; 15 CCR 1047). The procedures will address:

(a) Immediate notification of the on-duty supervisor, Chief of Police, and Investigative Services Division Supervisor.
(b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
(c) Notification of the appropriate prosecutor.
(d) Notification of the City attorney.
(e) Notification to the coroner.
(f) Notification of the juvenile court.
(g) In the case of a death, providing a report to the Attorney General under Government Code § 12525 within 10 calendar days of the death, and forwarding the same report to the Board of State and Community Corrections within the same time frame (15 CCR 1046).
Temporary Custody of Juveniles

(h) A medical and operational review of deaths and suicide attempts pursuant to 15 CCR 1046.

(i) Evidence preservation.

324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS
No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of Miranda rights, an officer shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile. The requirement to consult with legal counsel does not apply when (Welfare and Institutions Code § 625.6):

(a) Information is necessary to protect life or property from an imminent threat.
(b) The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

324.14 FORMAL BOOKING
No juvenile offender shall be formally booked without the authorization of the arresting officer's supervisor, or in his/her absence, the Watch Commander.

Any juvenile 14 years of age or older who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted or photographed upon the approval from the Watch Commander or Investigation Bureau supervisor, giving due consideration to the following:

(a) The gravity of the offense
(b) The past record of the offender
(c) The age of the offender

324.15 RELEASE OF INFORMATION CONCERNING JUVENILES
Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this [department/office] shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Montebello Police Department Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.
**Temporary Custody of Juveniles**

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor and the appropriate Investigation Bureau supervisors to ensure that personnel of those bureaus act within legal guidelines.

### 324.16 BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION

The Uniform Services Division Commander shall coordinate the procedures related to the custody of juveniles held at the Montebello Police Department and ensure any required certification is maintained (Welfare and Institution Code § 210.2).

### 324.17 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).
Senior and Disability Victimization

326.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Montebello Police Department members as required by law (Penal Code § 368.6).

The Montebello Police Department is committed to providing equal protection and demonstrating respect for all persons regardless of age or disabilities, and to conscientiously enforcing all criminal laws protecting elders, and adults and children with disabilities, regardless of whether these crimes also carry civil penalties (Penal Code § 368.6) (see Child Abuse Policy for child abuse investigations and reporting).

326.1.1 DEFINITIONS
Definitions related to this policy include:

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. Neglect includes self-neglect (Welfare and Institutions Code § 15610.05 et seq.; Penal Code § 368.5).

[Department/Office] protocols (or protocols) - A procedure adopted by a local law enforcement agency consistent with the agency’s organizational structure and stated in a policy adopted pursuant to this section, to effectively and accountably carry out a particular agency responsibility.

Dependent adult - An individual, regardless of whether the individual lives independently, between 18 and 64 years of age who has physical or mental limitations that restrict his/her ability to carry out normal activities or to protect his/her rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Penal Code § 368; Welfare and Institutions Code § 15610.23).

Elder and dependent adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult’s care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

Senior and disability victimization - Means any of the following (Penal Code § 368.6):

(a) Elder and dependent adult abuse
(b) Unlawful interference with a mandated report
(c) Homicide of an elder, dependent adult, or other adult or child with a disability
Senior and Disability Victimization

(d) Sex crimes against elders, dependent adults, or other adults and children with disabilities
(e) Child abuse of children with disabilities
(f) Violation of relevant protective orders
(g) Hate crimes against persons with actual or perceived disabilities, including but not limited to disabilities caused by advanced age, or those associated with them
(h) Domestic violence against elders, dependent adults, and adults and children with disabilities, including disabilities caused by advanced age

326.2 POLICY
The Montebello Police Department will investigate all reported incidents of alleged elder and dependent adult abuse and ensure proper reporting and notification as required by law.

326.2.1 ARREST POLICY
It is the [department/office] policy to make arrests or to seek arrest warrants for elder and dependent adult abuse in accordance with Penal Code § 836 and, in the case of domestic violence, as allowed by Penal Code § 13701 (Penal Code § 368.6) (see Law Enforcement Authority and Domestic Violence policies for additional guidance).

326.2.2 ADHERENCE TO POLICY
All officers are required to be familiar with the policy and carry out the policy at all times, except in the case of an unusual compelling circumstance as determined and approved by a supervisor (Penal Code § 368.6).

Any supervisor who determines and approves an officer’s deviation from this policy shall provide a written report to the Chief of Police that states the unusual compelling circumstances regarding the deviation. A copy of this report will be made available to the alleged victim and reporting party pursuant to [department/office] protocols (Penal Code § 368.6(c)(27)).

The Chief of Police shall retain the report for a minimum of five years and shall make it available to the state protection and advocacy agency upon request (Penal Code § 368.6(c)(27)).

326.3 INVESTIGATIONS AND REPORTING
All reported or suspected cases of elder and dependent adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated (Penal Code § 368.6).

Investigations and reports related to suspected cases of elder and dependent adult abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected elder and dependent adult abuse victim is contacted.

(b) Any relevant statements the victim may have made and to whom he/she made the statements.
(c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

(d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.

(e) Whether the victim was transported for medical treatment or a medical examination.

(f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.

(g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.

(h) Previous addresses of the victim and suspect.

(i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

(j) Witness and suspect statements if available.

(k) Review of all portable audio/video recorders, devices, and other available video.

(l) Call history related to the elder or dependent adult including calls from mandated reporters or other individuals.

(m) Whether the abuse is related to a disability-bias hate crime and related bias motivations (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).

(n) Results of investigations shall be provided to those agencies (Adult Protective Services (APS), long-term ombudsman) that referred or reported the elder or dependent adult abuse (Welfare and Institutions Code § 15640(f)).

(o) Whether a death involved the End of Life Option Act:
   1. Whether or not assistance was provided to the person beyond that allowed by law (Health and Safety Code § 443.14).
   2. Whether an individual knowingly altered or forged a request for an aid-in-dying drug to end a person’s life without his/her authorization, or concealed or destroyed a withdrawal or rescission of a request for an aid-in-dying drug (Health and Safety Code § 443.17).
   3. Whether coercion or undue influence was exerted on the person to request or ingest an aid-in-dying drug or to destroy a withdrawal or rescission of a request for such medication (Health and Safety Code § 443.17).
   4. Whether an aid-in-dying drug was administered to a person without his/her knowledge or consent (Health and Safety Code § 443.17).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential elder or dependent adult abuse and investigated similarly.

An unexplained or suspicious death of an elder, dependent adult, or other adult or child with a disability should be treated as a potential homicide until a complete investigation including an
Senior and Disability Victimization

Autopsy is completed, and it should not be assumed that the death of an elder or person with a disability is natural simply because of the age or disability of the deceased (Penal Code § 368.6(c)(18)).

326.3.1 ADDITIONAL INVESTIGATIVE CONSIDERATIONS
The following factors as provided in Penal Code § 368.6 should be considered when investigating incidents of elder and dependent adult abuse:

(a) Elder and dependent adult abuse, sex crimes, child abuse, domestic violence, and any other criminal act, when committed in whole or in part because of the victim's actual or perceived disability, including disability caused by advanced age, is also a hate crime (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).

(b) Senior and disability victimization crimes are also domestic violence subject to the mandatory arrest requirements of Penal Code § 836 if they meet the elements described in Penal Code § 273.5, including but not limited to a violation by a caretaker or other person who is or was a cohabitant of the victim, regardless of whether the cohabitant is or was a relative of, or in an intimate personal relationship with, the victim (Penal Code § 368.6(c)(10)).

(c) Many victims of sexual assault and other sex crimes delay disclosing the crimes for reasons including but not limited to shame, embarrassment, self-doubt, fear of being disbelieved, and fear of retaliation by the perpetrator or others (Penal Code § 368.6(c)(11)).

(d) Victims and witnesses with disabilities, including cognitive and communication disabilities, can be highly credible witnesses when interviewed appropriately by trained officers or other trained persons (Penal Code § 368.6(c)(14)).

326.4 QUALIFIED INVESTIGATORS
Qualified investigators should be available to investigate cases of elder and dependent adult abuse. These investigators should:

(a) Conduct interviews in appropriate interview facilities.

(b) Be familiar with forensic interview techniques specific to elder and dependent adult abuse investigations.

(c) Present all cases of alleged elder and dependent adult abuse to the prosecutor for review.

(d) Coordinate with other enforcement agencies, social service agencies, and facility administrators as needed (Welfare and Institutions Code § 15650).

(e) Provide referrals to therapy services, victim advocates, guardians, and support for the victim and family as appropriate (see the Victim and Witness Assistance Policy for additional guidance).

1. Ensure victims of sex crimes know their right to have a support person of their choice present at all times during an interview or contact (Penal Code § 368.6) (see the Sexual Assault Investigations Policy for additional guidance).
2. Referrals to the crime victim liaison as appropriate for victims requiring further assistance or information regarding benefits from crime victim resources.

(f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).

(g) Make reasonable efforts to determine whether any person committed unlawful interference in a mandated report.

326.5 MANDATORY NOTIFICATION

Members of the Montebello Police Department shall notify the local office of the California Department of Social Services (CDSS) APS agency when they reasonably suspect, have observed, or have knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the person has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone as soon as practicable and a written report shall be provided within two working days as provided in Welfare and Institutions Code § 15630(b)(c).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

(a) If the abuse is physical abuse and occurred in a long-term care facility (not a state mental health hospital or a state developmental center), notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):

1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.

2. If there is physical abuse and no serious bodily injury, notification shall be made by telephone and, within 24 hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.

3. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by telephone and a written report to the local ombudsman within 24 hours.

4. When a report of abuse is received by the [Department/Office], the local ombudsman shall be called to coordinate efforts to provide the most immediate and appropriate response (Welfare and Institutions Code § 15630(b)).

(b) If the abuse is in a long-term care facility (not a state mental health or a state developmental center) and is other than physical abuse, a telephone report and a written report shall be made to the local ombudsman as soon as practicable (Welfare and Institutions Code § 15630(b)).

(c) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.

(d) The CDSS shall be notified of all known or suspected abuse occurring in a residential care facility for the elderly or in an adult day program.
(e) If the abuse occurred in an adult day health care center, DPH and the California Department of Aging shall be notified.

(f) The Division of Medi-Cal Fraud and Elder Abuse shall be notified of all abuse that constitutes criminal activity in a long-term care facility.

(g) The District Attorney’s office shall be notified of all cases of physical abuse and financial abuse in a long-term care facility.

(h) If the abuse occurred at a state mental hospital or a state developmental center, notification shall be made to the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).

1. When a report of abuse is received by the [Department/Office], investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).

(i) If during an investigation it is determined that the elder or dependent adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code § 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code 15640(b)).

(j) When the [Department/Office] receives a report of abuse, neglect, or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Investigation Bureau supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney’s Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

Failure to report, or impeding or inhibiting a report of abuse of an elder or dependent adult, is a misdemeanor (Welfare and Institutions Code §15630(h)).

326.5.1 NOTIFICATION PROCEDURE
Notification should include the following information, if known (Welfare and Institutions Code § 15630(e)):

(a) The name of the person making the report.

(b) The name and age of the elder or dependent adult.

(c) The present location of the elder or dependent adult.
Senior and Disability Victimization

(d) The names and addresses of family members or any other adult responsible for the care of the elder or dependent adult.

(e) The nature and extent of the condition of the elder or dependent adult.

(f) The date of incident.

(g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

326.6 PROTECTIVE CUSTODY

Before taking an elder or dependent adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an elder or dependent adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim.

Prior to taking an elder or dependent adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an elder or dependent adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When elder or dependent adult abuse victims are under state control, have a state-appointed guardian, or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

326.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

326.6.2 VERIFICATION OF PROTECTIVE ORDER

Whenever an officer verifies that a relevant protective order has been issued, the officer shall make reasonable efforts to determine if the order prohibits the person from possession of firearms or requires the relinquishment of firearms, and if the order does so, the officer shall make reasonable efforts to (Penal Code § 368.6(c)(19)):
Senior and Disability Victimization

(a) Inquire whether the restrained person possesses firearms. The officer should make this effort by asking the restrained person and the protected person.
(b) Query the California Law Enforcement Telecommunications System to determine if any firearms are registered to the restrained person.
(c) Receive or seize prohibited firearms located in plain view or pursuant to a consensual or other lawful search in compliance with Penal Code § 18250 et seq. and in accordance with [department/office] procedures.

326.7 INTERVIEWS
326.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected elder or dependent adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

326.7.2 DETAINING VICTIMS FOR INTERVIEWS
An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the adult need to be addressed immediately.
   2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
(b) A court order or warrant has been issued.

326.7.3 INTERVIEWS WITH A PERSON WITH DEAFNESS OR HEARING LOSS
An officer who is interviewing a victim or witness who reports or demonstrates deafness or hearing loss should secure the services of a qualified interpreter (as defined by Evidence Code § 754) prior to the start of the interview (Penal Code § 368.6) (see the Communications with Persons with Disabilities Policy for additional guidance).

326.8 MEDICAL EXAMINATIONS
When an elder or dependent adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency, or entity having legal custody of the adult. The officer should also arrange for the adult’s transportation to the appropriate medical facility.
Senior and Disability Victimization

In cases where the alleged offender is a family member, guardian, agency, or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

326.9 DRUG-ENDANGERED VICTIMS
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an elder or dependent adult abuse victim who has been exposed to the manufacturing, trafficking, or use of narcotics.

326.9.1 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where there is evidence that an elder or dependent adult abuse victim lives should:

(a) Document the environmental, medical, social, and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Investigation Bureau supervisor so an interagency response can begin.

326.9.2 SUPERVISOR RESPONSIBILITIES
The Investigation Bureau supervisor should:

(a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers, and local prosecutors, to develop community specific procedures for responding to situations where there are elder or dependent adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Investigation Bureau supervisor that he/she has responded to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where evidence indicates that an elder or dependent adult abuse victim lives.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social, and other conditions that may affect the adult.

326.10 TRAINING
The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.
(b) Conducting interviews.
(c) Availability of therapy services for adults and families.
(d) Availability of specialized forensic medical exams.
Senior and Disability Victimization

(e) Cultural competence (including interpretive services) related to adult abuse investigations.
(f) Availability of victim advocates or other support.

326.11 RECORDS BUREAU RESPONSIBILITIES
The Records Bureau is responsible for:

(a) Providing a copy of the elder or dependent adult abuse report to the APS, ombudsman, or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).

(b) Retaining the original elder or dependent adult abuse report with the initial case file.

326.12 JURISDICTION
The Montebello Police Department has concurrent jurisdiction with state law enforcement agencies when investigating elder and dependent adult abuse and all other crimes against elder victims and victims with disabilities (Penal Code § 368.5).

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request, if consistent with federal law, in such cases. However, this [department/office] will retain responsibility for the criminal investigations (Penal Code § 368.5).

Additional jurisdiction responsibilities for investigations of abuse involving various facilities and agencies may be found in Welfare and Institutions Code § 15650.

Discriminatory Harassment

328.1 PURPOSE AND SCOPE
The purpose of this policy is to prevent [department/office] members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

328.2 POLICY
The Montebello Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The [Department/Office] will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The [Department/Office] will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the [Department/Office] may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

328.3 DEFINITIONS
Definitions related to this policy include:

328.3.1 DISCRIMINATION
The [Department/Office] prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual’s protected class. It has the effect of interfering with an individual’s work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or [department/office] equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to [department/office] policy and to a work environment that is free of discrimination.
328.3.2 SEXUAL HARASSMENT
The [Department/Office] prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.

(b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.

(c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

328.3.3 ADDITIONAL CONSIDERATIONS
Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

(a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Fair Employment and Housing Council guidelines.

(b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or [department/office] rules or regulations, or any other appropriate work-related communication between supervisor and member.

328.3.4 RETALIATION
Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

328.4 RESPONSIBILITIES
This policy applies to all [department/office] personnel. All members shall follow the intent of these guidelines in a manner that reflects [department/office] policy, professional standards, and the best interest of the [Department/Office] and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Personnel/Risk Management, or the City Administrator.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or
retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

328.4.1 SUPERVISOR RESPONSIBILITY
The responsibilities of supervisors and managers shall include but are not limited to:

(a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.

(b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.

(c) Ensuring that their subordinates understand their responsibilities under this policy.

(d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.

(e) Making a timely determination regarding the substance of any allegation based upon all available facts.

(f) Notifying the Chief of Police or the Director of Personnel/Risk Management in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

328.4.2 SUPERVISOR'S ROLE
Supervisors and managers shall be aware of the following:

(a) Behavior of supervisors and managers should represent the values of the [Department/Office] and professional standards.

(b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

328.4.3 QUESTIONS OR CLARIFICATION
Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Personnel/Risk Management, the City Administrator, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).
328.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the [Department/Office] that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

328.5.1 SUPERVISOR RESOLUTION
Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

328.5.2 FORMAL INVESTIGATION
If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Personnel/Risk Management, or the City Administrator.

328.5.3 ALTERNATIVE COMPLAINT PROCESS
No provision of this policy shall be construed to prevent any member from seeking legal redress outside the [Department/Office]. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

(d) A JUVENILE PETITION REQUEST shall be filled out on all minors detained. Department of Children Services should be notified for placement.

330.6.3 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

330.6.4 RELEASE OF MINOR(S)

When a parent or guardian is arrested in a child abuse investigation, i.e., 273(a) PC, Child Endangering, mother arrested for under the influence of PCP with children present, the Department of Children's Services shall be notified. DCS will then make the decision as to who the children will be released to, such as a relative. This releases the Montebello Police Department of any liability if the child is injured by the new guardian.

330.7 INTERVIEWS

330.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.
Child Abuse

330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW
An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the child need to be addressed immediately.
   2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.

(b) A court order or warrant has been issued.

330.7.3 INTERVIEWS AT A SCHOOL
Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

330.8 MEDICAL EXAMINATIONS
If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child’s transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

330.9 DRUG-ENDANGERED CHILDREN
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

330.9.1 SUPERVISOR RESPONSIBILITIES
The Investigation Bureau supervisor should:

(a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop
community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Investigation Bureau supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

330.9.2 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

(a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Investigation Bureau supervisor so an interagency response can begin.

330.10 STATE MANDATES AND OTHER RELEVANT LAWS
California requires or permits the following:

330.10.1 RELEASE OF REPORTS
Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code 841.5; Penal Code § 11167.5).

330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)
Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California’s CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

330.10.3 CACI HEARING OFFICER
The Investigation Bureau supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person’s name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.
330.10.4  CACI HEARING PROCEDURES
The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

(a) Case reports including any supplemental reports
(b) Statements by investigators
(c) Statements from representatives of the District Attorney’s Office
(d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party’s name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person’s name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

330.10.5  CHILD DEATH REVIEW TEAM
This [department/office] should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

332.2 POLICY
The Montebello Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Montebello Police Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

332.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS
The Investigative Services supervisor should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) Missing Persons Investigations guidelines, including:

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14211).

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

(d) Broadcast a "Be on the Look-Out" (BOLO) bulletin if the person is under 21 years of age or there is evidence that the missing person is at risk. The BOLO should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 21 years of age or may be at risk (Penal Code § 14211).

(e) Ensure that entries are made into the appropriate missing person networks as follows:

(i) Contact the appropriate agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.

332.6 REPORT PROCEDURES AND ROUTING
Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

Hate Crimes

338.1 TRAINING
All members of this department will receive POST approved training on hate crime recognition and investigation as provided by Penal Code § 13519.6.

338.2 PURPOSE AND SCOPE
This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement’s role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Montebello Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6).

338.2.1 DEFINITION AND LAWS
In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seekimg, desire for social dominance, desire for social bonding with those of one’s “own kind,” or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore “deserving victims,” a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations
Hate Crimes

where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

**Gender** - Gender means sex and includes a person’s gender identity and gender expression.

**Gender expression** - Gender expression means a person’s gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

**Gender identity** - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

**Hate crime** - “Hate crime” includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

(a) Disability
(b) Gender
(c) Nationality
(d) Race or ethnicity
(e) Religion
(f) Sexual orientation
(g) Association with a person or group with one or more of these actual or perceived characteristics:

1. “Association with a person or group with one or more of these actual or perceived characteristics” includes advocacy for, identification with, or being on the premises owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of the characteristics listed in the definition of “hate crime” under paragraphs 1 to 6, inclusive, of Penal Code § 422.55(a).

Note: A “hate crime” need not be motivated by hate but may be motivated by any bias against a protected characteristic.

**Hate incident** - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:
Hate Crimes

- Name-calling
- Insults and epithets
- Distributing hate material in public places
- Displaying hate material on your own property

Hate speech - The First Amendment to the U.S. Constitution protects most speech, even when it is disagreeable, offensive, or hurtful. The following types of speech are generally not protected:
- Fighting words
- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

In whole or in part - “In whole or in part because of” means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

Nationality - Nationality means country of origin, immigration status, including citizenship, and national origin.

Race or ethnicity - Race or ethnicity includes ancestry, color, and ethnic background.

Religion - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

Sexual orientation - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

Victim - Victim includes but is not limited to:
- Community center
- Educational facility
- Entity
- Family
- Group
- Individual
- Office
Hate Crimes

- Meeting hall
- Person
- Place of worship
- Private institution
- Public agency
- Library
- Other victim or intended victim of the offense

338.3 POLICY
It is the policy of this [department/office] to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This [department/office] will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this [department/office] should take all reasonable steps to attend to the security and related concerns of the immediate victims and their families as feasible.

All officers are required to be familiar with the policy and use reasonable diligence to carry out the policy unless directed by the Chief of Police or other command-level officer to whom the Chief of Police formally delegates this responsibility.

338.4 PLANNING AND PREVENTION
In order to facilitate the guidelines contained within this policy, [department/office] members will continuously work to build and strengthen relationships with the community, engage in dialogue, and provide education to the community about this policy. [Department/Office] personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Hate incidents should be investigated and documented as part of an overall strategy to prevent hate crimes.

338.4.1 HATE CRIMES COORDINATOR
A [department/office] member appointed by the Chief of Police or the authorized designee will serve as the Hate Crimes Coordinator. The responsibilities of the Hate Crimes Coordinator should include but not be limited to (Penal Code § 422.87):

338.4.2 RELEASE OF INFORMATION
Establishing a relationship with stakeholders, before any incident occurs, to develop a network and protocol for disclosure often assists greatly in any disclosure.

The benefit of public disclosure of hate crime incidents includes:

(a) Dissemination of correct information.
(b) Assurance to affected communities or groups that the matter is being properly and promptly investigated.
(c) The ability to request information regarding the commission of the crimes from the victimized community.

When appropriate, the [department/office] spokesperson should reiterate that hate crimes will not be tolerated, will be investigated seriously, and will be prosecuted to the fullest extent of the law.

The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this [department/office] or a member’s supervisors.

340.2 POLICY

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

340.3.1 UNLAWFUL OR CONFLICTING ORDERS
Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with any previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.
Standards of Conduct

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

Subpoenas and Court Appearances

348.1 PURPOSE AND SCOPE
This policy establishes the guidelines for department members who must appear in court. It will allow the Montebello Police Department to cover any related work absences and keep the Department informed about relevant legal matters.

348.1.1 MANDATORY APPEARANCE (BE IN COURT) SUBPOENAS
In the case of a mandatory appearance (Be In Court) subpoena, the employee shall appear at the designated place and time, properly dressed and be fully prepared to effectively provide testimony and present evidence. If a conflict arises after the receipt of a subpoena, i.e., two subpoenas for the same date or two different courts for the same date, vacation, etc., it shall be the employee's responsibility to notify the Court Liaison Officer as soon as possible.

Employees shall end their court appearance as soon as:

(a) They are advised by the case prosecutor or court that they are no longer needed.
(b) The case is completed.
(c) There is a disposition - whichever occurs first.

348.1.2 ON-CALL SUBPOENAS
An employee receiving an "On-Call" Subpoena shall follow instructions indicated on the subpoena (i.e. contact handling District Attorney before court date). In addition, employees shall provide, to the District Attorney a valid telephone number where he/she can be contacted if required for court. If the "On-Call" employee does not receive notification from the Court Liaison Officer or District Attorney changing his/her status, the employee is to assume that he/she is still "On-Call" until 1700 hours. The Court Liaison Officer is to be diligent in attempts to notify the "On-Call" employee of any cancellations.

348.2 POLICY
Montebello Police Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

348.2.1 PRIORITY OF SUBPOENAS
If an employee receives more than one subpoena for a given court date, the employee will respond to the appropriate court in the following order:

(a) Federal Court
(b) Juvenile Court
(c) Superior Court
(d) Superior Court civil cases
(e) Hearings (depositions, probation, Department of Motor Vehicles, etc.)
Subpoenas and Court Appearances

If an employee discovers that he/she has been scheduled for two different court appearances at the same time, he/she shall promptly notify the Court Liaison Officer and the other appropriate Court or Department (DMV, probation, etc.) of the conflict.

However, if the employee responds to a subpoena during the court's morning session (0830 hours - 1200 hours) and responds to a different subpoena during the afternoon session (1300 hours - closing), then two overtime claims will be approved, providing there is no overlap.

348.2.2 MILITARY AND MATERNITY LEAVE
Employees shall notify their supervisor of an impending maternity or military leave as soon as possible, indicating the start and anticipated return dates of said leave. An employee shall forward to his/her Watch Commander/Supervisor a copy of the doctor's report or military orders, so that this information may be provided, when necessary, to the appropriate court. In addition, a copy shall be forwarded to the Court Liaison Officer.

348.2.3 INJURED ON DUTY (IOD)
An employee on IOD status shall notify, or cause to be notified, the Court Liaison Officer and his/her Watch Commander/supervisor immediately. The notification is to indicate the type and extent of the injury and an anticipated return date, along with the attending physician's telephone number. The IOD employee will be required to attend all court appearances if he/she is physically capable of attending. The Department physician shall be the deciding factor on the employee's ability to attend court.

• Note: IOD employees are automatically reverted to day watch status for court attendance purposes or until their IOD status has been lifted.

348.2.4 SICK FOR COURT
An employee shall call the Watch Commander or his/her immediate supervisor as well as the appropriate Court or Department (DMV, probation, etc.) promptly when he/she is sick and unable to attend court. The employee shall also notify the appropriate Court or Department of his/her inability. Notification shall be made prior to the required appearance time or when reasonably able to.

348.2.5 PRE-APPROVED LEAVE: TRAINING SCHOOL AND VACATIONS
Employees, upon having vacation leave request approved, shall immediately furnish the "Request for Court Continuance" form of the vacation to the Court Liaison Officer. For training or schools, once an employee has been notified that he/she will be sent to a Department approved school or training session, he/she shall notify the Court Liaison Officer immediately of the dates or required attendances.

Training or vacation does not excuse an employee from appearing in court. An employee shall coordinate with the Court Liaison Officer to determine if he/she must appear in court while attending school or training.
Subpoenas and Court Appearances

If an employee is served with a subpoena for court appearance on a date which conflicts with a previously approved vacation, training, school, or other authorized leave, the responsibility for obtaining a formal excuse rests with the subpoenaed employee. To seek a formal excuse from a court appearance, the employee must first notify the Court Liaison Officer of the conflict.

If it is a misdemeanor or felony case, Court Liaison Officer, the handling Detective or Detective Bureau Supervisor shall coordinate with the District Attorney's Office to see if it is possible to substitute an alternate witness or select another court date.

Absent a formal excuse, priority will be given to the subpoena and the employee SHALL APPEAR AS ORDERED. Only under extraordinary circumstances will the Department intervene to resolve any conflicts of this type.

348.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer’s supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of $275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

(b) It is less than five working days prior to the date listed for an appearance and he/she is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

348.4 FAILURE TO APPEAR
Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

Reserve Officers

350.1 PURPOSE AND SCOPE
The Montebello Police Department Reserve Unit was established to supplement and assist regular sworn police officers in their duties. This unit provides professional, sworn volunteer reserve officers who can augment regular staffing levels.

350.2 SELECTION AND APPOINTMENT OF POLICE RESERVE OFFICERS
The Montebello Police Department shall endeavor to recruit and appoint to the Reserve Unit only those applicants who meet the high ethical, moral and professional standards set forth by this department.

350.2.1 PROCEDURE
All applicants shall be required to meet and pass the same pre-employment procedures as regular police officers before appointment.

Before appointment to the Police Reserve Unit, an applicant must have completed, or be in the process of completing, a POST approved basic academy or extended basic academy.

350.2.2 APPOINTMENT
Applicants who are selected for appointment to the Police Reserve Unit shall, on the recommendation of the Chief of Police, be sworn in by the Chief of Police and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

350.2.3 EMPLOYEES WORKING AS RESERVE OFFICERS
Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Personnel/Risk Management prior to an employee serving in a reserve or volunteer capacity (29 CFR 553.30).

350.3 DUTIES OF RESERVE OFFICERS
Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the Uniform Services Division. Reserve officers may be assigned to other areas within the Department as needed. Reserve officers are required to work a minimum of 16 hours per month.

350.3.1 POLICY COMPLIANCE
Police reserve officers shall be required to adhere to all departmental policies and procedures. A copy of the policies and procedures will be made available to each reserve officer upon appointment and he/she shall become thoroughly familiar with these policies.
Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time officer, it shall also apply to a sworn reserve officer unless by its nature it is inapplicable.

350.3.2 RESERVE OFFICER ASSIGNMENTS
All reserve officers will be assigned to duties by the Reserve Coordinator or his/her designee.

350.3.3 RESERVE COORDINATOR
The Chief of Police shall delegate the responsibility for administering the Reserve Officer Program to a Reserve Coordinator.

The Reserve Coordinator shall have the responsibility of, but not be limited to:

(a) Assignment of reserve personnel
(b) Conducting reserve meetings
(c) Establishing and maintaining a reserve call-out roster
(d) Maintaining and ensuring performance evaluations are completed
(e) Monitoring individual reserve officer performance
(f) Monitoring overall Reserve Program
(g) Maintaining liaison with other agency Reserve Coordinators

350.4 FIELD TRAINING
Penal Code § 832.6 requires Level II reserve officers, who have not been released from the immediate supervision requirement per the Completion of the Formal Training Process subsection, to work under the immediate supervision of a peace officer who possesses a Basic POST Certificate.

350.4.1 TRAINING OFFICERS
Officers of this department, who demonstrate a desire and ability to train reserve officers, may train the reserves during Phase II, subject to Watch Commander approval.

350.4.2 PRIMARY TRAINING OFFICER
Upon completion of the Academy, reserve officers will be assigned to a primary training officer. The primary training officer will be selected from members of the Field Training Officer (FTO) Committee. The reserve officer will be assigned to work with his/her primary training officer during the first 160 hours of training. This time shall be known as the Primary Training Phase.

350.4.3 FIELD TRAINING MANUAL
Each new reserve officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Montebello Police Department. The reserve officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.
Reserve Officers

350.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE
At the completion of the Primary Training Phase, (Phase I) the primary training officer will meet with the Reserve Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the Reserve Coordinator will determine the appropriate action to be taken.

350.4.5 SECONDARY TRAINING PHASE
The Secondary Training Phase (Phase II) shall consist of 100 hours of additional on-duty training. The reserve officer will no longer be required to work with his/her primary training officer. The reserve officer may now work with any officer designated by the Watch Commander.

During Phase II of training, as with Phase I, the reserve officer’s performance will be closely monitored. In addition, rapid progress should continue towards the completion of the Officer’s Field Training Manual. At the completion of Phase II of training, the reserve officer will return to his/her primary training officer for Phase III of the training.

350.4.6 THIRD TRAINING PHASE
Phase III of training shall consist of 24 hours of additional on-duty training. For this training phase, the reserve officer will return to his/her original primary training officer. During this phase, the training officer will evaluate the reserve officer for suitability to graduate from the formal training program.

At the completion of Phase III training, the primary training officer will meet with the Reserve Coordinator. Based upon the reserve officer's evaluations, plus input from the primary training officer, the Reserve Coordinator shall decide if the reserve officer has satisfactorily completed his/her formal training. If the reserve officer has progressed satisfactorily, he/she will then graduate from the formal training process. If his/her progress is not satisfactory, the Reserve Coordinator will decide upon the appropriate action to be taken.

350.4.7 COMPLETION OF THE FORMAL TRAINING PROCESS
When a reserve officer has satisfactorily completed all three phases of formal training, he/she will have had a minimum of 284 hours of on-duty training. He/she will no longer be required to work with a training officer. The reserve officer may now be assigned to work with any regular officer for the remaining 200-hour requirement for a total of 484 hours before being considered for relief of immediate supervision.

350.5 SUPERVISION OF RESERVE OFFICERS
Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.
Reserve Officers

350.5.1 SPECIAL AUTHORIZATION REQUIREMENTS
Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Watch Commander may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

350.5.2 RESERVE OFFICER MEETINGS
All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

350.5.3 IDENTIFICATION OF RESERVE OFFICERS
All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

350.5.4 UNIFORM
Reserve officers shall conform to the Department's uniform regulation and appearance standards as outlined in Section 1046 (Uniform Regulations). Reserves of rank may wear the appropriate metal collar insignia during reserve functions.

350.5.5 INVESTIGATIONS AND COMPLAINTS
If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Uniform Services Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

350.5.6 RESERVE OFFICER EVALUATIONS
While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.
350.6 FIREARMS REQUIREMENTS
Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

350.6.1 CARRYING WEAPON ON DUTY
Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. Further, Penal Code § 25900(b) and United States Code, Title 18 U.S.C. §926B (LEOSA) permits duly appointed peace officers to carry concealed loaded firearms at all times. It is the policy of this department to allow reserves to carry loaded firearms while on-duty and concealed loaded firearms off duty.

350.6.2 RESERVE OFFICER FIREARM TRAINING
All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section as outlined in Section 312 (Firearms) of the Policy Manual.

350.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL
Reserve classification is covered under California Penal Code Section 832.6. Training requirements for level I, II and III reserves are routinely updated. Refer to the most current code for classification specifications. The Montebello Police Department deploys reserves by category:

(a) Category "A" May work general law enforcement as a solo patrol officer (Level I).
(b) Category "B" May work general law enforcement with another police officer or a reserve from category "A" or "B" (Level I).
(c) Category "C" May work general law enforcement, but only with a regular officer (Level II).
(d) Category "D" Reserve officer in field training; shall only work under the immediate supervision of a field training officer who possesses a basic POST certificate (Level I).
(e) Category "E" Shall not work any general law enforcement (Level III).

350.8 RESERVE UNIT STRUCTURE AND OPERATION
The Reserve Unit falls within the general command structure of the Department's Uniform Services Division. The Reserve Unit rank structure includes a captain, lieutenants, sergeants, senior officers and officers. The unit is divided into two sections, field operations and administrative services.

(a) RESERVE CHAIN OF COMMAND: The Reserve Unit chain of command is similar to the chain of command used by fulltime sworn personnel, with one exception; the reserve captain reports directly to the reserve coordinator who then reports to the Uniform Services Division Captain. If the reserve coordinator is unavailable, the assistant reserve coordinator assumes command responsibility.

(b) RESERVE FIELD TRAINING PROGRAM:
1. Level I reserves assigned to patrol are subject to the same field training requirements as a regular police officer. The requirements are outlined in section 1004 of the POST Administrative Manual (PAM). Level I reserves are given a maximum of 18 months to complete their field training. The reserve coordinator may extend the training period if the circumstances warrant.

2. Level II reserves are not subject to POST field training requirements. However, when working general law enforcement they shall be under the immediate supervision of a field training officer. If a field training officer is unavailable the level II reserve may temporarily be assigned with a non-probationary officer. Because of this immediate supervision requirement, a level II reserve working patrol is always in a "training environment." Level II reserves will be required to complete the same field training program guide as that of a level I with one exception; level II reserves are not required to complete the solo patrol training phase.

(c) RESERVE MEETINGS: All reserve meetings will be scheduled and conducted by the reserve coordinator or his/her designee. All reserves are required to attend scheduled meetings. Absences must be satisfactorily explained to the reserve coordinator. Reserves shall receive 4 hours of credit towards their 18 hour minimum for each meeting attended.

(d) RESERVE HOURLY REQUIREMENTS:

1. Reserves are required to volunteer at least 18 hours per month. If, during any six-month period, a reserve fails to maintain a monthly average of at least 18 hours and/or fails to attend range qualification as required, he or she may become subject to discipline. If, during any twelve-month period, a reserve fails to maintain this standard he or she may become subject to greater discipline.

Outside Agency Assistance

352.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

352.2 POLICY
It is the policy of the Montebello Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

352.3 ASSISTING OUTSIDE AGENCIES
Generally, requests for any type of assistance from another agency should be routed to the Watch Commander’s office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this [department/office], the Watch Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this [department/office].

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this [department/office] until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this [department/office] will not ordinarily be booked at this [department/office]. Only in exceptional circumstances, and subject to supervisor approval, will this [department/office] provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

352.3.1 INITIATED ACTIVITY
Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Montebello Police Department shall notify his/her supervisor or the Watch Commander and the Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

352.4 REQUESTING OUTSIDE ASSISTANCE
If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.
Outside Agency Assistance

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

352.5 REPORTING REQUIREMENTS
Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Watch Commander.

352.6 MANDATORY SHARING
Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Division Commander or the authorized designee.

The documentation should include:

(a) The conditions relative to sharing.
(b) The training requirements for:
   1. The use of the supplies and equipment.
   2. The members trained in the use of the supplies and equipment.
(c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Communications Center and the Watch Commander to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Sergeant should maintain documentation that the appropriate members have received the required training.
Registered Offender Information

356.1 PURPOSE AND SCOPE
This policy establishes guidelines by which the Montebello Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the [Department/Office] will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

356.2 POLICY
It is the policy of the Montebello Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

356.3 REGISTRATION
The Investigation Bureau supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

356.3.1 CONTENTS OF REGISTRATION
The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

356.4 MONITORING OF REGISTERED OFFENDERS
The Investigation Bureau supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

(a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.

(b) Review of information on the California DOJ website for sex offenders.

(c) Contact with a registrant’s parole or probation officer.
Any discrepancies should be reported to the California DOJ.

The Investigation Bureau supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Montebello Police Department personnel, including timely updates regarding new or relocated registrants.

### 356.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not unilaterally make a public notification advising the community of a particular registrant’s presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Montebello Police Department’s website. Information on sex registrants placed on the Montebello Police Department’s website shall comply with the requirements of Penal Code § 290.46.

The Records Supervisor may release local registered offender information to residents only in accordance with applicable law (Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1), and in compliance with a California Public Records Act (Government Code § 6250-6276.48) request.

#### 356.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

(b) The offender’s known aliases  
(c) The offender’s sex  
(d) The offender’s race

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).
356.5.2 RELEASE NOTIFICATIONS
Registrant information that is released should include notification that:

(a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.

(b) The information is provided as a public service and may not be current or accurate.

(c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.

(d) The crime for which a person is convicted may not accurately reflect the level of risk.

(e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

(f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).

356.6 PUBLIC ACCESS TO INFORMATION
This Department will not maintain a computer designated for public access to the CD-ROM. Requests for access should be directed to the Los Angeles County Sheriff.

The Duty Chief or Watch Commander is responsible for the call out of any additional personnel that are required.
Death Investigation

360.1 PURPOSE AND SCOPE
The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

360.2 INVESTIGATION CONSIDERATIONS
Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

360.2.1 CORONER REQUEST
Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

(a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).

(b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.

The body shall not be disturbed or moved from the position or place of death without permission of the coroner.

360.2.2 SEARCHING DEAD BODIES
The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating officer shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

360.2.3 DEATH NOTIFICATION
When practical, and if not handled by the Coroner’s Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.
Death Investigation

360.2.4 UNIDENTIFIED DEAD BODIES
If the identity of a dead body cannot be established after the Coroner arrives, the Coroner’s office will issue a “John Doe” or “Jane Doe” number for the report.

360.2.5 DEATH INVESTIGATION REPORTING
All incidents involving a death shall be documented on the appropriate form.

360.2.6 SUSPECTED HOMICIDE

360.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES
Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

360.2.8 LOS ANGELES COUNTY DISTRICT ATTORNEY'S OFFICE NOTIFICATION

Identity Theft

362.1 PURPOSE AND SCOPE
Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

362.2 REPORTING

(a) In an effort to maintain uniformity in reporting, Communications Personnel, Police Officers or Records Personnel, presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department.

1. Upon the communications desk receiving a telephone call from a person alleging to be a victim of an Identity Theft, the dispatcher will inform the victim that he/she may respond to the Police Department lobby for the form.

2. While at the lobby, the victim will receive from a Police Employee the Identity Theft/Forgery Report form.

3. It will be the responsibility of the victim to complete the form and fill out the appropriate information. Because we are required by law to take an Identity Theft report from one of our residents (Penal Code 530.6 a), the completed report will be accepted even though the information may be limited.

4. Once an Identity Theft report is accepted by the Police Employee, it will be that employee’s responsibility to obtain a Case Number and NAT Code for the report. The Police Employee will also be responsible for completing the top and bottom (gray) portion of the form (NAT Code, Case Number, Report Type, Date/Time, etc.).

5. The Police Employee will then provide the victim a copy of the report (page #2).

6. The Police Employee will then turn in the report for a supervisor’s signature.

(b) For incidents of Identity Theft occurring outside this jurisdiction, officers should observe the following:

1. For any victim not residing within this jurisdiction, the Police Employee may either provide that victim an Identity Theft/Forgery Report form or encourage the victim to promptly report the identity theft to the law enforcement agency where he or she resides.

2. If a courtesy report is taken, the victim will receive page #2 of the Identity Theft/ Forgery Report form. The victim will be informed that our agency is taking a courtesy report and that we will not investigate this case. Once an investigator
determines where the crime occurred, the investigator will forward this report to the appropriate law enforcement agency.

(c) The reporting officer should inform the victim of identity theft of their right to obtain court ordered access to the Department of Justice identity theft database pursuant to Penal Code § 530.7.

(d) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in our jurisdiction).

(e) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).

(f) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.

(g) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.
Arrest for Out-of-State Fugitives

363.1 PURPOSE AND SCOPE
To identify the procedures regarding the processing of subjects arrested for out-of-state warrants.

363.2 PROCEDURE
When a person is arrested on an out-of-state fugitive warrant, the following procedures should be followed:

(a) The subject shall be booked under Section 1551.1 P.C. (State).
(b) There is no bail.
(c) A teletype shall be sent to the out-of-state agency informing them of the arrest and that the fugitive will be transferred to the custody of the Los Angeles County Sheriff's Department. The teletype shall request that the out-of-state warrant be teletyped to our Department and Los Angeles County Sheriff's Department Fugitive Detail (CAO 190034) in its entirety, including names of responsible persons in contact.
(d) Call the Los Angeles County Sheriff's Department Fugitive Detail and inform them of the arrest.
(e) Send a teletype to the LASD Fugitive Detail confirming the phone call, indicating fugitive's name, DOB, and County booking number. Also, advise fugitive detail if there are any outstanding local charges.
(f) During regular court hours, take the fugitive and any copies of foreign warrants to the East Los Angeles Court lock-up. On weekends and nights, book into county jail.
Private Persons Arrests

364.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

364.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS
Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

(a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.

(b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

364.3 ARRESTS BY PRIVATE PERSONS
Penal Code § 837 provides that a private person may arrest another:

(a) For a public offense committed or attempted in his or her presence;
(b) When the person arrested has committed a felony, although not in his or her presence;
(c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

364.4 OFFICER RESPONSIBILITIES
Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

(a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
Private Persons Arrests

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b) (1). The officer must include the basis of such a determination in a related report.

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.

(b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:

1. Take the individual into physical custody for booking
2. Release the individual pursuant to a Notice to Appear
3. Release the individual pursuant to Penal Code § 849

364.5 REPORTING REQUIREMENTS
In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Whenever possible and prudent, the offender should be released on a written notice to appear per the provisions of § 420 of the Policy Manual.

If applicable, any such arrest should include a Private Persons Statement of Arrest.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Uniform Services Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:
Limited English Proficiency Services

(a) Coordinating and implementing all aspects of the Montebello Police Department's LEP services to LEP individuals.

(b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.

(c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Communications Supervisor. The list should include information regarding the following:
   1. Languages spoken
   2. Contact information
   3. Availability

(d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.

(e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.

(f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.

(g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.

(h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.

(i) Receiving and responding to complaints regarding department LEP services.

(j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

368.4 FOUR-FACTOR ANALYSIS
Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:
Limited English Proficiency Services

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

(b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.

(c) The nature and importance of the contact, program, information or service provided.

(d) The cost of providing LEP assistance and the resources available.

368.5 TYPES OF LEP ASSISTANCE AVAILABLE
Montebello Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual’s primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

368.6 WRITTEN FORMS AND GUIDELINES
Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

368.7 AUDIO RECORDINGS
The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

368.8 QUALIFIED BILINGUAL MEMBERS
Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.
When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

368.9 AUTHORIZED INTERPRETERS
Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

(a) The competence and ability to communicate information accurately in both English and in the target language.

(b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.

(c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

(d) Knowledge of the ethical issues involved when acting as a language conduit.

368.9.1 SOURCES OF AUTHORIZED INTERPRETERS
The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.
368.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE
Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

368.10 CONTACT AND REPORTING
While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

368.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
The Montebello Police Department will take reasonable steps and will work with the Personnel/Risk Management to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

368.11.1 EMERGENCY CALLS TO 9-1-1
Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.
Limited English Proficiency Services

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

368.12 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

368.13 INVESTIGATIVE FIELD INTERVIEWS
In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any Miranda warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated Miranda warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.
Limited English Proficiency Services

368.14 CUSTODIAL INTERROGATIONS
Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

368.15 BOOKINGS
When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee’s health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

368.16 COMPLAINTS
The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

368.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

368.18 TRAINING
To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.
The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

368.18.1 TRAINING FOR AUTHORIZED INTERPRETERS
All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.
Marijuana Arrests

369.1 PURPOSE AND SCOPE
On January 1, 1976, a new California marijuana law went into effect. This law specifies that when an offender is in possession of one ounce or less, police will issue a citation to appear in court. In cases where the quantity exceeds one ounce, but is insufficient to indicate intent to sell, the offender may either be cited or taken into custody for 11357c H&S, a misdemeanor. Simple possession of marijuana (11357b H&S) is now a misdemeanor, whereas possession with intent to sell and the actual sale of marijuana (11360a H&S) will remain felonies.

369.2 SIMPLE POSSESSION - ADULT OFFENDERS
Taking into consideration all of the variables involved in the weight of a substance, this Department will use 1.5 ounces as a standard in determining whether to book or cite. A quantity of 1.5 ounces or less will be considered as citable only under Section 11357b H&S. Over 1.5 ounces, the offender shall be booked under Section 11357c H&S, a misdemeanor.

When an officer seizes a quantity of marijuana and it appears to be between one and two ounces, the officer shall weigh the substance.

369.3 SIMPLE POSSESSION - JUVENILE OFFENDERS
Current interpretation of the marijuana law indicates that it will not affect policy or procedure in the apprehension of a subject under the age of 18 years in possession of marijuana. Therefore, current procedures in the handling of juvenile misdemeanor and/or felony arrests shall continue.

369.4 PROCEDURES
(a) All incidents involving the arrest or citing of a person for a marijuana violation shall be issued a file number and documented on a crime report form.

(b) In the event an adult is arrested for any violation in addition to simple marijuana possession of less than one ounce (11357b H&S), a citation shall be issued and a crime report shall accompany the citation.

(c) The file number on the crime report for the possession of marijuana under one ounce (11357b H&S) and the arrest report charging the additional violations shall remain the same.

(d) The charge of possession of one ounce of marijuana or less shall not be added to the booking charges of the arrestee.

(e) In the event an O.R. release is authorized, the O.R. citation will be issued for the charges shown on the arrest report only.

(f) Adult possession of marijuana over one ounce (11357c H&S) shall be added to the charges on the booking sheet and shall be reported as a misdemeanor.
Marijuana Arrests

(g) The reading from the scale should not be indicated in the report; the weight of the substance should be referred to only as over or under 1 ounce, whichever is applicable. The actual weight will be determined by the Los Angeles County Sheriff's Lab.
Communications with Persons with Disabilities

370.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

370.1.1 DEFINITIONS
Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

370.2 POLICY
It is the policy of the Montebello Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Uniform Services Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

(a) Working with the City ADA coordinator regarding the Montebello Police Department's efforts to ensure equal access to services, programs and activities.

(b) Developing reports, new procedures, or recommending modifications to this policy.
Communications with Persons with Disabilities

(c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.

(d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Communications Supervisor. The list should include information regarding the following:
   1. Contact information
   2. Availability

(e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.

(f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

370.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

(a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.
370.5 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual’s choice of auxiliary aid or service.

The individual’s preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual’s preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Montebello Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

370.6 TYPES OF ASSISTANCE AVAILABLE
Montebello Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.
Communications with Persons with Disabilities

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

370.7 AUDIO RECORDINGS AND ENLARGED PRINT
The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

370.8 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

(a) Available within a reasonable amount of time but in no event longer than one hour if requested.
(b) Experienced in providing interpretation services related to law enforcement matters.
(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

370.9 TTY AND RELAY SERVICES
In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).
Communications with Persons with Disabilities

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

370.10 COMMUNITY VOLUNTEERS
Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

370.11 FAMILY AND FRIENDS
While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.

(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

370.12 REPORTING
Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source.

If the individual’s express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.
370.13 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual’s preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

370.13.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.

(b) Exchange of written notes or communications.

(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.

(d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.

(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

370.14 CUSTODIAL INTERROGATIONS
In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual
has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written Miranda warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

370.15 ARREST AND BOOKINGS
If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee’s health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

370.16 COMPLAINTS
The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

370.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.
370.18 TRAINING
To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

(a) Awareness and understanding of this policy and related procedures, related forms and available resources.
(b) Procedures for accessing qualified interpreters and other available resources.
(c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member’s training file in accordance with established records retention schedules.

370.18.1 CALL-TAKER TRAINING
Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

(a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
(b) ASL syntax and accepted abbreviations.
(c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
(d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.
Advising Suspects of Their Miranda Rights

371.1 PROCEDURE
(a) In all arrests where the Detective Bureau will be required to conduct a follow-up investigation, arresting officers shall not administer the "Miranda" warning. However, special attention should be paid to spontaneous statements made by the suspect and should be carefully recorded as "res gestae" evidence for trial - Officers shall not pursue such statements by questioning the suspect.

(b) If it is decided that the detectives will not question the suspect(s), the arresting officer, when appropriate, may administer the "Miranda" warning and conduct the subsequent interrogation.

(c) Exceptions to the above procedures may be made if the case is a misdemeanor where Detectives are not likely to be involved and where statements should be solicited for court presentation by the arresting officer.

(d) In all cases where a minor is taken into custody, they shall be advised of their rights as required by 625 WIC, whether or not they are going to be questioned (interrogated). In all cases where a juvenile under the age of 14 years is arrested, a "Gladys R" questionnaire shall be completed and included with the arrest report.

Nor does it apply to biological samples from those required to register, for example, sex offenders.

374.2 POLICY
The Montebello Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

(a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.

There is no need to obtain a biological sample if one has been previously obtained.
(c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.
374.5 USE OF FORCE TO OBTAIN SAMPLES
If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Methods to consider when seeking voluntary compliance include contacting:

374.5.1 VIDEO RECORDING
A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department’s records retention schedule (15 CCR 1059).

The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.
374.6.2  BLOOD SAMPLES
A blood sample should only be obtained under this policy when:

   (a) The California DOJ requests a blood sample and the subject consents, or

   (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care
providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this
purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

375.1 PURPOSE AND SCOPE
Pursuant to Municipal Code Section 9.24.070, the City of Montebello can recover police expenses and graffiti removal expenses from a person who commits an illegal act of graffiti/vandalism. In the cases where a minor commits the act, the parent/guardian is legally responsible for these expenses. These expenses can be recovered by the authority of the following sections.

(a) Pursuant to the Civil Code Section 1714.1, the City of Montebello can establish guidelines and pursue civil remedies for full cost recovery for police expenses and graffiti removal expenses related from vandalism to City property caused by repeat juvenile offenders.

(b) Pursuant to Penal Code Section 594(4)(c)(1), the City of Montebello can establish guidelines to furnish the court information for cost recovery for the investigation and removal of graffiti caused by juvenile and adult offenders.

375.2 PROCEDURE

375.2.1 OFFICER'S RESPONSIBILITIES
Officer's handling graffiti/vandalism investigations where a juvenile or adult offender is arrested shall list in the arrest report the estimated dollar amount of damage, list the quantity of damage (in square feet) and take photographs of the damaged area (when appropriate). The Officer will also complete the "Patrol Costs" portion of the "Graffiti Cost Accumulation Worksheet" (Form "C"). ONLY the names of the officers involved and the amount of time each officer spent on the incident needs to be filled out. Pursuant to Municipal Code Section 9.24.070 the parent or guardian must knowingly permit, or by insufficient control allow, the minor to commit the act of graffiti or possess a graffiti implement. Therefore, the following guidelines must be followed with juvenile arrests:

(a) Determine if this arrest is the minor's first for a graffiti/vandalism related offense. If it is determined to be the minor's first offense the officer will have the parent or guardian read and sign a "Parental Admonishment and Acknowledgement Juvenile Graffiti Offenders" form (Form "A"). This form will be attached to the arrest report. The Officer shall also check the "Juvenile, 1st Offender" box on the "Graffiti Cost Accumulation Worksheet" (Form "C"). Also note in the arrest report that this was the minor's first offence and the form was signed by the parent/guardian.

(b) For repeat offenders the Officer will note in the arrest report that the minor is a repeat offender. The Officer shall also check the "Juvenile, Multi-Offender" box on the "Graffiti Cost Accumulation Worksheet" (Form "C"). Previous information on convictions shall also be listed in the arrest report. If available, a copy of the "Parental Admonishment
and Acknowledgement Juvenile Graffiti Offenders" form (Form "A") should be attached to the arrest report.

375.2.2 SERGEANT'S RESPONSIBILITIES
The Sergeant approving the graffiti/vandalism arrest report will make sure that the officer has properly listed the above information.

375.2.3 RECORDS RESPONSIBILITIES
The Records Clerk handling an adult or juvenile graffiti/vandalism case will list their name and the amount of time spent on the report in the "Record/Processing Costs" area on the "Graffiti Cost Accumulation Worksheet" (Form "C"). The Clerk will then process the arrest report with the cost form (Form "C") attached to the arrest/court package. The package will then be forwarded to the Investigations Bureau. When it is determined that a minor is a repeat offender by the court officer or handling detective, the Records Bureau will do the following:

(a) Upon receiving the completed "Graffiti Removal Cost Accumulation" form (Form "B") and the completed "Billing Invoice" form (Form "E") from the Investigations Bureau, the Records Bureau will forward this material to the City Finance Department. The Finance Department will take responsibility for the recovery of these costs as a regular collection matter. Should there be a failure to pay; the recovery can be made as with any other debt owed to the City through small claims court or other legal process.

(b) The original "Billing Invoice" will be sent to the offender. The yellow and pink copies will be sent to the Finance Department for follow-up collections. The goldenrod copy remains at the Police Department.

375.2.4 INVESTIGATION BUREAU RESPONSIBILITIES

(a) The Court Officer or Investigator assigned to a graffiti/vandalism case shall forward a copy of the "Public Works Department Graffiti Cost Accumulation Worksheet" (Form "D") to the Public Works Department with the description boxes at the top of the form filled out. Once this form is returned by Public Works the investigator will complete the "Investigation Cost" portion of the "Graffiti Cost Accumulation Worksheet" (Form "C"). Once both worksheets are complete, the investigator shall calculate the total amounts and transfer that information to the "Graffiti Removal Cost Accumulation" form (Form "B"). The original form will be taken to the Records Bureau where it will become a part of the original report. Copies of this form will be made and attached to the court filing arrest package by the court officer or handling detective.

(b) The court officer or investigator assigned to cases involving first time juvenile offenders will make sure copies of the signed "Parental Admonishment and Acknowledgment Juvenile Graffiti Offenders" form (Form "A") and copies of the "Graffiti Removal Cost Accumulation" form (Form "B") are attached to the arrest package.
Reimbursement to City for Graffiti Related Vandalism Costs

(c) The court officer or investigator assigned to cases involving repeat juvenile offenders will forward to the court, along with the arrest report, any appropriate documentation pertaining to prior convictions and copies of the "Graffiti Removal Cost Accumulation" form (Form "B"). The court officer or investigator will also complete a "Request to Bill" form (Form "E"). This form along with the original "Graffiti Removal Cost Accumulation" form (Form "B") will be forwarded back to the Records Bureau.

(d) The investigator assigned to cases involving adult offenders will forward to the court, along with the arrest report, copies of the "Graffiti Removal Cost Accumulation" form. When an adult is arrested for an act of graffiti/vandalism, the completed "Graffiti Removal Cost Accumulation" form shall be sent with the arrest package to court, so the court may consider the costs pursuant to Penal Code Section 594(4)(c)(1).

377.2 WHEN DISTRACTION DEVICES MAY BE USED
Distraction devices are for those situations where the circumstances warrant. The trained officer may deploy distraction devices to aid in the apprehension of suspects under tactical conditions, i.e. arrest warrant service, search warrant service, entry into building/area under exigent or high-risk circumstances or where the field supervisor or watch commander deems appropriate and reasonable.

Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

378.3.1 PLACEMENT AND MONITORING

As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation, or other obstructions, should also be evaluated when determining placement.

The cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public video surveillance system may be useful for the following purposes:

(a) To prevent, deter, and identify criminal activity.
(b) To target identified areas of gang and narcotics complaints or activity.
(c) To respond to critical incidents.
(d) To assist in identifying, apprehending, and prosecuting offenders.
(e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
(f) To augment resources in a cost-effective manner.
(g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Watch Commander’s office and the Communications Center. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Watch Commander or trained personnel in the Communications Center are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination, or retention is prohibited.

378.3.2 CAMERA MARKINGS
All public areas monitored by public safety surveillance equipment shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance. Signs should be well lit, placed appropriately and without obstruction to ensure visibility.

378.3.3 INTEGRATION WITH OTHER TECHNOLOGY
The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

378.4 VIDEO SUPERVISION
Supervisors should monitor video surveillance access and usage to ensure members are within department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.
378.4.1 PROHIBITED ACTIVITY
Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

378.5 STORAGE AND RETENTION OF MEDIA
All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule and for a minimum of one year. Prior to destruction, written consent shall be obtained from the City Attorney. If recordings are evidence in any claim filed or any pending litigation, they shall be preserved until pending litigation is resolved (Government Code § 34090.6).

Any recordings needed as evidence in a criminal or civil proceeding shall be copied to a suitable medium and booked into evidence in accordance with current evidence procedures.

378.5.1 EVIDENTIARY INTEGRITY
All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

378.6 RELEASE OF VIDEO IMAGES
All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Montebello Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Watch Commander for release in accordance with a specific and legitimate law enforcement purpose.
Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

**378.7 VIDEO SURVEILLANCE AUDIT**

The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

**378.8 TRAINING**

All department members authorized to operate or access public video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.
Child and Dependent Adult Safety

380.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department/office (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

380.2 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Montebello Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

380.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

(a) Inquire about and confirm the location of any children or dependent adults.

(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.

(c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should
explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

380.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.

1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver’s judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.

2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.

(b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(c) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.

(d) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver’s arrest and of the arrangements being made for the care of the arrestee’s dependent. The result of such actions should be documented in the associated report.

380.3.2 DURING THE BOOKING PROCESS
During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).
Child and Dependent Adult Safety

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

380.3.3 REPORTING

(a) For all arrests where children are present or living in the household, the reporting member will document the following information:

1. Name
2. Sex
3. Age
4. Special needs (e.g., medical, mental health)
5. How, where and with whom or which agency the child was placed
6. Identities and contact information for other potential caregivers
7. Notifications made to other adults (e.g., schools, relatives)

(b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:

1. Name
2. Sex
3. Age
4. Whether he/she reasonably appears able to care for him/herself
5. Disposition or placement information if he/she is unable to care for him/herself

380.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

380.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.
Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

380.5 TRAINING
The Training Sergeant is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).
Service Animals

382.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

382.1.1 DEFINITIONS
Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

382.2 POLICY
It is the policy of the Montebello Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

382.3 IDENTIFICATION AND USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with
schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

382.4 MEMBER RESPONSIBILITIES
Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Montebello Police Department affords to all members of the public (28 CFR 35.136).

382.4.1 INQUIRY
If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal’s status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

382.4.2 CONTACT
Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

382.4.3 REMOVAL
If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

382.4.4 COMPLAINTS
When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service
Service Animals

animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).
Volunteer Program

384.1 PURPOSE AND SCOPE
It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

384.1.1 DEFINITION OF VOLUNTEER
An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

384.2 VOLUNTEER MANAGEMENT

384.2.1 VOLUNTEER COORDINATOR
The Volunteer Coordinator shall be appointed by the Administration Division Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

(a) Recruiting, selecting and training qualified volunteers for various positions.
(b) Facilitating the implementation of new volunteer activities and assignments.
(c) Maintaining records for each volunteer.
(d) Tracking and evaluating the contribution of volunteers.
(e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
(f) Maintaining a record of volunteer schedules and work hours.
(g) Completion and dissemination as appropriate of all necessary paperwork and information.
(h) Planning periodic recognition events.
(i) Administering discipline when warranted.
Volunteer Program

(j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

384.2.2 RECRUITMENT
Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

384.2.3 SCREENING
All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

(a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.

(b) Employment

(c) References

(d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

384.2.4 SELECTION AND PLACEMENT
Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.
384.2.5 TRAINING
Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

384.2.6 FITNESS FOR DUTY
No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

(a) Driver license
(b) Medical condition
(c) Arrests
(d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

384.2.7 DRESS CODE
As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.
384.3 SUPERVISION OF VOLUNTEERS
Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

(a) Take the time to introduce volunteers to employees on all levels.
(b) Ensure volunteers have work space and necessary office supplies.
(c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

384.4 CONFIDENTIALITY
With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

384.5 PROPERTY AND EQUIPMENT
Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.
Volunteer Program

384.5.1 VEHICLE USE
Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

(a) A driving safety briefing and department approved driver safety course.
(b) Verification that the volunteer possesses a valid California Driver License.
(c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

384.5.2 RADIO AND MDC USAGE
Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

384.6 DISCIPLINARY PROCEDURES/TERMINATION
A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

384.6.1 EXIT INTERVIEWS
Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer’s suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

384.7 EVALUATION
An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.
Off-Duty Law Enforcement Actions

386.1 PURPOSE AND SCOPE
The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Montebello Police Department with respect to taking law enforcement action while off-duty.

386.2 POLICY
Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

386.3 FIREARMS
Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer’s senses or judgment.

386.4 DECISION TO INTERVENE
There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

(a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.

(b) The inability to communicate with responding units.
Off-Duty Law Enforcement Actions

(c) The lack of equipment, such as handcuffs, OC or baton.
(d) The lack of cover.
(e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
(f) Unfamiliarity with the surroundings.
(g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

386.4.1 INTERVENTION PROCEDURE
If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Montebello Police Department officer until acknowledged. Official identification should also be displayed.

386.4.2 INCIDENTS OF PERSONAL INTEREST
Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

386.4.3 NON-SWORN RESPONSIBILITIES
Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

386.4.4 OTHER CONSIDERATIONS
When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

386.5 REPORTING
Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.
Illness and Injury Prevention

388.1 PURPOSE AND SCOPE
The health and safety of the employees of the Montebello Police Department is important to executive and management staff, and critical to the operation of this department and the delivery of services to the community.

The purpose of this policy is to establish an ongoing and effective Injury and Illness Prevention Program (IIPP) for the Montebello Police Department, in accordance with the requirements of 8 CCR § 3203. This policy specifically applies to illnesses and injuries that result in lost time beyond the date of the incident or that require medical treatment beyond first aid. Though this policy provides the essential framework required for an IIPP, it may be supplemented by procedures outside the Policy Manual.

The IIPP guidelines are to be followed and adopted by all personnel. Supervisory and management personnel are charged with ensuring that these guidelines and directives are implemented.

388.2 RESPONSIBILITY
The Administration Supervisor, acting as the Department's IIPP administrator, has the authority and responsibility for implementing the provisions of this policy and the IIPP. Supervisors are responsible for implementing and maintaining the IIPP in their work areas and for answering questions from employees about the IIPP.

388.3 COMPLIANCE
The Administration Supervisor is responsible for ensuring that all safety and health policies and procedures are clearly communicated and understood by all employees. The Administration Supervisor should take reasonable steps to ensure that all workers comply with safety rules and maintain a safe work environment, including, but not limited to:

(a) Informing workers of the provisions of the IIPP.
(b) Recognizing employees who perform safe work practices.
(c) Ensuring that the employee evaluation process includes the employee's safety performance.
(d) Ensuring the Department's compliance with mandates regarding:
   1. Bloodborne pathogens (8 CCR § 5193).
   2. Airborne transmissible diseases (8 CCR § 5199).
   3. Heat illness (8 CCR § 3395).
   4. Respiratory protection (8 CCR § 5144).
Illness and Injury Prevention

Supervisors are responsible for training, counseling, instructing or making informal verbal admonishments anytime safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Conduct Policy.

All employees should use safe work practices, follow all directives and policies and assist in maintaining a safe work environment.

388.4 COMMUNICATION

Supervisors shall establish and maintain communication with employees on health and safety issues. This is essential for an injury-free, productive workplace.

(a) The Administration Supervisor will ensure that a system of communication is in place which facilitates a continuous flow of safety and health information between supervisors and employees. This system shall include:

1. New worker orientation, including a discussion of safety and health policies and procedures.
2. Regular employee review of the IIPP.
3. Workplace safety and health training programs.
4. Regularly scheduled safety meetings.
5. Posted or distributed safety information.
6. A system for workers to anonymously inform management about workplace hazards.

389.1.1 DEFINITIONS
Definitions related to this policy include:

Gun violence restraining order - Civil restraining order prohibiting a named person from controlling, owning, purchasing, possessing, receiving, or otherwise having custody of any firearms or ammunition, including an ammunition magazine (Penal Code § 18100).

389.2 POLICY
It is the policy of the Montebello Police Department to petition for and serve gun violence restraining orders in compliance with state law and to properly account for firearms and ammunition obtained by the [Department/Office] pursuant to such orders.

389.3 GUN VIOLENCE RESTRAINING ORDERS
An officer who reasonably believes a person is a present danger to self or another person by controlling, owning, purchasing, possessing, receiving, or otherwise having custody of a firearm may request permission from the officer's supervisor to petition the court for a gun violence restraining order.

 Officers petitioning the court should use the forms established by the Judicial Council (Penal Code § 18105). The petition should describe the number, types, and locations of any firearms and ammunition that the officer believes to be possessed or controlled by the person (Penal Code § 18107). The petition should also describe why less-restrictive alternatives are ineffective or inadequate for the circumstances (Penal Code § 18125; Penal Code § 18150; Penal Code § 18175).

If it is not practical under the circumstances to submit a written petition, an officer may submit the petition electronically or orally request a temporary order (Penal Code § 18122; Penal Code § 18140).

389.3.1 ADDITIONAL CONSIDERATIONS
Officers should also consider requesting permission to petition the court for a gun violence restraining order (Penal Code § 18108):

(a) When responding to a domestic disturbance where the residence is associated with a firearm registration or record.

(b) When responding to any call or incident when a firearm is present or when one of the involved parties owns or possesses a firearm.
Gun Violence Restraining Orders

(c) During a contact with a person exhibiting mental health issues, including suicidal thoughts, statements, or actions if that person owns or possesses a firearm.

Officers should consider obtaining a mental health evaluation if the encounter involves a situation where there is a reasonable cause to believe that the person poses an immediate and present danger of causing personal injury to themselves or another person by having custody or control of a firearm (see the Mental Illness Commitments Policy) (Penal Code § 18108).

389.4 SERVICE OF GUN VIOLENCE RESTRAINING ORDERS

An officer serving any gun violence restraining order shall:

The officer should also inform the restrained person that he/she is required, within 24 hours, to surrender to a law enforcement agency any other firearms and ammunition he/she owns or that are in his/her custody or control or sell them to a firearms dealer. This notification should be documented.

All firearms and ammunition collected shall be handled and booked in accordance with the Property and Evidence Policy.

(c) Forward a copy of the order to the Records Supervisor for filing with the court and appropriate databases.
389.5 SEARCH WARRANTS

If a person who has been served with a gun violence restraining order refuses to surrender any firearm or ammunition, the officer should consider whether to seek a search warrant. If a search warrant is to be obtained, the preparation and service of the search warrant shall be done in accordance with the Warrant Service Policy. Additionally, (Penal Code § 1542.5):

(a) The officer serving the warrant shall take custody of any firearm or ammunition that is controlled, possessed or owned by the person who is the subject of the gun violence restraining order, including any discovered pursuant to the warrant, a consensual search or other lawful search.

(b) If the location being searched is jointly occupied and the firearm or ammunition is owned by a person other than the restrained person, the firearm or ammunition should not be seized if the following conditions are met:

When multiple officers conduct a stop, the officer with the highest level of engagement with the person shall collect the data elements and prepare the report (11 CCR 999.227).

If multiple agencies are involved in a stop and the Montebello Police Department is the primary agency, the Montebello Police Department officer shall collect the data elements and prepare the stop data report (11 CCR 999.227).

The stop data report should be completed by the end of the officer’s shift or as soon as practicable (11 CCR 999.227).

(a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles, and major investigations

(b) Notifying officers of changes in schedules and assignments

(c) Notifying officers of new General Orders or changes in General Orders

(d) Reviewing recent incidents for training purposes

(e) Providing training on a variety of subjects

404.2 PREPARATION OF MATERIALS
The supervisor conducting Briefing is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his or her absence or for training purposes.

404.3 RETENTION OF BRIEFING TRAINING RECORDS
Briefing training materials and a curriculum or summary shall be forwarded to the Training Sergeant for inclusion in training records, as appropriate.
Crime and Disaster Scene Integrity

406.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance in handling a major crime or disaster.

406.2 POLICY
It is the policy of the Montebello Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

406.3 SCENE RESPONSIBILITY
The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

406.4 FIRST RESPONDER CONSIDERATIONS
The following list generally describes the first responder’s function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

(a) Broadcast emergency information, including requests for additional assistance and resources.
(b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
(c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
(d) Provide first aid to injured parties if it can be done safely.
(e) Evacuate the location safely as required or appropriate.
(f) Secure the inner perimeter.
(g) Protect items of apparent evidentiary value.
(h) Secure an outer perimeter.
(i) Identify potential witnesses.
(j) Start a chronological log noting critical times and personnel allowed access.
406.5 SEARCHES
Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

406.5.1 CONSENT
When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

406.6 EXECUTION OF HEALTH ORDERS
Any sworn member of this [department/office] is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).
Ride-Along Policy

410.1 PURPOSE AND SCOPE
The Ride-Along Program provides an opportunity for citizens to experience the law enforcement function first hand. This policy provides the requirements, approval process, and hours of operation for the Ride-Along Program.

410.1.1 ELIGIBILITY
The Montebello Police Department Ride-Along Program is offered to residents, students and those employed within the City. Every attempt will be made to accommodate interested persons however any applicant may be disqualified without cause. Applicants should be at least 18 years old.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 18 years of age
- Prior criminal history
- Pending criminal action
- Pending lawsuit against the Department
- Denial by any supervisor

410.1.2 AVAILABILITY
The Ride-Along Program is available on most days of the week, with certain exceptions. The ride-along times are from 8:00 a.m. to 10:00 p.m. Exceptions to this schedule may be made as approved by the Chief of Police, Division Commander, or Watch Commander.

410.2 PROCEDURE TO REQUEST A RIDE-ALONG
Generally, ride-along requests will be scheduled by the Watch Commander. The participant will complete a ride-along waiver form. Information requested will include a valid ID or California driver’s license, address, and telephone number. If the participant is under 18 years of age, a parent/guardian must be present to complete the Ride-Along Form.

The Watch Commander will schedule a date, based on availability, at least one week after the date of application. If approved, a copy will be forwarded to the respective Watch Commander as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Department will contact the applicant and advise him/her of the denial.

410.2.1 PROGRAM REQUIREMENTS
Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: Cadets, Explorers, Citizen Patrol Volunteers, Chaplains, Reserves, police applicants, and all others with approval of the Watch Commander.
An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. Normally, no more than one ride-along will be allowed in the officer's vehicle at a given time.

Ride-along requirements for police cadets are covered in Policy Manual § 1048, "Police Cadet Program."

410.2.2 SUITABLE ATTIRE
Any person approved to ride along is required to be suitably dressed in collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts and ripped or torn blue jeans are not permitted. Hats and ball caps will not be worn in the police vehicle. The Watch Commander or field supervisor may refuse a ride along to anyone not properly dressed.

410.2.3 PEACE OFFICER RIDE-ALONGS
Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Watch Commander. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

410.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK
All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check through CLETS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Montebello Police Department) (CLETS Policies, Practices and Procedures Manual § 1.6.1.F.2.).

410.2.5 RELATIVES
As a general rule, ride-alongs may not ride with an employee who is a relative.

410.3 OFFICER’S RESPONSIBILITY
The officer shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

The Watch Commander is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the yellow form shall be returned to the Watch Commander with any comments which may be offered by the officer.
410.4 CONTROL OF RIDE-ALONG
The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

(a) The ride-along will follow the directions of the officer

(b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment

(c) The ride-along may terminate the ride at any time and the officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer’s duties

(d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety

(e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen

(f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person
Hazardous Material Response

412.1 PURPOSE AND SCOPE
Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

412.1.1 HAZARDOUS MATERIAL DEFINED
A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

412.2 HAZARDOUS MATERIAL RESPONSE
Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

(a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver’s manifest or statements from the person transporting).
(b) Notify the Fire Department.
(c) Provide first-aid for injured parties if it can be done safely and without contamination.
(d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
(e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
(f) Notify the Department of Toxic Substances Control. This is mandatory when an officer comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety § 25354.5).

412.3 REPORTING EXPOSURE(S)
Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.
Hazardous Material Response

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.

412.3.1 SUPERVISOR RESPONSIBILITY
When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.
Hostage and Barricade Incidents

414.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

414.1.1 DEFINITIONS
Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is:

(a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

(b) Unlawfully held against his/her will under threat or actual use of force.

414.2 POLICY
It is the policy of the Montebello Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

414.3 COMMUNICATION
When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect’s surrender.

When available, [department/office]-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

414.3.1 EMERGENCY COMMUNICATIONS
Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record,
or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

(a) The officer reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),

(b) The officer reasonably determines that the emergency situation requires that eavesdropping on oral communication occur immediately, and

(c) There are grounds upon which an order could be obtained pursuant to 18 USC § 2516(2).

(d) An application for an order approving the eavesdropping and complying with the requirements of Penal Code § 629.50 is made within 48 hours of the beginning of the eavesdropping.

(e) The contents of any oral communications overheard are recorded on tape or other comparable device.

414.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

414.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
Hostage and Barricade Incidents

(c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(d) Provide responding emergency personnel with a safe arrival route to the location.

(e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.

(f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.

(g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

(h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

(i) Determine the need for and notify the appropriate persons within and outside the [Department/Office], such as command officers and the Public Information Officer ([PIO]).

(j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

(k) Establish a command post.

414.4.2 HOSTAGE SITUATION
Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).

(d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.

(e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(f) Provide responding emergency personnel with a safe arrival route to the location.
(g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.

(h) Coordinate pursuit or surveillance vehicles and control of travel routes.

(i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.

(j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

(k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

(l) Determine the need for and notify the appropriate persons within and outside the [Department/Office], such as command officers and the [PIO].

(m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

### 414.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Special Response Team (SRT) response if appropriate and apprising the (SRT) Commander of the circumstances. In addition, the following options should be considered:

(a) Ensure injured persons are evacuated and treated by medical personnel.

(b) Ensure the completion of necessary first responder responsibilities or assignments.

(c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.

(d) Establish a command post location as resources and circumstances permit.

(e) Designate assistants who can help with intelligence information and documentation of the incident.

(f) If it is practicable to do so, arrange for video documentation of the operation.

(g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).

1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the [Department/Office] obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be
Hostage and Barricade Incidents

submitted within six hours after initiating the interruption. If six hours is not possible, then the application for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.

(h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Communications Center.

(i) Identify a media staging area outside the outer perimeter and have the [department/office] Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.

(j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.

(k) Debrief personnel and review documentation as appropriate.

414.6 REPORTING
Unless otherwise relieved by a supervisor, the initial officer at the scene is responsible for completion of reports or coordination of reports for the hostage/barricade incident.

414.7 SRT RESPONSIBILITIES
The Incident Commander will decide, with input from the SRT Commander, whether to deploy the SRT during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the SRT Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the SRT. The Incident Commander and the SRT Commander or the authorized designee shall maintain communications at all times.

414.8 REPORTING
Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.
Response to Bomb Calls

416.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to assist members of the Montebello Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

416.2 POLICY
It is the policy of the Montebello Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

416.3 RECEIPT OF BOMB THREAT
Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Watch Commander is immediately advised and informed of the details. This will enable the Watch Commander to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

416.4 GOVERNMENT FACILITY OR PROPERTY
A bomb threat targeting a government facility may require a different response based on the government agency.

416.4.1 MONTEBELLO POLICE DEPARTMENT FACILITY
If the bomb threat is against the Montebello Police Department facility, the Watch Commander will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

416.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY
If the bomb threat is against a county or municipal facility within the jurisdiction of the Montebello Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Watch Commander deems appropriate.
416.4.3 FEDERAL BUILDING OR PROPERTY
If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility’s security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

416.5 GENERAL CONSIDERATIONS

416.5.1 NATURE OF THE THREAT
The method of communication and the amount of specifics received from the sender, including placement location, reason stated for the threat, time received, and stated time of detonation, are all useful in evaluating validity of the threat. Dispatchers should always attempt to gain as much information as possible from the caller.

416.5.2 THREAT LOCATION
(a) The nature of the target location is a factor in determining appropriate action. Schools are often targets of prank callers who may wish to disrupt normal class activity.
(b) Businesses can receive calls from disgruntled customers or employees.
(c) The nature of the business being conducted and the presence of politically sensitive activity may also offer insight into the validity of the threat and help to tailor the appropriate response.
(d) Examples of when it might be inappropriate for police to conduct a search are:
1. When a large building housing hundreds of workers (or students) receives several telephone bomb threats during the same day.
2. The management or person in charge of the premises does not want a search made.
3. The premises have already been searched by occupants.
4. When the threat is nonspecific as to the location of the device and it involves a large building, i.e., “There is a bomb in ....... in the high school... ”

416.5.3 EVACUATION
(a) If the call is in response to a bomb threat, the decision as to whether or not to evacuate the building must be made by the owner, manager, principal or other person in charge of the building.
Response to Bomb Calls

(b) If a bomb or explosive is located, it is appropriate for the Field Supervisor, or officer charge, to order and supervise evacuation of the building. In such cases, the sector officers should consult with the Field Supervisor to determine the necessary extent of evacuation.

c) When effecting a partial evacuation, steps must be taken to ensure that persons in non-evacuated areas do not enter the affected area.

d) In any evacuation, steps must be taken to ensure that no unauthorized person enters the building. Citizens should be directed to wait at some distance from the evacuated area, preferably at least 300 feet away or shielded by some other building.

e) If evacuation is effected before the explosive is located, all persons leaving the building should be directed to take with them personal belongings such as purses, packages and briefcases (so that there will be fewer such items to search).

(f) Persons involved in searches should be cognizant of the following possibilities:

1. Loose or raised boards or stairwell treads, movable bricks, drawers, chairs, sofas, beds, etc. All may conceal triggering devices that will be activated when the object is moved and, consequently, nothing should be disturbed until it has been examined.

2. Windows, doors, cupboard doors, doorknobs, etc., should be carefully examined for strings, wires, springs, or other release devices before being moved.

3. Broken wires must be kept apart and electrical switches not operated until the entire circuit has been checked. Operating an electric switch could detonate an electrically activated explosive.

4. Chimney flues, elevator shafts and insulated air spaces require special search techniques. Straight flues and shafts are best checked observing from one end against an indirect light source at the other end. Dogleg (bent) shafts or flues may be checked by gently lowering a heavy object such as brick on a rope down the shaft to test for obstructions.

416.5.4 REPORTS OF BOMBS IN SCHOOL BUILDINGS

Officers responding to such incidents should contact the person in charge of the facility and make arrangements to assist in neutralizing the bomb threat.

(a) Such incidents shall be handled as unobtrusively as possible.

(b) The officer may make recommendations for evacuation of the facility. However, the actual decision to evacuate the facility shall be left to the person in charge of the facility.

(c) Officers shall remember that responsibility for ordering evacuation and/or search of such facilities rest with the person in charge of that facility, and not the police.
(d) If an explosive or suspected explosive has been discovered, all search personnel will leave the area by their original routes of entry.

416.6 PRIVATE FACILITY OR PROPERTY
When a member of this department receives notification of a bomb threat at a location in the City of Montebello, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

(a) The location of the facility.
(b) The nature of the threat.
(c) Whether the type and detonation time of the device is known.
(d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
(e) Whether the individual is requesting police assistance at the facility.
(f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
   1. No evacuation of personnel and no search for a device.
   2. Search for a device without evacuation of personnel.
   3. Evacuation of personnel without a search for a device.
   4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

416.6.1 ASSISTANCE
The Watch Commander should be notified when police assistance is requested. The Watch Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Watch Commander determine that the Department will assist or control such an incident, he/she will determine:

(a) The appropriate level of assistance.
(b) The plan for assistance.
(c) Whether to evacuate and/or search the facility.
(d) Whether to involve facility staff in the search or evacuation of the building.
   1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
   2. The safety of all participants is the paramount concern.
(e) The need for additional resources, including:

1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

416.7 FOUND DEVICE
When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.

(b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.

(c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:

1. Two-way radios
2. Cell phones
3. Other personal communication devices

(d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.

(e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.

(f) A safe access route should be provided for support personnel and equipment.

(g) Search the area for secondary devices as appropriate and based upon available resources.

(h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.

(i) Promptly relay available information to the Watch Commander including:

1. The time of discovery.
2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.
Response to Bomb Calls

416.8 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

416.8.1 CONSIDERATIONS
Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

(a) Assess the scope of the incident, including the number of victims and extent of injuries.
(b) Request additional personnel and resources, as appropriate.
(c) Assist with first aid.
(d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
(e) Assist with the safe evacuation of victims, if possible.
(f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
(g) Preserve evidence.
(h) Establish an outer perimeter and evacuate if necessary.
(i) Identify witnesses.

416.8.2 NOTIFICATIONS
When an explosion has occurred, the following people should be notified as appropriate:

• Fire department
• Bomb squad
• Additional department personnel, such as investigators and forensic services
• Field supervisor
• Watch Commander
• Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
• Other government agencies, as appropriate

416.8.3 CROWD CONTROL
Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.
Response to Bomb Calls

416.8.4 PRESERVATION OF EVIDENCE
As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.
Mental Illness Commitments

418.1 PURPOSE AND SCOPE
This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

418.2 POLICY
It is the policy of the Montebello Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

418.3 AUTHORITY
An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person’s mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

(a) An individual who is providing or has provided mental health treatment or related support services to the person
(b) A family member
(c) The person subject to the determination or anyone designated by the person

418.3.1 VOLUNTARY EVALUATION
If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

(a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
(b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
(c) Document the circumstances surrounding the individual’s desire to pursue voluntary evaluation and/or admission.

418.4 CONSIDERATIONS AND RESPONSIBILITIES
Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:
Mental Illness Commitments

(a) Available information that might assist in determining the cause and nature of the person’s action or stated intentions.
(b) Community or neighborhood mediation services.
(c) Conflict resolution and de-escalation techniques.
(d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

418.4.1 SECURING OF PROPERTY
When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the officer shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The officer taking the person into custody shall provide a report to the court that describes the person’s property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

418.5 TRANSPORTATION
When transporting any individual for a 5150 commitment, the transporting officer should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.

418.6 TRANSFER TO APPROPRIATE FACILITY
Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported
and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

418.7 DOCUMENTATION
The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

418.7.1 ADVISEMENT
The officer taking a person into custody for evaluation shall advise the person of:

(a) The officer’s name and agency.
(b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
(c) The name of the facility to which the person is being taken.
(d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

418.8 CRIMINAL OFFENSES
Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

(a) Arrest the individual when there is probable cause to do so.
Mental Illness Commitments

(b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.

(c) Facilitate the individual’s transfer to jail.

(d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor’s judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this [department/office] to regain custody of the individual, [department/office] resources (e.g., posting a guard) and other relevant factors in making this decision.

418.9 FIREARMS AND OTHER WEAPONS
Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons.

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

418.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS
Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigation Bureau, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the [Department/Office] makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the [Department/Office] shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.
Mental Illness Commitments

418.10 TRAINING
This [department/office] will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.
Automated External Defibrillator (AED) Policy

419.1 PURPOSE AND SCOPE
Medical research has shown that persons who fall victim to cardiac arrest have a greater percentage of survival with early first responder defibrillation and cardio pulmonary resuscitation (CPR). The purpose of the policy is to establish procedures and guidelines for the safe and effective use of Automated External Defibrillators (AED) by certified personnel in cardiac arrest emergencies.

419.1.1 AED USE BY DEPARTMENT PERSONNEL
It shall be the policy of the Montebello Police Department to provide prompt medical assistance whenever a person is seriously injured or a life threatening condition exists. The Los Angeles County Emergency Medical Services Agency (LACEMSA) has approved the Montebello Police Department to use AED’s. Recognizing that early defibrillation is a critical element of care in cardiac arrest cases, Automated External Defibrillation units will be made available in selected on duty patrol cars whenever possible. Only AED’s granted acceptance by the Federal Drug Administration and approved for use by the LACEMSA may be used. Only personnel trained and certified in accordance with the standards issued by the LACEMSA may use an AED. AED use by police personnel should only be done if the police officer in charge of the scene believes that it is safe to do so. Securing a safe scene remains the number one priority of law enforcement so that all safety members can operate in a safe environment.

419.1.2 AUTHORITY FOR USE
Los Angeles County, Department of Health Services, Pre-Hospital Care Policy, Reference Number 412, 412.1, 412.2. California Health and Safety Code Sections 1797.5, 1797.52, 1797.107, and 1797.183, 1797.190, 1797.196. Penal Code Section 13518. and the California Code of Regulations Title 22, Division 9, Chapter 1.5 and 1.8. California Civil Code, Sections 1714.2 and 1714.21.

419.2 PROCEDURE FOR USE AND PROGRAM ADMINISTRATION

419.2.1 PROGRAM COORDINATOR
(a) The Program Coordinator, as specified in the Los Angeles County Department of Health Services, Pre-Hospital Care Policy 412, is appointed by the Police Chief and shall accept responsibility for the AED program including data collection, reporting, and maintaining appropriate documentation of certification and training of personnel. All relevant records and documentation shall be available for review by the LACEMSA for a period of three years.

(b) The Program Coordinator shall report annually to the LACEMSA for every patient on whom the AED is applied. These reports (Department of Health Services County Los Angeles Reference 412.1) are due by March 1st for the previous calendar year.
419.2.2 TRAINING

(a) All sworn personnel will be provided AED certification by either American Heart or American Red Cross Instructors and in strict accordance with California Code of Regulations Title 22 Division 9 Chapter 1.5, and California Health and Safety Code (1797.52, 1797.107, and 1797.170). The initial training will certify AED operators for a period of one year. Note: Public Access Defibrillation program certification is valid for a period of two years.

(b) Each operator will receive an AED Certification card. A copy of the certification card and a roster of all persons certified to operate the AED shall be maintained in the Personnel and Training office.

(c) Persons hired as Law Enforcement Recruits will receive CPR/AED certification as part of their training in the Basic Recruit Academy.

(d) Upon completion of the Basic Recruit Academy and prior to completion of the Field Training Program the Personnel and Training Unit shall ensure that a new officer receives instruction and orientation on the proper use, application, and protocols for the Montebello Police Departments AED.

(e) Certified AED operators are all required to demonstrate "skills proficiency and continued competency" on an annual basis in order to maintain their AED certification. The annual training will include viewing of the AED video, hands on review of the AED unit, and will emphasize the integration of the AED with CPR and the importance of interfacing with advanced life support providers (paramedics). All certified AED operators are required to demonstrate their Skill Proficiency and Continued Competency by operating the AED trainer on a training manikin.

(f) The Program Coordinator is required to maintain records of all annual training and competency testing.

419.2.3 MAINTENANCE

(a) Field Deployment

1. AED's will be checked out for use in patrol on a shift-by-shift basis as indicated on the daily Watch Log. Only certified AED operators will check out an AED for patrol use.

2. All certified AED operators checking out an AED for patrol use are required to check the day-to-day operational readiness of the individual AED unit. The following items will be checked prior to taking the AED into the field for use and recorded on the "daily log sheet":

   (a) Carrying case

   (b) Necessary accessories (extra set of pads, drying cloth, antiseptic towelette, razor, scissors, CPR mask, latex gloves)
Automated External Defibrillator (AED) Policy

(c) Power source and operational status
(d) Operational status
(e) Daily log sheet (located in Watch Commanders office)
(f) AED defibrillation report form

3. Additional inventory may be obtained from the Personnel and Training Unit.
4. The Program Coordinator and Training Unit will collect the Daily Log Sheet for each AED unit at the end of each month for inclusion in the annual report.

(b) Police Facility Deployment
(a) AED's are located on the 2nd floor adjacent to and outside of the jail entrance door, and on the 3rd floor near the Administrative Offices elevator in the main hallway.
(b) The AED's located in the police facility fall under the Public Access Defibrillator Program (PAD) and are required to be checked for their operational readiness every 30 days, provided the AED has not been used in the previous 30 days.
(c) On the first day of every month a monthly inspection log shall be completed and submitted to Training by the on-duty watch commander or his/her designee. The following items shall be checked:
   (a) Necessary accessories/supplies (extra set of pads, drying cloth, antiseptic towelette, razor, scissors, CPR mask, latex gloves)
   (b) Power source/batteries
   (c) Operational status

(c) Non-functional AED Unit
1. If an AED unit is found to be non-functional it is to be taken out of service immediately and the Program Coordinator notified. The Program Coordinator is responsible for getting the AED unit repaired and obtaining a replacement unit if available until repairs are completed.

419.2.4 AED USE, DEPLOYMENT AND DOCUMENTATION
(a) Only certified personnel with current AED certification cards on file may use an AED in the course of their duties.
(b) The first priority of officers considering deploying an AED is scene security. Prior to deploying the AED the handling officer must first ensure the scene is secure and free of hazards to safety personnel. The officer’s assessment should include but not be limited to:
   1. Presence of any outstanding suspects.
Automated External Defibrillator (AED) Policy

2. Containment of the scene.
3. Traffic conditions.
4. Electrical hazards.
5. Fire or chemical environment.
6. Wet environment.

(c) The AED shall only be applied to individuals who meet the following criteria:
   1. Unconscious.
   2. Not breathing.
   3. Pulseless.
   4. Eight years old or greater (Minimum weight of 55 pounds).

(d) Once the scene is safe, personnel deploying the AED must determine if the victim is a candidate for application of the AED:
   1. First determine if the victim is unconscious.
   2. If the victim is unconscious ensure that paramedics have been requested and check the airway, Breathing and Circulation. (ABC’s)
   3. The victim must be unconscious, pulseless and not breathing
   4. If all three are confirmed absent deploy the AED.

(e) Deploying the AED:
   1. Open the lid.
   2. Turn unit on and follow the voice prompts.
   3. Prepare the victim for electrode placement.
      (a) If possible place the victim on a hard surface away from standing water or conductive material.
   4. Remove clothing from victim's upper torso.
   5. Place the electrodes as indicated.
   6. The AED will announce "analyzing rhythm." Do not touch the patient.
   7. If the victim is in a shockable rhythm the AED will announce, "charging." The AED will then announce, "Stand clear." Personnel operating the AED will then;
      (a) Make a visual check of the victim from head to toe to ensure that all personnel and any other subjects are clear of any contact with the victim.
Automated External Defibrillator (AED) Policy

(b) The AED operator will then push the button with the heart symbol on it to deliver the shock to the victim.

8. After the first shock, the AED will re-analyze the victim's heart rhythm, the AED will announce, "do not touch the patient, analyzing rhythm."
   (a) If a shockable rhythm is detected, the AED will charge and prompt the operator to deliver another shock.
   (b) The AED will continue this cycle until the delivery of three defibrillator cycles.

9. If at any time during the cycle, the AED detects a non-shockable heart rhythm the voice prompt will announce, "check pulse, if no pulse perform CPR."

10. If the victim continues to have no pulse after three shocks the AED operator will perform CPR for one minute. The AED will then begin the process of analyzing the heart rhythm to determine the need to deliver the cycle of three shocks when the voice prompt starts again, " do not touch the patient, analyzing rhythm."

11. Personnel should continue to operate the AED and perform CPR until paramedics arrive and assume responsibility for the victim's care.

(f) Reporting and data Management.
   (a) After an AED has been used the operator is responsible for completing the following tasks:
      (a) Complete all department-required reports including AED defibrillation report.
      (b) Forward the AED device and defibrillation reports to the Training Unit/Program Coordinator.
      (c) The Program Coordinator will download the AED information to a computer hard drive as soon as possible and place the unit back into service.
Cite and Release Policy

420.1 PURPOSE AND SCOPE
This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

420.2 POLICY
It is the policy of the Montebello Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the [Department/Office]'s mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

420.3 RELEASE BY CITATION
Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing officer shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

420.3.1 FIELD CITATIONS
In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

420.3.2 RELEASE AFTER BOOKING
In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Watch Commander or the authorized designee.

420.4 NON-RELEASE
420.4.1 DISQUALIFYING OFFENSES
An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking (Penal Code § 1270.1):

(a) Misdemeanor domestic battery (Penal Code § 243(e)(1))
(b) Felony domestic battery (Penal Code § 273.5)
(c) Serious or violent felonies (Penal Code § 1270.1(a)(1))
(d) Felony intimidation of witnesses and victims (Penal Code § 136.1)
(e) Violation of a protective order and the arrested person has made threats, used violence, or has gone to the protected person’s workplace or residence (Penal Code § 273.6)
(f) Stalking (Penal Code § 646.9)
(g) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6)

420.4.2 REASONS FOR NON-RELEASE
A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Watch Commander may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the [Department/Office] and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

(a) The person arrested is so intoxicated that they could be a danger to themselves or to others. Release may occur as soon as this condition no longer exists.
(b) The person arrested requires medical examination or medical care or is otherwise unable to care for their own safety
   1. The Montebello Police Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).
(c) The person is arrested for one or more of the offenses listed in Vehicle Code § 40302, Vehicle Code § 40303, and Vehicle Code § 40305.
(d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
(e) The person could not provide satisfactory evidence of personal identification.
Cite and Release Policy

1. If a person released on citation does not have satisfactory identification in their possession, a right thumbprint or fingerprint should be obtained on the citation form.

(f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.

(g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.

(h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.

(i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:

1. Previous failure to appear is on record
2. The person lacks ties to the area, such as a residence, job, or family
3. Unusual circumstances lead the officer responsible for the release of prisoners to conclude that the suspect should be held for further investigation

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Watch Commander for approval and included with the case file in the Records Bureau.

420.5 MISDEMEANOR WARRANTS
An adult arrested on a misdemeanor warrant may be released, subject to Watch Commander approval, unless any of the following conditions exist:

(a) The misdemeanor cited in the warrant involves violence.

(b) The misdemeanor cited in the warrant involves a firearm.

(c) The misdemeanor cited in the warrant involves resisting arrest.

(d) The misdemeanor cited in the warrant involves giving false information to a peace officer.

(e) The person arrested is a danger to themselves or others due to intoxication or being under the influence of drugs or narcotics.

(f) The person requires medical examination or medical care or was otherwise unable to care for their own safety.

(g) The person has other ineligible charges pending against themselves.

(h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.
Cite and Release Policy

(i) The person refuses to sign the notice to appear.

(j) The person cannot provide satisfactory evidence of personal identification.

(k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

420.6 REQUESTING CASE NUMBERS
Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if the officer feels the situation should be documented more thoroughly in a case report.
Arrest or Detention of Foreign Nationals

422.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that members of the Montebello Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

422.2 POLICY
The Montebello Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

422.3 CLAIMS OF IMMUNITY
If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

(a) Notify a supervisor.

(b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person’s status.

(c) Request the person’s identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.

(d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.

(e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating “US” as the state.

422.4 ENFORCEMENT
If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:
Arrest or Detention of Foreign Nationals

(a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.

(b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.

(c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
   1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.

(d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
   1. Diplomatic-level staff of missions to international organizations and recognized family members
   2. Diplomatic agents and recognized family members
   3. Members of administrative and technical staff of a diplomatic mission and recognized family members
   4. Career consular officers, unless the person is the subject of a felony warrant

(e) The following persons may generally be detained and arrested:
   1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
   2. Support staff of missions to international organizations
   3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
   4. Honorary consular officers
   5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

422.5 DOCUMENTATION
All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Notes for diplomatic immunity table:

(a) This table presents general rules. The employees of certain foreign countries may enjoy higher levels of privileges and immunities on the basis of special bilateral agreements.

(b) Reasonable constraints, however, may be applied in emergency circumstances involving self-defense, public safety, or in the prevention of serious criminal acts.

(c) A small number of senior officers are entitled to be treated identically to diplomatic agents.

(d) Note that consul residences are sometimes located within the official consular premises. In such cases, only the official office space is protected from police entry.
Rapid Response and Deployment

424.1 PURPOSE AND SCOPE
Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

424.2 POLICY
The Montebello Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the [Department/Office] in protecting themselves or others from death or serious injury.

424.3 FIRST RESPONSE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

(a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.

(b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.

(c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.

(d) Whether the suspect can be contained or denied access to victims.

(e) Whether the officers have the ability to effectively communicate with other personnel or resources.
Rapid Response and Deployment

(f) Whether planned tactics can be effectively deployed.

(g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

424.4 CONSIDERATIONS
When dealing with a crisis situation members should:

(a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.

(b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.

(c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.

(d) Attempt, if feasible and based upon the suspect’s actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

424.5 PLANNING
The Uniform Services Division Commander should coordinate critical incident planning. Planning efforts should consider:

(a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Availability of building plans and venue schematics of likely critical incident target sites.

(c) Communications interoperability with other law enforcement and emergency service agencies.

(d) Training opportunities in critical incident target sites, including joint training with site occupants.

(e) Evacuation routes in critical incident target sites.

(f) Patrol first-response training.

(g) Response coordination and resources of emergency medical and fire services.

(h) Equipment needs.

(i) Mutual aid agreements with other agencies.

(j) Coordination with private security providers in critical incident target sites.
424.6 TRAINING
The Training Sergeant should include rapid response to critical incidents in the training plan. This training should address:

(a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Communications interoperability with other law enforcement and emergency service agencies.

(c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
   1. This should include the POST terrorism incident training required for officers assigned to field duties (Penal Code § 13519.12).

(d) First aid, including gunshot trauma.

(e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).
Immigration Violations

428.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to members of the Montebello Police Department relating to immigration and interacting with federal immigration officials.

428.2 POLICY
It is the policy of the Montebello Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this [department/office] in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

428.3 VICTIMS AND WITNESSES
To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

428.4 IMMIGRATION INQUIRIES PROHIBITED
Officers shall not inquire into an individual’s immigration status for immigration enforcement purposes (Government Code § 7284.6).

428.4.1 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)
Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

428.5 FEDERAL REQUESTS FOR ASSISTANCE
Absent an urgent issue of officer safety or other emergency circumstances, requests by federal immigration officials for assistance from this [department/office] should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).
428.6 INFORMATION SHARING
No member of this [department/office] will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Government Code § 7284.6):

(a) Sending information to, or requesting or receiving such information from federal immigration officials
(b) Maintaining such information in [department/office] records
(c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

428.6.1 TRANSFERS TO IMMIGRATION AUTHORITIES
Members shall not transfer an individual to immigration authorities unless one of the following circumstances exist (Government Code § 7282.5; Government Code § 7284.6):

(a) Transfer is authorized by a judicial warrant or judicial probable cause determination.
(b) The individual has been convicted of an offense as identified in Government Code § 7282.5(a).
(c) The individual is a current registrant on the California Sex and Arson Registry.
(d) The individual is identified by the U.S. Department of Homeland Security’s Immigration and Customs Enforcement as the subject of an outstanding federal felony arrest warrant.

428.6.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE
The Investigation Bureau supervisor shall ensure that data regarding the number of transfers of an individual to immigration authorities, as permitted by Government Code § 7284.6(a)(4), and the offense that allowed for the transfer is collected and provided to the Records Supervisor for required reporting to the DOJ (Government Code § 7284.6(c)(2)(see the Records Bureau Policy).

428.7 U VISA AND T VISA NONIMMIGRANT STATUS
Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigation Bureau supervisor assigned to oversee the handling of any related case. The Investigation Bureau supervisor should:

(a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
(b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.

(c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.

1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.

2. Form I-918 Supplement B certification shall be completed if the victim qualifies under Penal Code § 679.10 (multiple serious offenses). Form I-914 Supplement B certification shall be completed if the victim qualifies under Penal Code § 236.5 or Penal Code § 679.11 (human trafficking).

(d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

(e) Inform the victim liaison of any requests and their status.

428.7.1 POLICE REPORTS
Upon request, an officer or supervisor should provide a victim or authorized representative with a copy of the report filed by the victim within seven days of the request (Penal Code § 679.10).
Emergency Utility Service

430.1 PURPOSE AND SCOPE
The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

430.1.1 BROKEN WATER LINES
The City’s responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

430.1.2 ELECTRICAL LINES
City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

430.1.3 RESERVOIRS, PUMPS, WELLS, ETC.
Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

430.1.4 EMERGENCY NUMBERS
A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

430.2 TRAFFIC SIGNAL MAINTENANCE
The City of Montebello contracts with a private maintenance company to furnish maintenance for all traffic signals within the City, other than those maintained by the State of California.

430.2.1 OFFICER’S RESPONSIBILITY
Upon observing a damaged or malfunctioning signal, the officer will advise the the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.
Aircraft Accidents

434.1 PURPOSE AND SCOPE
The purpose of this policy is to provide [department/office] members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

434.1.1 DEFINITIONS
Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

434.2 POLICY
It is the policy of the Montebello Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

434.3 ARRIVAL AT SCENE
Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

(a) Protect persons and property.
(b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
(c) Preserve ground scars and marks made by the aircraft.
(d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
(e) Maintain a record of persons who enter the accident site.
(f) Consider implementation of an Incident Command System (ICS).

434.4 INJURIES AND CASUALTIES
Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.
434.5 NOTIFICATIONS
When an aircraft accident is reported to this [department/office], the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

(a) Fire department
(b) Appropriate airport tower
(c) Emergency medical services (EMS)

434.6 CONTROLLING ACCESS AND SCENE AUTHORITY
Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

(a) FAA.
(b) Fire department, EMS or other assisting law enforcement agencies.
(c) [Medical Examiner/JOP].
(d) Air Carrier/Operators investigative teams with NTSB approval.
(e) Appropriate branch of the military, when applicable.
(f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this [department/office] will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene [department/office] supervisor should ensure the accident is still appropriately investigated and documented.

434.7 DANGEROUS MATERIALS
Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

(a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
(b) Pressure vessels, compressed gas bottles, accumulators and tires.
(c) Fluids, batteries, flares and igniters.
(d) Evacuation chutes, ballistic parachute systems and composite materials.

434.8 DOCUMENTATION
All aircraft accidents occurring within the City of Montebello shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of MPD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

434.8.1 WRECKAGE
When reasonably safe, members should:
(a) Obtain the aircraft registration number (N number) and note the type of aircraft.
(b) Attempt to ascertain the number of casualties.
(c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
(d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
(e) Acquire copies of any recordings from security cameras that may have captured the incident.

434.8.2 WITNESSES
Members tasked with contacting witnesses should obtain:
(a) The location of the witness at the time of his/her observation relative to the accident site.
(b) A detailed description of what was observed or heard.
(c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
(d) The names of all persons reporting the accident, even if not yet interviewed.
(e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

434.9 MEDIA RELATIONS
The Public Information Officer ([PIOJ]) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should
Aircraft Accidents

be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims’ names. The [PIO] should coordinate with other involved entities before the release of information.

Obtaining Air Support

438.1 PURPOSE AND SCOPE
The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

438.2 REQUEST FOR HELICOPTER ASSISTANCE
If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

438.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY
After consideration and approval of the request for a helicopter, the Watch Commander, or his/her designee, will call the closest agency having helicopter support available. The Watch Commander on duty will apprise that agency of the specific details of the incident prompting the request.

438.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED
Police helicopters may be requested under any of the following conditions:

(a) When the helicopter is activated under existing mutual aid agreements
(b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
(c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
(d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
(e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.
Contacts and Temporary Detentions

440.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

440.1.1 DEFINITIONS
Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

440.2 POLICY
The Montebello Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.
**Contacts and Temporary Detentions**

### 440.3 FIELD INTERVIEWS
Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer’s suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Montebello Police Department to strengthen community involvement, community awareness, and problem identification.

#### 440.3.1 INITIATING A FIELD INTERVIEW
When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual’s:

- **(a)** Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- **(b)** Actions suggesting that he/she is engaged in a criminal activity
- **(c)** Presence in an area at an inappropriate hour of the day or night
- **(d)** Presence in a particular area is suspicious
- **(e)** Carrying of suspicious objects or items
- **(f)** Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- **(g)** Location in proximate time and place to an alleged crime
- **(h)** Physical description or clothing worn that matches a suspect in a recent crime
- **(i)** Prior criminal record or involvement in criminal activity as known by the officer

### 440.4 PAT-DOWN SEARCHES
Once a valid stop has been made, and consistent with the officer’s training and experience, an officer may pat a suspect’s outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- **(a)** The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- **(b)** Where more than one suspect must be handled by a single officer.
- **(c)** The hour of the day and the location or neighborhood where the stop takes place.
- **(d)** Prior knowledge of the suspect’s use of force and/or propensity to carry weapons.
- **(e)** The actions and demeanor of the suspect.
Contacts and Temporary Detentions

(f) Visual indications which suggest that the suspect is carrying a firearm or other weapon. Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

440.5 FIELD PHOTOGRAPHS
All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

440.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT
Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

440.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT
Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer’s reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

440.5.3 SUPERVISOR RESPONSIBILITIES
While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

440.6 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

(a) Identifying all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
Contacts and Temporary Detentions

2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Montebello Police Department members.

1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.
Criminal Organizations

442.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that the Montebello Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

442.1.1 DEFINITIONS
Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

442.2 POLICY
The Montebello Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this [department/office] to collect and share relevant information while respecting the privacy and legal rights of the public.

442.3 CRIMINAL INTELLIGENCE SYSTEMS
No [department/office] member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for [department/office] use.

Any criminal intelligence system approved for [department/office] use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for [department/office] use. The supervisor or the authorized designee should ensure the following:

(a) Members using any such system are appropriately selected and trained.
(b) Use of every criminal intelligence system is appropriately reviewed and audited.
(c) Any system security issues are reasonably addressed.

442.3.1 SYSTEM ENTRIES
It is the designated supervisor’s responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this [department/office], such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records
Criminal Organizations

Bureau. Any supporting documentation for an entry shall be retained by the Records Bureau in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Bureau are appropriately marked as intelligence information. The Records Supervisor may not purge such documents without the approval of the designated supervisor.

442.3.2 GANG DATABASES
The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor’s responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate, or affiliate in a shared gang database; or submitting a document to the Attorney General’s office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf, or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate, or affiliate in a shared gang database accessible by the [Department/Office], the basis for that designation, and the name of the agency that made the designation. The [Department/Office] shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation, which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate, or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the [department/office]’s decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Bureau after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.
Criminal Organizations

It is the responsibility of the Records Bureau supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

442.4 TEMPORARY INFORMATION FILE
No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the [department/office]-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

442.4.1 FILE CONTENTS
A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

(a) Must only be included upon documented authorization of the responsible [department/office] supervisor.
(b) Should not be originals that would ordinarily be retained by the Records Bureau or Property and Evidence Section, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Communications Center records or booking forms.
(c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
(d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

442.4.2 FILE REVIEW AND PURGING
The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.
442.5 INFORMATION RECOGNITION

[Department/Office] members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

[Department/Office] supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

442.6 RELEASE OF INFORMATION

[Department/Office] members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to [department/office] members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile’s name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

442.7 CRIMINAL STREET GANGS

The Investigation Bureau supervisor should ensure that there are an appropriate number of [department/office] members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
  1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
  2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
  3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
(b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.

(c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

442.8 TRAINING
The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

(a) The protection of civil liberties.

(b) Participation in a multiagency criminal intelligence system.

(c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.

(d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.

(e) The review and purging of temporary information files.

442.8.1 SHARED GANG DATABASE TRAINING
The Training Sergeant should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the [Department/Office] (Penal Code § 186.36; 11 CCR 751.6).
Watch Commanders

444.1 PURPOSE AND SCOPE
Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Lieutenant heads each watch.

444.2 DESIGNATION AS ACTING WATCH COMMANDER
When a Lieutenant is unavailable for duty as Watch Commander, in most instances the senior qualified sergeant shall be designated as acting Watch Commander. This policy does not preclude designating a less senior sergeant as an acting Watch Commander when operational needs require or training permits.
Mobile Digital Computer Use

448.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communications Center.

448.2 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

448.3 POLICY
Montebello Police Department members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

448.4 RESTRICTED ACCESS AND USE
MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Watch Commanders.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member’s name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

448.4.1 USE WHILE DRIVING
Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.
**Mobile Digital Computer Use**

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

### 448.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Watch Commander or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

1. All contacts or activity shall be documented at the time of the contact.
2. Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
3. Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

#### 448.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

#### 448.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

### 448.6 EQUIPMENT CONSIDERATIONS

#### 448.6.1 MALFUNCTIONING MDC

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Communications Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.
Mobile Digital Computer Use

448.6.2 BOMB CALLS
When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.
Portable Audio/Video Recorders

450.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Montebello Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

450.2 POLICY
The Montebello Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

450.3 MEMBER PRIVACY EXPECTATION
All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

450.4 ACTIVATION OF THE PORTABLE RECORDER
This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

(a) All enforcement and investigative contacts including stops and field interview (FI) situations
(b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
(c) Self-initiated activity in which a member would normally notify the Communications Center
(d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording.
Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

450.4.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER
Members of the [Department/Office] may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another [department/office] member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

450.4.2 CESSATION OF RECORDING
Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person’s attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

450.4.3 EXPLOSIVE DEVICE
Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

450.5 PROHIBITED USE OF PORTABLE RECORDERS
Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.
Portable Audio/Video Recorders

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

450.5.1 PROHIBITED USE OF BIOMETRIC SURVEILLANCE SYSTEM
The installation, activation, or use of biometric surveillance systems, including facial recognition, in connection with portable recorders is prohibited (Penal Code § 832.19).

450.6 IDENTIFICATION AND PRESERVATION OF RECORDINGS
To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

(a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
(b) A complainant, victim or witness has requested non-disclosure.
(c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
(d) Disclosure may be an unreasonable violation of someone’s privacy.
(e) Medical or mental health information is contained.
(f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

450.7 PURCHASE OF AUDIO RECORDER

(a) When an officer elects to carry an audio recorder, it shall be purchased and maintained by the individual officer.
(b) The audio recorder shall be carried either on the duty belt in an approved pouch that matches the duty belt in color and style or in the employee's uniform pocket.
(c) Batteries shall be purchased by the Department and issued to all authorized employees who elect to purchase and carry an audio recorder. The Watch Commander upon request shall issue supplies to the employee.
(d) Department purchased equipment may be of the type necessary to fulfill the requirements of the employee/duties.

450.8 REVIEW OF RECORDED MEDIA FILES
When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members
shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member’s performance.

Recorded files may also be reviewed:

(a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.

(b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.

(c) By media personnel with permission of the Chief of Police or the authorized designee.

(d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person’s privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

450.9 COORDINATOR
The Chief of Police or the authorized designee shall appoint a member of the [Department/Office] to coordinate the use and maintenance of portable audio/video recording devices and the storage of recordings, including (Penal Code § 832.18):

(a) Establishing a system for downloading, storing and security of recordings.

(b) Designating persons responsible for downloading recorded data.

(c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.

(d) Establishing a system for tagging and categorizing data according to the type of incident captured.

(e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.

(f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.

(g) Maintaining logs of access and deletions of recordings.

450.10 RETENTION OF RECORDINGS
Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):
Portable Audio/Video Recorders

(a) Incidents involving use of force by an officer
(b) Officer-involved shootings
(c) Incidents that lead to the detention or arrest of an individual
(d) Recordings relevant to a formal or informal complaint against an officer or the Montebello Police Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization’s records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

450.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS
Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.
Body Worn Cameras (BWC) and Mobile Audio Video (MAV)

451.1 PURPOSE AND SCOPE
The Department provides Body Worn Cameras (BWC) to all uniformed and non-uniformed personnel for use while on duty. These recorders are intended to assist personnel in the performance of their duties by providing audio and video records of contacts. Except as provided below, all enforcement and investigative contacts, as well as all contacts specifically related to a call for service, will be recorded to ensure we collect the best evidence for criminal investigations. These recordings will also provide additional evidence to resolve and be instrumental in resolving citizen complaints.

While recording obtained from BWC and MAV provide an objective record of these events, it is understood that video recordings captured by BWC and MAV provide a limited perspective and do not necessarily reflect the entire scene or experience or state of mind of the individual employee(s) in a given incident. Moreover, the video recording has limitations and may depict events differently than the events recalled by the involved employee. Specifically, it is understood the BWC and MAV may capture information that may not have been heard and/or observed by the involved employee and may not capture information observed by the employee. Accordingly, BWC and MAV video should be considered with all other available evidence, including witness statements, officer interviews, and forensic analysis.

451.1.1 BODY WORN CAMERA (BWC) AND MOBILE AUDIO VIDEO (MAV) EQUIPMENT
The BWC consists of a body-mounted video camera with a built-in microphone. The BWC is worn on the outside of an officer’s uniform (utilizing approved mounting options), facing forward to make video and audio recordings.

The MAV consists of cameras, recorder(s), and a monitor installed in a vehicle. MAV system vehicle installations should be based on officer safety requirements, as well as the vehicle and device manufacturers’ recommendations. The MAV is designed to turn on with Auto-Triggers (defined in 451.5.5 of this policy) and will remain on until it is turned off manually.

451.2 TRAINING
Prior to usage and deployment in the field, Officers assigned a BWC and MAV must complete Department approved training on the proper use and maintenance of the BWC and MAV and its associated devices.

451.3 OBJECTIVES
This policy provides Montebello Police Personnel with instructions on when and how to use BWC and MAV to ensure reliable recording of enforcement and investigative contacts with the public. One of our core responsibilities is providing transparency in the criminal justice system and to the public, and to ensure our actions are in line with Constitutional Policing and Procedural Justice.
The objectives of all personnel in law enforcement use of the Body-Worn Camera and Mobile Audio Video systems include:

- Collecting of Evidence for use in criminal investigations and prosecutions;
- Deterring criminal activity and uncooperative behavior during police-public interactions;
- Assisting officers with completing reports and providing testimony in court;
- Promoting accountability;
- Assisting in resolving complaints against officers;
- Providing additional information for officer evaluation, training and continuous improvement;
- Linking video metadata related to all criminal incidents to the crime report and incident documented in the Records Management System;

451.3.1 UNIFORMED PERSONNEL RESPONSIBILITIES (SWORN AND NON-SWORN)
Prior to going into service, each employee issued a BWC is responsible for making sure the BWC is in proper working order. Uniformed personnel assigned to field and enforcement duties during regular and extra-duty assignments shall wear the BWC on their person in a forward-facing position that is not obscured by clothing and/or equipment and facilitates comprehensive recording of the contact and/or incident. Uniformed personnel assigned to a specialized unit shall wear the BWC when leaving the police facility and into the public.

451.3.2 NON-UNIFORMED PERSONNEL RESPONSIBILITIES
All personnel wearing a BWC shall have their BWC powered on at all times while in public. Any detective/officer/investigator issued a BWC and assigned to a non-uniformed position shall carry and activate his/her department-issued BWC when making enforcement and investigative contacts and at any time the employee believes such a device may be beneficial to the situation.

Investigators working as undercover officers in the field may use discretion as to when to have the BWC concealed or when to record conversations.

All non-uniformed personnel who are executing pre-planned enforcement activities such as serving a search or arrest warrant or parole/probation searches shall wear and operate a BWC. Pre-planned police actions shall stipulate when BWC recordings should be initiated. This should be documented in the Operation Plan. BWC recordings shall commence prior to the initiation of the police action and in the same manner as described above. In the event, an employee is unable to initiate a BWC recording as directed above, or in any instance during which an employee determines a BWC cannot or should not be used, the employee shall document the reason the BWC was not activated and/or why a recording was delayed, interrupted or inadvertently terminated.

Non-uniformed employees shall be responsible for uploading their digital recordings in the same manner as described above for uniformed employees.
451.3.3 TRANSPORT OF PRISONER OR DETAINEE (ALL PERSONNEL)
While transporting a prisoner or detainee, all personnel shall record that transport with their BWC.

451.3.4 SUPERVISOR RESPONSIBILITIES
Supervisors and Managers assigned to any unit with BWC devices shall:

(a) Ensure that all BWC equipment is operational.
(b) Ensure employees upload all BWC recordings at the end of each shift, and
(c) Review relevant BWC recordings prior to submitting any administrative reports (e.g. non-categorical use of force investigations, pursuits, officer-involved traffic collisions)

Supervisors shall collect employee’s BWC and complete the download of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death, or other serious incidents, and ensure the data is downloaded (Penal Code 832.18).

Supervisors may activate the BWC and/or MAV system remotely to monitor a developing situation, such as a pursuit, riot, or an event that may threaten public safety, officer safety, or both, when the purpose is to obtain tactical information to assist in managing the event. A supervisor shall not remotely activate the BWC and/or MAV system for the purpose of monitoring the conversations or actions of an employee.

451.4 IDENTIFYING INFORMATION REQUIRED FOR BWC RECORDINGS
(DEMOGRAPHIC AND RETENTION DATA)
All criminal incidents shall have video metadata related to the crime report and incident documented in the Records Management System.

Computer-Aided Dispatch systems may Tag videos automatically, but it is the responsibility of the employee to ensure accurate video tag metadata to crime reports.

Employees may use either the mobile application or other data connection to review videos and add metadata information in the field. Metadata is the Case Number and/or Incident Number, Encounter Type, Search Tag, and Comments. The pre-downloaded review of video and tagging of videos with metadata does not change or alter the video.

451.4.1 COMMUNITY VIDEO AND DIGITAL EVIDENCE COLLECTION
Employees may use the mobile application and software for the Body-Worn Camera System to request and add video and digital evidence from the public. The use of a shared link or other data exchange services allows the Police Department to include videos and digital evidence from the public for inclusion in a law enforcement investigation.

451.5 ACTIVATION OF BODY WORN CAMERA
This policy is not intended to describe every possible situation in which BWC shall be used, although there are many situations where its use is appropriate. The BWC shall be activated in any of the following situations:
Body Worn Cameras (BWC) and Mobile Audio Video (MAV)

(a) All contacts with the public including stops, field interview (FI) situations, calls for service, and report calls
(b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance, and all crime interdiction stops
(c) Self-initiated activity in which an employee would normally notify dispatch
(d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Employees should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the employee that such privacy may outweigh any legitimate law enforcement interest in recording.

451.5.1 NON-ACTIVATION OF BODY WORN CAMERA
While Penal Code 632 prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation was private or confidential, Penal Code 633 expressly exempts law enforcement from this prohibition during the course of a criminal investigation.

451.5.2 NON-ACTIVATION: EMPLOYEES SHOULD DEACTIVATE THEIR BWC OR TAKE REASONABLE EFFORT TO STOP RECORDING IN ANY OF THE FOLLOWING SITUATIONS:

(a) Except during the course of a criminal investigation, during a conversation with any other member of this department without the express knowledge and consent of all parties. Nothing in this section is intended to interfere with an officer’s right to openly record any interrogation pursuant to Government Code 3303(g).
(b) During any non-work-related activity.
(c) Except during the course of a criminal investigation, in places where a reasonable expectation of privacy exists, such as locker rooms, dressing rooms, or restrooms.
(d) Whenever Officer safety would be compromised due to unexpected or sudden alteration; however, they shall activate the BWC as soon as it is practical and safe to do so. As in all enforcement or investigative contacts including vehicle and pedestrian stops, the safety of department personnel and members of the public are the highest priorities.
(e) Whenever a health care provider is discussing medical issues with a patient.
(f) Whenever a person in custody is consulting with an attorney, religious advisor, or licensed physician unless there is explicit consent from all parties to the conversation.
(g) While conferring with other Officers regarding the specifics or tactics of a call (The intention to stop the recording shall be noted by the officer verbally such that it is recorded by the BWC before the deactivation. When the conversation has ended, the member shall reactivate the camera promptly and the member shall note verbally that the recording has continued)
451.5.3 RECORDING OF THE ENTIRE CONTACT

The BWC shall continue recording until the investigation or enforcement activity involving a member of the public has ended, or the call has been cleared with dispatch. If enforcement or investigative activity with a member of the public resumes, the officer shall activate the BWC and continue recording.

After receiving pertinent information from personnel directly involved in a critical incident and when safe to do so (Use of Force involving GBI and/or Officer-involved shooting) a supervisor shall collect the BWC from the involved personnel and have him/her return to the station.

If circumstances present any employee with the need to continue recording of an incident that is not viewable from their body position or personal safety, it is permissible for the employee to place the BWC on a surface that provides a better vantage point. The BWC is designed to be on the employee, but this tactical placement may be used in tactical incidents when the body position or personal safety position reduces the effective view for documenting evidence or actions during an incident.

Employees may place the BWC in a police vehicle and law enforcement facilities for the purpose of collecting evidence, such as when persons are present who are a subject in a criminal investigation.

451.5.4 PRE-RECORDED ACTIVATION VIDEO EVIDENCE

The design of the Body-Worn Camera System has a Prerecord feature that captures the video, without audio, for 60 seconds preceding the activation by either the officer or the auto-triggers. This feature will provide some visual information, but no audio. The auto-triggers designed to activate the camera are wireless devices installed typically in vehicles to activate the Body-Worn Camera. This technology has a limited range and may not always initiate a new video recording and or capture the preceding 60 seconds of prerecorded video evidence; therefore, it shall be the employee’s responsibility to ensure that the Body-Worn Camera and Mobile Audio Video is turned on.

451.5.5 AUTO-TRIGGER OF BODY WORN CAMERA

The policy of the Montebello Police Department is to have each body-worn video camera programmed to work with police vehicle installed auto-triggering devices known as BITS. The Auto-Triggering devices are programmed to send a wireless signal to Body-Worn Cameras within a short-range to initiate a video. The device requires reasonably close proximity. Wireless interference distance and unpredictable issues may interfere with this auto-activation. While it is the intention of the police agency to automatically start a video record when the trigger is activated, it is still the responsibility of the employee to ensure a recording is active as required by policy.

Examples of Auto-triggering setting for police vehicles and Body Worn Cameras may include:

(a) Activation of Forward-Facing Red Emergency Lights and Equipment
(b) Activation of Code 3 Emergency Lights and Siren
(c) Speed of the vehicle exceeding 75 MPH
(d) Release of Long Rifle, Less Lethal Shotgun or Shotgun during patrol operations
(e) Other capable vehicle connected technology settings
(f) Drawing a taser or a firearm

Other action triggers may be included as technology and capability become available.

Employees shall utilize the Auto-triggering device by pairing the BWC to the vehicle when they are the driver of an equipped vehicle.

451.5.6 ADVISEMENT ABOUT RECORDING
Private citizens do not have a reasonable expectation of privacy when talking with police personnel during the scope of an officer’s official duties. Private citizens may have a reasonable expectation of privacy in their homes or place of business except when officers are lawfully present during the course of official duties (warrant, consent exigent circumstances). Therefore, employees are not required to give notice they are recording and/or obtain consent.

451.5.7 EXPLOSIVE DEVICE
Many portable recorders, including BWC and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, BWC should not be used where an explosive device may be present.

451.6 DOCUMENTING USE OF BODY WORN CAMERA
A critical factor in the retention of BWC and MAV videos is tagging the video with important details with metadata to ensure the video is easily retrievable for use as evidence. A critical task for incidents that require a completed police report is to ensure the Records Management System and BWC System both have indicators of the presence of a video record. The Record Management system has a Data Field which allows the selection of a Circumstance Code. A Circumstance Code references “BWC#” shall be selected for all police reports. This code will indicate a BWC Camera recording meets the retention requirements as outlined in this policy.

451.7 STATEMENTS AND REPORTING
All police reports documenting incidents during which a BWC and MAV were activated shall include written documentation that a video was recorded. The Circumstance Code in the CAD incident for all criminal reports will document the use of a Body-Worn Camera for the report. If for any reason, an officer fails to activate his or her BWC, as required under this policy, that information must be documented within the police report or in a memorandum.

451.9 REVIEW OF BWC AND MAV MEDIA FILES BY PERSONNEL

The accuracy of police reports, officers’ statements, and other official documentation is essential for the proper administration of justice and complying with the Department’s obligation to maintain full and complete records of enforcement and investigative activities. Investigators, supervisors, prosecutors, and other officials rely on complete and accurate records to perform their essential duties and responsibilities. Therefore, officers should review BWC and/or MAV recordings on their assigned device or authorized computer prior to documenting an incident, arrest, search, interview, use of force, or other enforcement or investigative activity to ensure that their reports, statements, and documentation are accurate and complete. The Department personnel should also review recordings for the following reasons:

(a) To test the device to ensure it is operating properly
(b) A follow-up to an assigned criminal investigation
(c) Prior to courtroom testimony or a courtroom presentation
(d) By an authorized supervisor/investigator participating in an investigation or inquiry of meritorious conduct, personnel complaint, or administrative or criminal investigation
(e) Pursuant to lawful process or by court order

In the event, video files are utilized for training purposes and the involved employee object to the use of the video, such objection shall be submitted to the employee’s Lieutenant. The value of the video for training will be weighed against the employee’s objections and the basis for the objection. In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

451.9.1 PROCEDURE FOR THE REVIEWING OF BWC AND/OR MAV IN OFFICER INVOLVED SHOOTING OR IN CUSTODY DEATH INCIDENTS:

If an officer is involved in a Use of Force, such as an officer-involved shooting, an officer shall not review his or her BWC until authorized by the assigned investigations supervisor. Once authorized, the officer shall review his or her BWC and/or MAV recording and any other relevant BWC and/or MAV footage as deemed necessary and appropriate by the assigned investigations supervisor, prior to being interviewed by investigators. An officer may have a representative...
present during the review of BWC and/or MAV recordings without the investigator or supervisor present. The separating and monitoring of officers involved in an Officer-Involved Shooting or In-Custody Death Use of Force incident shall be maintained during the review of BWC and/or MAV recordings and a review shall not occur jointly among involved employees.

451.9.2 PROHIBITIONS FOR EMPLOYEE ACCESS TO BODY WORN CAMERA AND/OR MOBILE AUDIO VIDEO REVIEW
Employee shall not review, access, use, release, obtain, or convert any recordings obtained during the course and scope of their duties for personal use. The following are specifically prohibited:

(a) Making personal copies of official recordings
(b) Re-recordings of videos with personal and/or department issued devices (Cell phone, camera, or any device that has the capability to record video and sound)
(c) The posting of official video and/or audio to any non-department sponsored social networking, personal social media account, or website
(d) The posting of recordings on any department-sponsored website without express permission from the Chief of Police or his/her designee (any video posted on a department-sponsored social media or another website will thereafter be considered public information); and
(e) Taking any action that would result in altering or deleting the content of any recording, except as directed to request removal pursuant to 451.11.2 UNINTENDED OR ACCIDENTAL RECORDINGS

Penal Code 141 makes it a felony for any police officer to knowingly, willfully, intentionally, and/or wrongfully alter or modify any digital image or recording with the intent to cause any person to be charged with a crime. Violation(s) shall result in departmental disciplinary action.

All recordings made by members of any department-issued device at any time, and any recording made while acting in an official capacity for the department, regardless of the ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

451.10 PERFORMANCE AUDITING OF PERSONNEL
Performance History Audits are collections of data designed to assist supervisors in evaluating the performance of their employees. Performance History Audits can help identify commendable performance as well as early recognition of training needs and other potential issues. While it is understood that the statistical compilation of data may be helpful to supervisors, it cannot account for and must be carefully balanced with the many variables in law enforcement.

451.10.1 AUDIT FUNCTION
For the purposes of ensuring police-related incidents are being recorded in accordance with this policy, supervisors and managers shall periodically audit (once a week during the trial phase) the system to determine usage. Auditing of BWC and MAV recordings will be conducted on a deployment period basis. The audits shall be random in nature. Three BWC and/or MAV
recordings shall be selected for each employee audit and the associated case numbers shall be documented as outlined in this policy.

451.10.2 AUDIT RESPONSIBILITY
The auditing of employee’s actions in the field is the responsibility of supervision and management of any law enforcement organization. The policy of the Montebello Police Department is to utilize the resource of BWC and MAV in conjunction with the internal control for management, supervision, and evaluation of employee performance.

The purpose of this policy is to provide the supervisor and managers with guidelines to ensure proper use of the BWC/MAV and performance of field personnel during daily activities. The audit responsibility is not a component of dealing with complaints from the public, internal inquires of activity related to conduct or employee misconduct.

Each Supervisor is required to conduct an audit of BWC and MAV usage by personnel during the deployment period. The Audit of each employee is designed to provide the supervisor with useful information to be included in the annual performance evaluation of the employee.

Audits shall be of activity related to the assignment of the personnel supervised during the deployment period and within the three randomly selected video incidents:

For example, an audit for uniformed personnel as an example would include:

(a) Traffic Stop or enforcement contact
(b) Criminal Crime report call for service
(c) Disturbance complaint call that does not conclude in report or arrest

An audit for non-uniformed personnel (Detectives) as an example would include:

(a) Criminal suspect interview
(b) Victim interview
(c) Witness interview

These incidents shall not be all on the same date and must take place within the deployment period the supervisor works with the employee as an assigned employee.

At the conclusion of the audit, the supervisor shall email the audited employee the details of the video audited (Date, time, and location if known) and a determined finding.

Audit Finding Sections:

(a) Completed and handled without comment
(b) Completed with a compliment towards professionalism, courtesy, service and/or respect
(c) Employee should review video for training and consider improving
(d) Inquire about actions or inaction related to the incident of a crime report, criminal violation by suspect or charges
(e) Concern about level of professionalism, courtesy, service and/or respect
(f) Referral to Professional Standards via memorandum to the Division Captain

All audit reviewed videos by supervisors will require an individual email sent to the employee by their direct supervisor and must document the findings. A supervisor would be in violation of this policy if conducting an audit of a video without notification to the employee by not sending an email to the employee within the week of the audit review.

451.10.3 ACCESS BY SUPERVISORS AND INVESTIGATORS
Other than auditing purposes, BWC and MAV videos shall not be accessed absent (1) Criminal Investigation, (2) Crime Report documenting and approval process, (3) An administrative investigation as directed by the Chief of Police, or (4) Active civil litigation. Access to historical data other than the above-referenced matters shall require written authorization by the Chief of Police or his or her designee.

451.10.4 SUPERVISOR’S RESPONSIBILITIES
Supervisors shall not audit multiple BWC and/or MAV and only send a single email to cover all reviewed videos. The BWC and MAV system is designed to capture a digital fingerprint of all persons that view videos for the system. Failure to document an audit of a video with proper email notification is a violation of this policy.

451.10.5 REPEATED FAILURE TO ACTIVATE BODY WORN CAMERA
This section is intended to outline guidelines for action due to willful and/or repeated non-activation of BWC and MAV by employees. Employees are expected to have on the person and using a BWC when in public and involved in law enforcement activity.

A supervisor may utilize a conference summary memorandum in order to provide clear direction for use. Continued failure to activate the BWC and/or MAV may be addressed by discipline for violation of the Montebello PD Policy of 340 Standards of Conduct.

451.11 MANAGEMENT OF BWC AND MAV SYSTEM
The BWC and MAV recordings capture video and audio evidence for use in criminal investigations, administrative reviews, and other proceedings protected by confidentiality laws and department policy. The public release of recordings is determined on a case-by-case basis, utilizing a good faith balancing test of competing interests of government transparency and accountability, privacy rights, and governmental effectiveness.

451.11.1 RELEASE OF POLICE VIDEO RECORDINGS
The department will publicly release or withhold recordings, or redacted portions thereof, in accordance with department policy, federal and state law, namely the California Public Records Act and the nonexclusive sections of 6254, 6255, and 6275 et seq. of the California Government Code. Unauthorized use or release of BWC and MAV recordings can subject the department, city,
and their officials to civil and, in some cases, criminal liability. However, after consideration of any existing privacy rights, there may be a situation in which the department desires to release digital media in the interest of public safety, accountability or transparency. Therefore, public release of any and all BWC and MAV recordings are subject to the prior review and authorization of the Chief of Police or his/her designee. Unauthorized use or release of BWC and/or MAV recordings in violation of confidentiality laws, state and federal laws, and department policies are considered misconduct and subject to disciplinary action.

The Chief of Police has the discretion to allow viewing or release of recorded files if the Chief determines it is in the best interest of the Police Department or the City of Montebello. When appropriate, every effort will be made to notify involved employees prior to release.

451.11.2 UNINTENDED OR ACCIDENTAL RECORDINGS
In the event any employee inadvertently records anything with the BWC and/or MAV that is not evidentiary in nature or not part of an enforcement incident, the employee may request the video to be moved to an Unintended or Accidental Recording file. Examples of this would be the employee using the restroom, going into the locker room, going into the courtroom, or entering some other area with an expectation of privacy not related to an official investigation or incident.

The process to request to move an Unintended or Accidental Recording file shall be the following:

(a) Submit an email to the BWC/MAV Administrator containing the date and time of the recording and the circumstances of the inadvertent recording
(b) The BWC/MAV Administrator shall review the video to decide if the recording was accidental and contains no evidentiary value before determining the necessity to move the video to the Unintended or Accidental Recording file
(c) If the video depicts private images involving the opposite sex of the BWC/MAV Administrator, a custodian of records designated by the Chief of Police, (same-sex as depicted in the recording) shall review the video and advise the BWC/MAV Administrator whether the video is suitable to be moved to the Unintended or Accidental Recording file.
(d) Once the administrative review of the video is completed, the BWC/MAV Administrator shall forward a recommendation to the Office of the Chief of Police to either retain or move the video in question to the Unintended or Accidental Recording file.
(e) The Chief of Police will have the ultimate authority for the retention of the video.

451.11.3 45-DAY TRANSITION PERIOD
During the first 45 days an employee is assigned a BWC, following completion of training, unintentional deviations in policy and procedure in the use and deployment of a BWC/MAV system will be considered training issues. During the transition period, employees should receive non-documented counseling and training only. Supervisor comment entries should not be generated.

NOTE: This does not apply to intentional acts to circumvent department policy, such as intentionally not activating a BWC/MAV system when required, intentionally de-activating a BWC/
MAV system prior to completion of an incident, or disabling or tampering with a BWC/MAV system. Such acts will not be considered a training issue and will be subject to disciplinary action.

451.11.4 DAMAGED, MALFUNCTIONING, OR INOPERABLE EQUIPMENT
In the event that a BWC/MAV system malfunctions or is damaged, the employee shall notify the Watch Commander and notify via email to the BWC/MAV Administrator. The employee shall provide the malfunctioning or damaged BWC to the Watch Commander and obtain a functional BWC as soon as practicable.

451.11.5 BWC AND MAV ADMINISTRATOR
The Chief of Police shall designate a BWC/MAV Administrator who has oversight responsibilities including, but not limited to:

(a) Documenting system malfunctions as well as equipment failures related to BWC and MAV;
(b) Properly training administrative staff regarding the use, retention and confidentiality of video records;
(c) Maintain digital video files and equipment in a secure and confidential environment and released only in accordance with this Policy and applicable federal, state, local statutes and other applicable laws;
(d) Issue BWC devices and provide BWC and MAV training and instruction on use and operation of BWC and MAV
(e) Coordinate with the vendor when there is an equipment failure and needs to be replaced/repaired and;
(f) Provide recommendations on additional policy development and equipment integrity.
Medical Marijuana

452.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of this [department/office] with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California’s medical marijuana laws.

452.1.1 DEFINITIONS
Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient’s housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).
Medical Marijuana

452.2 POLICY
It is the policy of the Montebello Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California’s medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Montebello Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

452.3 INVESTIGATION
Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

(a) Investigations when no person makes a medicinal claim.
(b) Investigations when a medicinal claim is made by a cardholder.
(c) Investigations when a medicinal claim is made by a non-cardholder.

452.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM
In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

452.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER
A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

(a) The information contained in the card is false or falsified.
(b) The card has been obtained or used by means of fraud.
(c) The person is otherwise in violation of the provisions of the MMP.
(d) The person possesses marijuana but not for personal medical purposes.
Medical Marijuana

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient’s medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

452.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

452.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

(a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:

1. The suspect has been identified and can be easily located at a later time.
2. The case would benefit from review by a person with expertise in medical marijuana investigations.
3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
Medical Marijuana

4. Other relevant factors, such as available [department/office] resources and time constraints prohibit making an immediate arrest.

(b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient’s needs:

1. The amount of marijuana recommended by a medical professional to be ingested.
2. The quality of the marijuana.
3. The method of ingestion (e.g., smoking, eating, nebulizer).
4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
5. Whether the marijuana is being cultivated indoors or outdoors.

(c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).

(d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

452.3.5 EXCEPTIONS
This policy does not apply to, and officers should consider taking enforcement action for the following:

(a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).

(b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).

(c) Smoking marijuana (Health and Safety Code § 11362.79):

1. In any place where smoking is prohibited by law.
2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
3. On a school bus.
4. While in a motor vehicle that is being operated.
5. While operating a boat.
Medical Marijuana

(d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

452.3.6 INVESTIGATIONS INVOLVING A STATE LICENSEE
No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

452.4 FEDERAL LAW ENFORCEMENT
Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

452.5 PROPERTY AND EVIDENCE SECTION SUPERVISOR RESPONSIBILITIES
The Property and Evidence Section supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property and Evidence Section supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor’s decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Section supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property and Evidence Section supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Bureau supervisor.
Toxic Spill Response Plan

453.1 PURPOSE AND SCOPE
The purpose of this plan is to establish the legal authority, responsibilities, and actions to be taken to minimize the danger caused by the release or potential release of a hazardous material and to meet federal, state, and local reporting requirements.

453.1.1 LEGAL AUTHORITY
(a) City of Montebello Emergency Plan
(b) California Emergency Plan
(c) California Master Mutual Aid Agreement
(d) California Hazardous Material Incident Response Plan
(e) California Health and Safety Code Sections 25115, 25117, 25600-25610
(f) Vehicle Code Sections 2450, 2454, 2453, 2554
(g) California Government Code Sections 8574.7-8594-9
(h) Penal Code Sections 409.5

453.2 SCOPE
This plan provides guidance for the police Department's co-ordination of inter-agency/inter-jurisdiction response to a hazardous material incident. The plan may be used to cover releases from fixed facilities, transportation accidents or illegal dumping.

Montebello is located near major freeways; has two major railroad routes; has numerous trucking facilities; and in the northern boundaries are located the oil and gas facilities (Montebello Oil Fields). Because of this situation, Montebello finds itself in the position that an incident involving a hazardous material could occur at any time.

453.3 RESPONSE
Upon notification of a possible hazardous material release:
(a) Police and Fire Department units shall be dispatched.
(b) If the spill originates on a street, Police Department shall be the lead agency.
(c) If the spill originates on property, Fire Department shall be the lead agency.
(d) The lead agency shall establish a command post upwind/uphill from the incident.

453.3.1 SAFETY PRECAUTIONS - FIRST OFFICER ON THE SCENE
(a) Approach cautiously from upwind. Resist the urge to rush in; others cannot be helped until the situation has been fully assessed.
Toxic Spill Response Plan

(b) Secure the scene. Without entering the immediate hazard area, isolate the area and assure the safety of people and the environment, keep people away from the scene and outside the safety perimeter. Allow enough room to move and remove your own equipment.

(c) Identify the hazards. Placards, container labels, shipping documents, material safety data sheets, rail car and road trailer identification charts, and/or knowledgeable persons on the scene are valuable information sources. Evaluate all available information and consult the recommended guide to reduce immediate risks, additional information, provided by the shipper or obtained from another authoritative source, may change some of the emphasis or details found in the guide. Remember, the guide provides only the most important and worst case scenario information for the initial response in relation to a family or class of dangerous goods. As more material-specific information becomes available, the response should be tailored to the situation.

(d) Assess the situation. Consider the following:

1. Is there a fire, a spill or a leak?
2. What are the weather conditions?
3. What is the terrain like?
4. Who/what is at risk: people, property or the environment?
5. What actions should be taken: is an evacuation necessary? Is diking necessary? What resources (human and equipment) are required and are readily available? What can be done immediately?
6. Obtain help. Advise your headquarters to notify responsible agencies and call for assistance from qualified personnel.

(e) Decide on site entry. Any efforts made to rescue persons, protect property or the environment must be weighed against the possibility that you could become part of the problem. Enter the area only when wearing appropriate protective gear.

(f) Respond in an appropriate manner. Establish a command post and lines of communication. Rescue casualties where possible and evacuate if necessary. Maintain control of the site. Continually reassess the situation and modify the response accordingly. The first duty is to consider the safety of people in the immediate area, including your own.

(g) Above all, do not walk into or toward spilled material. Avoid inhalation of fumes, smoke and vapors, even if no dangerous goods are known to be involved. Do not assume that gases or vapors are harmless because of lack of a smell; odorless gases or vapors may be harmful.
Toxic Spill Response Plan

453.3.2 RESPONSIBILITIES OF THE FIRST OFFICER ON THE SCENE

(a) Evacuate the scene.

(b) Determine the material spill from:
   1. Labels

   6. If train, conductor for bills of lading

(c) Determine hazard - if hazardous or unknown:
   1. Avoid inhalation
   2. Stay upwind and uphill
   3. Clear and control the scene; move and help people away from the incident
   4. Evaluate the area - if necessary
   5. Request assistance
   6. Detail and isolate any person who may have come in contact with the material

(d) In life threatening emergencies conduct rescue using proper safety equipment.
   1. Any substance shall be considered hazardous until proven otherwise.
   2. Any substance where your body reacts when in the area of the material shall be considered hazardous, i.e., watering of the eyes, burning skin, bad smell, etc.

(e) Advise Communications of all actions and information.

(f) Take appropriate actions.

(g) If material is known, refer to "Department of Transportation - 2000 Emergency Response Guide - Copy in the Watch Commander's Office and in patrol units.

(h) If material is known but there are placards, refer to Guidebook for appropriate actions and continue to try to identify material.

(i) If the substance cannot be identified, the following distances reflect the maximum distance listed for 50 selected materials by category (minimum 2000 feet all directions):
   1. Flammable - 5 miles long x 3 miles wide
   2. Non-flammable - 2-1/2 miles long x 1-3/4 miles wide
3. Corrosive - 2-1/2 miles long x 1-1/2 miles wide
4. Chlorine - 2 miles long x 1-1/2 miles wide
5. Flammable gas - 5 miles long x 3 miles wide
6. Poison - 1 mile long x 1 mile wide
7. Poison gas - 5 miles long x 3 miles wide
8. Oxidizers - 3/4 mile long x 1/3 mile wide

(f) Coordinate evacuation.
(g) Assist in identification of material.
(h) Take all feasible steps to protect life.
(i) Prevent handling of all substances except by trained personnel.
(j) Identify and isolate all persons who may come in contact with substance.
(k) Ensure all persons who may have come in contact with substance has been decontaminated.
(l) If contaminated persons require hospitalization, notify emergency personnel of danger.
Bicycle Patrol Unit

454.1 PURPOSE AND SCOPE
The Montebello Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

454.2 POLICY
Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Watch Commander.

454.3 SELECTION OF PERSONNEL
Interested sworn personnel, who are off probation, shall submit a change of assignment request to their appropriate Division Commander. A copy will be forwarded to the BPU supervisor. Qualified applicants will then be invited to an oral interview. The oral board will consist of the BPU supervisor and second person to be selected by the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

(a) Recognized competence and ability as evidenced by performance.
(b) Special skills or training as it pertains to the assignment.
(c) Good physical condition.
(d) Willingness to perform duties using the bicycle as a mode of transportation.

454.3.1 BICYCLE PATROL UNIT SUPERVISOR
The Bicycle Patrol Unit supervisor will be selected from the rank of sergeant by the Uniform Services Division Commander or his/her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

(a) Organizing bicycle patrol training.
(b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
(c) Scheduling maintenance and repairs.
(d) Evaluating performance of bicycle officers.
(e) Coordinating activities with the Uniform Services Division.
(f) Other activities as required to maintain the efficient operation of the Bicycle Patrol Unit.

454.4 TRAINING
Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive twice yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

454.5 UNIFORMS AND EQUIPMENT
Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

454.6 CARE AND USE OF PATROL BICYCLES
Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a "POLICE" decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.
Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

454.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

(a) In response to an emergency call.
(b) While engaged in rescue operations.
(c) In the immediate pursuit of an actual or suspected violator of the law.
Foot Pursuits

458.1 PURPOSE AND SCOPE
This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

458.1.1 POLICY
It is the policy of this department when deciding to initiate or continue a foot pursuit that officers must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department personnel, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department personnel.

458.2 DECISION TO PURSUE
The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual’s involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

(a) Containment of the area.
Foot Pursuits

(b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
(c) A canine search.
(d) Thermal imaging or other sensing technology.
(e) Air support.
(f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

458.3 GENERAL GUIDELINES
When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

(a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
(b) The officer is acting alone.
(c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
(d) The officer is unsure of his/her location and direction of travel.
(e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
(f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
(g) The officer loses radio contact with the [dispatcher or with assisting or backup officers.
(h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
(i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
(j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
(k) The officer loses possession of his/her firearm or other essential equipment.
Foot Pursuits

(l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.

(m) The suspect’s location is no longer definitely known.

(n) The identity of the suspect is established or other information exists that will allow for the suspect’s apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.

(o) The officer’s ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

458.4 RESPONSIBILITIES IN FOOT PURSUITS

458.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

(a) Location and direction of travel
(b) Call sign identifier
(c) Reason for the foot pursuit, such as the crime classification
(d) Number of suspects and description, to include name if known
(e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the [dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.
458.4.2 ASSISTING OFFICER RESPONSIBILITIES
Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

458.4.3 SUPERVISOR RESPONSIBILITIES
Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

458.4.4 THE COMMUNICATIONS CENTER RESPONSIBILITIES
Upon notification or becoming aware that a foot pursuit is in progress, the [dispatcher is responsible for:

(a) Clearing the radio channel of non-emergency traffic.
(b) Coordinating pursuit communications of the involved officers.
(c) Broadcasting pursuit updates as well as other pertinent information as necessary.
(d) Ensuring that a field supervisor is notified of the foot pursuit.
(e) Notifying and coordinating with other involved or affected agencies as practicable.
(f) Notifying the Watch Commander as soon as practicable.
(g) Assigning an incident number and logging all pursuit activities.

458.5 REPORTING REQUIREMENTS
The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum:

(a) Date and time of the foot pursuit.
(b) Initial reason and circumstances surrounding the foot pursuit.
(c) Course and approximate distance of the foot pursuit.
(d) Alleged offenses.
(e) Involved vehicles and officers.
(f) Whether a suspect was apprehended as well as the means and methods used.
1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.

   (g) Arrestee information, if applicable.

   (h) Any injuries and/or medical treatment.

   (i) Any property or equipment damage.

   (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

458.6 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.
Automated License Plate Readers (ALPRs)

462.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

462.2 ADMINISTRATION
The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Montebello Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Investigations Division Commander. The Investigations Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

462.2.1 ALPR ADMINISTRATOR
The Investigations Division Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

(a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.

(b) Training requirements for authorized users.

(c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.

(d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.

(e) The title and name of the current designee in overseeing the ALPR operation.

(f) Working with the Custodian of Records on the retention and destruction of ALPR data.

(g) Ensuring this policy and related procedures are conspicuously posted on the department’s website.

462.3 OPERATIONS
Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

(a) An ALPR shall only be used for official law enforcement business.
(b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.

(c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.

(d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.

(e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.

(f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

462.4 DATA COLLECTION AND RETENTION
The Investigations Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6) and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

462.5 ACCOUNTABILITY
All data will be closely safeguarded and protected by both procedural and technological means. The Montebello Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

(a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).

(b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
Automated License Plate Readers (ALPRs)

(c) ALPR system audits should be conducted on a regular basis.
For security or data breaches, see the Records Release and Maintenance Policy.

462.6 POLICY
The policy of the Montebello Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public. All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

462.7 RELEASING ALPR DATA
The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

(a) The agency makes a written request for the ALPR data that includes:
   1. The name of the agency.
   2. The name of the person requesting.
   3. The intended purpose of obtaining the information.

(b) The request is reviewed by the Investigations Division Commander or the authorized designee and approved before the request is fulfilled.

(c) The approved request is retained on file.
Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

462.8 TRAINING
The Training Sergeant should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).
Homeless Persons

464.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Montebello Police Department recognizes that members of the homeless community are often in need of special protection and services. The Montebello Police Department will address these needs in balance with the overall mission of this [department/office]. Therefore, officers will consider the following when serving the homeless community.

464.1.1 POLICY
It is the policy of the Montebello Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this [department/office] will not use homelessness solely as a basis for detention or law enforcement action.

464.2 HOMELESS COMMUNITY LIAISON
The Chief of Police will designate a member of this [department/office] to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

(a) Maintain and make available to all [department/office] employees a list of assistance programs and other resources that are available to the homeless.

(b) Meet with social services and representatives of other organizations that render assistance to the homeless.

(c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.

(d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
   1. Proper posting of notices of trespass and clean-up operations.
   2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.

(e) Be present during any clean-up operation conducted by this [department/office] involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.

(f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.
464.3 FIELD CONTACTS
Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

464.3.1 OTHER CONSIDERATIONS
Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

(a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
(b) Document places the homeless person may frequent.
(c) Provide homeless victims with victim/witness resources when appropriate.
(d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
(e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Senior and Disability Victimization Policy.
(f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
(g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

464.4 PERSONAL PROPERTY
The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be
taken to remove or secure the property. It will be the supervisor’s responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the [department/office] Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the [department/office] Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

464.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT
Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (See Policy § 418).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

464.6 ECOLOGICAL ISSUES
Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.
Public Recording of Law Enforcement Activity

465.1 PURPOSE AND SCOPE
This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

465.2 POLICY
The Montebello Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

465.3 RECORDING LAW ENFORCEMENT ACTIVITY
Members of the public who wish to record law enforcement activities are limited only in certain aspects.

(a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).

(b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:

1. Tampering with a witness or suspect.
2. Inciting others to violate the law.
3. Being so close to the activity as to present a clear safety hazard to the officers.
4. Being so close to the activity as to interfere with an officer’s effective communication with a suspect or witness.

(c) The individual may not present an undue safety risk to the officers, him/herself or others.

465.4 OFFICER RESPONSE
Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or
behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

465.5 SUPERVISOR RESPONSIBILITIES
A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

(a) Request any additional assistance as needed to ensure a safe environment.
(b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
(c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
(d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
(e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

465.6 SEIZING RECORDINGS AS EVIDENCE
Officers should not seize recording devices or media unless (42 USC § 2000aa):

(a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
   1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
(b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
(c) The person consents.
   1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
   2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the
Public Recording of Law Enforcement Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.
Civil Disputes

466.1 PURPOSE AND SCOPE
This policy provides members of the Montebello Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

466.2 POLICY
The Montebello Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this [department/office] will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

466.3 GENERAL CONSIDERATIONS
When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

(a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.

(b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.

(c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.

(d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.

(e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.
466.4 COURT ORDERS
Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

(a) The person’s knowledge of the court order or whether proof of service exists.
(b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

466.4.1 STANDBY REQUESTS
Officer responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

466.5 VEHICLES AND PERSONAL PROPERTY
Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

466.6 REAL PROPERTY
Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.
Mobile Audio/Video

467.1 PURPOSE AND SCOPE
The Montebello Police Department has equipped marked patrol cars with Mobile Audio/Video (MAV) recording systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

467.1.1 DEFINITIONS
Definitions related to this policy include:

Activate - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Audio/Video (MAV) system - Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

MAV technician - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

467.2 POLICY
It is the policy of the Montebello Police Department to use mobile audio and video technology to more effectively fulfill the [department/office]’s mission and to ensure these systems are used securely and efficiently.

467.3 OFFICER RESPONSIBILITIES
Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the [Department/Office] any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Montebello Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system’s operation in accordance with manufacturer specifications and [department/office] operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.
467.4 ACTIVATION OF THE MAV
The MAV system is designed to turn on whenever the unit’s emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

467.4.1 REQUIRED ACTIVATION OF MAV
This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

(a) All field contacts involving actual or potential criminal conduct within video or audio range:
   1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
   2. Priority responses
   3. Vehicle pursuits
   4. Suspicious vehicles
   5. Arrests
   6. Vehicle searches
   7. Physical or verbal confrontations or use of force
   8. Pedestrian checks
   9. DWI/DUI investigations including field sobriety tests
   10. Consensual encounters
   11. Crimes in progress
   12. Responding to an in-progress call

(b) All self-initiated activity in which an officer would normally notify the Communications Center

(c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
   1. Domestic violence calls
   2. Disturbance of peace calls
Mobile Audio/Video

3. Offenses involving violence or weapons
   (d) Any other contact that becomes adversarial after the initial contact in a situation that
       would not otherwise require recording
   (e) Any other circumstance where the officer believes that a recording of an incident would
       be appropriate

467.4.2 CESSATION OF RECORDING
Once activated, the MAV system should remain on until the incident has concluded. For purposes
of this section, conclusion of an incident has occurred when all arrests have been made, arrestees
have been transported and all witnesses and victims have been interviewed. Recording may
cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar
situations.

Members shall cease audio recording whenever necessary to ensure conversations are not
recorded between a person in custody and the person’s attorney, religious advisor or physician,
unless there is explicit consent from all parties to the conversation (Penal Code § 636).

467.4.3 WHEN ACTIVATION IS NOT REQUIRED
Activation of the MAV system is not required when exchanging information with other officers or
during breaks, lunch periods, when not in service or actively on patrol.

No member of this [department/office] may surreptitiously record a conversation of any other
member of this [department/office] except with a court order or when lawfully authorized by
the Chief of Police or the authorized designee for the purpose of conducting a criminal or
administrative investigation.

467.4.4 SUPERVISOR RESPONSIBILITIES
Supervisors should determine if vehicles with non-functioning MAV systems should be placed into
service. If these vehicles are placed into service, the appropriate documentation should be made,
including notification of the Communications Center.

At reasonable intervals, supervisors should validate that:
   (a) Beginning and end-of-shift recording procedures are followed.
   (b) Logs reflect the proper chain of custody, including:
       1. The tracking number of the MAV system media.
       2. The date it was issued.
       3. The law enforcement operator or the vehicle to which it was issued.
       4. The date it was submitted.
       5. Law enforcement operators submitting the media.
       6. Holds for evidence indication and tagging as required.
(c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, [department/office]-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

467.5 REVIEW OF MAV RECORDINGS

All recording media, recorded images and audio recordings are the property of the [Department/Office]. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the [department/office] MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

(a) For use when preparing reports or statements
(b) By a supervisor investigating a specific act of officer conduct
(c) By a supervisor to assess officer performance
(d) To assess proper functioning of MAV systems
(e) By [department/office] investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
(f) By [department/office] personnel who request to review recordings
(g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
(h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
(i) By the media through proper process or with permission of the Chief of Police or the authorized designee

(j) To assess possible training value

(k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Watch Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

467.6 DOCUMENTING MAV USE
If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

467.7 RECORDING MEDIA STORAGE AND INTEGRITY
Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

467.7.1 COPIES OF ORIGINAL RECORDING MEDIA
Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

467.7.2 MAV RECORDINGS AS EVIDENCE
Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Montebello Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.
467.8 SYSTEM OPERATIONAL STANDARDS

(a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer’s recommendations.

(b) The MAV system should be configured to minimally record for 30 seconds prior to an event.

(c) The MAV system may not be configured to record audio data occurring prior to activation.

(d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer’s transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.

(e) Officers using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.

(f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.

(g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.

(h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

467.9 MAV TECHNICIAN RESPONSIBILITIES

The MAV technician is responsible for:

(a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.

(b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:

1. Ensures it is stored in a secure location with authorized controlled access.
2. Makes the appropriate entries in the chain of custody log.

(c) Erasing of media:

1. Pursuant to a court order.
2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
(d) Assigning all media an identification number prior to issuance to the field:
   1. Maintaining a record of issued media.

(e) Ensuring that an adequate supply of recording media is available.

(f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the [department/office] evidence storage protocols and the records retention schedule.

467.10 TRAINING
All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.
Crisis Intervention Incidents

468.1 PURPOSE AND SCOPE
This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person’s mental state and intent in order to effectively and legally interact with the individual.

468.1.1 DEFINITIONS
Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person’s internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

468.2 POLICY
The Montebello Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The [Department/Office] will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members’ interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

468.3 SIGNS
Members should be alert to any of the following possible signs of mental health issues or crises:

(a) A known history of mental illness
(b) Threats of or attempted suicide
(c) Loss of memory
(d) Incoherence, disorientation or slow response
(e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
(f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
(g) Social withdrawal
(h) Manic or impulsive behavior, extreme agitation, lack of control
(i) Lack of fear
(j) Anxiety, aggression, rigidity, inflexibility or paranoia
Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

468.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS
The Chief of Police should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide [department/office] interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

468.5 FIRST RESPONDERS
Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer’s authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

(a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.

(b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.

(c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.

(d) Attempt to determine if weapons are present or available.

1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).

(e) Take into account the person’s mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.

(f) Secure the scene and clear the immediate area as necessary.

(g) Employ tactics to preserve the safety of all participants.

(h) Determine the nature of any crime.

(i) Request a supervisor, as warranted.

(j) Evaluate any available information that might assist in determining cause or motivation for the person’s actions or stated intentions.
(k) If circumstances reasonably permit, consider and employ alternatives to force.

468.6 DE-ESCALATION
Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person’s name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person’s verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

468.7 INCIDENT ORIENTATION
When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the [dispatcher provide critical information as it becomes available. This includes:

(a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.

(b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.

(c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.
468.8 SUPERVISOR RESPONSIBILITIES
A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

(a) Attempt to secure appropriate and sufficient resources.

(b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

(c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.

(d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.

(e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

468.9 INCIDENT REPORTING
Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to [department/office] reporting procedures or other official mental health or medical proceedings.

468.9.1 DIVERSION
Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

468.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS
Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

(a) Members should treat all individuals equally and with dignity and respect.

(b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.

(c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person’s behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person
may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

468.11 EVALUATION
The Division Commander designated to coordinate the crisis intervention strategy for this [department/office] should ensure that a thorough review and analysis of the [department/office] response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

468.12 TRAINING
In coordination with the mental health community and appropriate stakeholders, the [Department/Office] will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This [department/office] will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).
Medical Aid and Response

469.1 PURPOSE AND SCOPE
This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

469.2 POLICY
It is the policy of the Montebello Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

469.3 FIRST RESPONDING MEMBER RESPONSIBILITIES
Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

(a) The location where EMS is needed.
(b) The nature of the incident.
(c) Any known scene hazards.
(d) Information on the person in need of EMS, such as:
   1. Signs and symptoms as observed by the member.
   2. Changes in apparent condition.
   3. Number of patients, sex, and age, if known.
   4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
   5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.
Medical Aid and Response

469.4 TRANSPORTING ILL AND INJURED PERSONS
Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

469.5 PERSONS REFUSING EMS CARE
If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

469.6 SICK OR INJURED ARRESTEE
If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.
Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor’s approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer’s training.

469.7 MEDICAL ATTENTION RELATED TO USE OF FORCE
Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

469.8 AIR AMBULANCE
Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Uniform Services Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the [Department/Office] should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider’s minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider’s minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One [department/office] member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
Always approach the aircraft from the front.
Avoid the aircraft’s tail rotor area.
Wear eye protection during landing and take-off.
Do not carry or hold items, such as IV bags, above the head.
Ensure that no one smokes near the aircraft.

469.9 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE
A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

469.9.1 AED USER RESPONSIBILITY
Members who are issued AEDs for use in [department/office] vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

469.9.2 AED REPORTING
Any member using an AED will complete an incident report detailing its use.

469.9.3 AED TRAINING AND MAINTENANCE
The Training Sergeant should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

469.10 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION
Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

469.10.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES
Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure
they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact the Communications Center as soon as possible and request response by EMS.

469.10.2 DESTRUCTION OF OPIOID OVERDOSE MEDICATION
The Training Sergeant shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

469.10.3 OPIOID OVERDOSE MEDICATION REPORTING
Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Sergeant will ensure that the Records Supervisor is provided enough information to meet applicable state reporting requirements.

469.10.4 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT
Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

469.10.5 OPIOID OVERDOSE MEDICATION TRAINING
The Training Sergeant should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

469.11 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS
The Uniform Services Division Commander may authorize the acquisition of epinephrine auto-injectors for use by [Department/Office] members as provided by Health and Safety Code § 1797.197a. The Training Sergeant shall create and maintain an operations plan for the storage, maintenance, use and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

469.11.1 EPINEPHRINE USER RESPONSIBILITIES
Members should handle, store and administer epinephrine auto-injectors consistent with their training and the [Department/Office] operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the [Department/Office] Operations Plan.
Medical Aid and Response

Any member who administers an epinephrine autoinjector medication should contact the Communications Center as soon as possible and request response by EMS (Health and Safety Code § 1797.197a(b)).

469.11.2 EPINEPHRINE AUTO-INJECTOR REPORTING
Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

The Training Sergeant should ensure that the Records Supervisor is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

469.11.3 EPINEPHRINE AUTO-INJECTOR TRAINING
The Training Sergeant should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100019.

469.12 FIRST AID TRAINING
The Training Sergeant should ensure officers receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).
First Amendment Assemblies

470.1 PURPOSE AND SCOPE
This policy provides guidance for responding to public assemblies or demonstrations.

470.2 POLICY
The Montebello Police Department respects the rights of people to peaceably assemble. It is the policy of this [department/office] not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

470.3 GENERAL CONSIDERATIONS
Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

(a) Engage in assembly or demonstration-related discussion with participants.
(b) Harass, confront or intimidate participants.
(c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe [department/office] members under their commands to ensure that members’ interaction with participants and their response to crowd dynamics is appropriate.
470.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS
Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating [department/office] performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

470.4 UNPLANNED EVENTS
When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

• Location
• Number of participants
• Apparent purpose of the event
• Leadership (whether it is apparent and/or whether it is effective)
• Any initial indicators of unlawful or disruptive activity
• Indicators that lawful use of public facilities, streets or walkways will be impacted
• Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

470.5 PLANNED EVENT PREPARATION
For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

470.5.1 INFORMATION GATHERING AND ASSESSMENT
In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

• Information obtained from outreach to group organizers or leaders.
• Information about past and potential unlawful conduct associated with the event or similar events.
First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

470.5.2 OPERATIONAL PLANS
An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

(a) Command assignments, chain of command structure, roles and responsibilities.
(b) Staffing and resource allocation.
(c) Management of criminal investigations.
(d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
(e) Deployment of specialized resources.
(f) Event communications and interoperability in a multijurisdictional event.
(g) Liaison with demonstration leaders and external agencies.
(h) Liaison with City government and legal staff.
(i) Media relations.
(j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
(k) Traffic management plans.
(l) First aid and emergency medical service provider availability.
(m) Prisoner transport and detention.
(n) Review of policies regarding public assemblies and use of force in crowd control.
(o) Parameters for declaring an unlawful assembly.
(p) Arrest protocol, including management of mass arrests.
(q) Protocol for recording information flow and decisions.
(r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
(s) Protocol for handling complaints during the event.
(t) Parameters for the use of body-worn cameras and other portable recording devices.

470.5.3 MUTUAL AID AND EXTERNAL RESOURCES
The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

470.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS
If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

470.7 USE OF FORCE
Use of force is governed by current [department/office] policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants’ conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).
Force or control devices, including oleoresin capsicum (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department/office shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

470.8 ARRESTS

The Montebello Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

(a) Reasonable measures to address the safety of officers and arrestees.
(b) Dedicated arrest, booking and report writing teams.
(c) Timely access to medical care.
(d) Timely access to legal resources.
(e) Timely processing of arrestees.
(f) Full accountability for arrestees and evidence.
(g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

470.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

470.9.1 MEDIA ACCESS

If officers close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest, or rally where individuals are engaged in a protected activity pursuant to the First Amendment, officers shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).
First Amendment Assemblies

470.10 DEMOBILIZATION
When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

470.11 POST EVENT
The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

(a) Operational plan
(b) Any incident logs
(c) Any assignment logs
(d) Vehicle, fuel, equipment and supply records
(e) Incident, arrest, use of force, injury and property damage reports
(f) Photographs, audio/video recordings, the Communications Center records/tapes
(g) Media accounts (print and broadcast media)

470.11.1 AFTER-ACTION REPORTING
The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

(a) Date, time and description of the event
(b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
(c) Problems identified
(d) Significant events
(e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

470.12 TRAINING
[Department/Office] members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The [Department/Office] should, when practicable, train with its external and mutual aid partners.

Officers should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.
470.13   USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by officers who have received POST training for crowd control if the use is objectively reasonable to defend against a threat to life or serious bodily injury to any individual, including an officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control (Penal Code § 13652).

470.13.1   USE SUMMARY

The Uniform Services Division Commander or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the [department/office] website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known to the [Department/Office] at the time of the report and include the information required in Penal Code § 13652.1.
Chapter 5 - Traffic Operations
Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE
The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT
Several factors are considered in the development of deployment schedules for officers of the Montebello Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

500.3 ENFORCEMENT
Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer’s work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:
Traffic Function and Responsibility

500.3.1 WARNINGS
Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.3.2 CITATIONS
Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

(a) Explanation of the violation or charge
(b) Court appearance procedure including the optional or mandatory appearance by the motorist
(c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST
Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

(a) Vehicular manslaughter
(b) Felony and misdemeanor driving under the influence of alcohol/drugs
(c) Felony or misdemeanor hit-and-run
(d) Refusal to sign notice to appear
(e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.3.4 TRAFFIC WARNING NOTICES
A traffic warning notice is an alternative to arrest citations for traffic and municipal code infractions. Warnings shall not be used for misdemeanor violations and violations such as:

(a) Driving without a license
(b) Any violation involving drugs and/or alcohol
(c) Reckless driving
(d) Leaving the scene of a collision
(e) When investigating violations at the scene of a collision

Warning notices may be issued at the discretion of the officer and are not intended to replace arrest citations. Warning notices shall be issued in a fair, impartial and judicious manner.

Warning notices shall be entered in the department's citation database and tracked in the same manner as arrest citations.
500.4 SUSPENDED OR REVOKED DRIVERS LICENSES
If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

500.5 HIGH-VISIBILITY VESTS
The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.5.1 REQUIRED USE
Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS
High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.
Traffic Function and Responsibility

500.6   FREEWAY TRAFFIC ENFORCEMENT
The Montebello Police Department will not patrol the freeway except in complaints of a criminal nature.

500.7   RAILROAD CROSSING DELAYS
Public Utilities Commission General Order #135 prohibits trains (other than passenger trains) from blocking a public grade crossing. If a train is stopped beyond 10 minutes, the train is required to be separated at grade crossings and left separated at grade crossings until the train is ready to depart. This section also prohibits trains that are in the switching process (moving rail cars from one track to another) from blocking a public grade crossing for longer than 10 minutes. Violations of this order constitute a misdemeanor under Chapter 11, Part 1, Division of the Public Utilities Code.

500.7.1   PROCEDURE
(a) Once a member of this Department becomes aware of a train blocking a public grade crossing beyond a 10 minute period, either through a complaint or observation, the officer should direct dispatch to call the Union Pacific Railroad Risk Management Communication Center at 1-800-892-1283, and obtain an estimated time of clearing and the reason for the blockage.

(b) If time and availability allows, officers may begin to alleviate traffic congestion at affected locations. Once vehicles have been cleared, available officers may continue traffic control as necessary to avoid further congestion. Some drivers may choose to wait out the delay. This is acceptable as long as the safety of the public is not compromised.

(c) In the event the cause of the blockage is beyond the control of the railroad, such as outlined in P.U.C. General Order #135, Section 5 - these time limit provisions shall not apply to any blocking resulting from compliance with State and Federal laws and regulations, terrain and physical conditions, adverse weather condition, conditions rendering the roadbed or track structure unsafe, mechanical failures, train accidents, or other occurrences which the railroad has no control, except that such crossing shall be cleared with reasonable dispatch, an officer must respond to the location of the problem to confirm the cause, and a dispatch computer entry should be made. If the cause is not one of those outlined in Section 5, then a crime report should be filed using the code section of Chapter 11, Part 1, Division 2 of the P.U.C.

500.7.2   INVESTIGATION
(a) The crime report should contain the cause of the delay, the parties contacted and the actual times during which the train was blocking the crossings. (The officer’s own observations or statements of identified witnesses, including the Railroad, may be used to determine this information).
(b) In addition, the report should contain the name of the involved railroad (i.e. Union Pacific Railroad), a list of the specific intersections that were blocked, and the time the train actually cleared the crossings rather than the time when it began moving.

(c) If the train is separated at some point to allow for pedestrians and vehicles to cross, indicate when and where the break was made.

(d) Information from an unbiased witness or the officer himself, stating the exact time the train stopped or when it was first noticed to be stopped, and how long it had been standing still should be included.

500.8 EMPLOYEE INSURANCE REQUIREMENTS

(a) Employees are required to provide a copy of their personal vehicle insurance to the Watch Commander or their immediate supervisor on January 1 and July 1 of each year.

(b) The Office of the Chief will maintain a roster of employee's proof of insurance.

(c) The employee must notify the immediate supervisor when any lapse of insurance occurs.
Traffic Collision Reporting

502.1 PURPOSE AND SCOPE
The Montebello Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY
The Traffic Sergeant will be responsible for distribution of the Collision Investigation Manual. The Traffic Sergeant will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING
All traffic collision reports taken by members of this department shall be forwarded to a supervisor for approval and data entry into the Montebello Police Department Records Management System. The Records Bureau will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the patrol Commander, or other persons as required.

502.4 REPORTING SITUATIONS
502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES
Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Division Commander.
Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

502.6 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION
In the event of a serious injury or death related traffic collision, the Watch Commander shall notify the Traffic Sergeant to relate the circumstances of the traffic collision and seek assistance from the Traffic Bureau. 502.7.1 TRAFFIC OFFICER RESPONSE
(a) When a Traffic Officer is on duty the traffic officer shall respond to the accident scene at the request of a patrol officer and determine if the accident fits the above guidelines. If so, the traffic officer shall take over the investigation. The patrol officer shall assist the traffic officer as needed.

(c) The designated Traffic Officer will be notified from the call-out list posted in dispatch.

Red Light Enforcement Policy

503.1 PURPOSE AND SCOPE
This policy establishes a procedure regarding the red light traffic enforcement program as outlined in the City of Montebello Agreement #1930, Vehicle Code Section 21455.5(a).

503.2 DEFINITION
For the purpose of this SOP, a red light camera is defined as an Automated Enforcement Camera, which takes photographic records of red light violations. Red light camera enforcement is regulated pursuant to Vehicle Code 21455.5(a).

The City of Montebello entered into a formal agreement with a private contracting company on June 27, 2001 for the purpose of establishing a program within the City of Montebello. The agreement (#1930) establishes provisions that provide engineering, consulting and maintenance services to the City with respect to the establishment of the automated traffic enforcement system.

503.3 RESPONSIBILITIES

503.3.1 CHIEF OF POLICE
Pursuant to the agreement the Chief of Police or his designee is the project director for this program.

503.3.2 STAFF
The staff will be in charge of the daily operation of the red light enforcement program. Their duties and responsibilities are as follows.

503.3.3 TRAFFIC SERGEANT
Oversees and manages the program, making sure the guidelines and procedures outlined in the Vehicle Code and agreement are followed.

503.3.4 TRAFFIC OFFICERS
Only sworn members of the Traffic Unit as designated by the Chief of Police or his designee will have the responsibility of verifying the violations, issuing citations and court representation.

503.4 ENFORCEMENT PROCEDURE

503.4.1 REVIEW AND ISSUANCE CRITERIA
Personnel assigned to the program will be responsible for the review and issuance of citations. The personnel will follow the business guidelines when reviewing and issuing the citations. As with any other citation the officer will use discretion when issuing photo red light citations. If in the officers judgment a citation is not warranted the citation will be rejected.
503.4.2 SPECIAL INCIDENT PROCEDURE
Any City of Montebello emergency vehicle or any other City owned vehicle that is photographed running a red light will be handled as a special incident. A form called a "Special Incident Report" will be prepared for all City vehicles including fire emergency vehicles and police emergency vehicles. The Traffic Sergeant will conduct an administrative review and evaluation of the reports. The following guidelines will be used regarding all City vehicles.

503.4.3 MONTEBELLO POLICE EMERGENCY VEHICLE
If during the review process it is determined that the emergency vehicle is driving "Code-3" or is responding to an emergency call for service, no further action will be taken. If it is determined the above criteria has not been met, and that the violation appears valid, the employee will be subject to progressive discipline. Emergency vehicles shall include patrol vehicles and "unmarked" or "undercover" vehicles that are being driven by sworn police personnel.

503.4.4 MONTEBELLO NON-EMERGENCY POLICE VEHICLES
Non-emergency police vehicles are not exempt and are subject to administrative review and evaluation. Any vehicle that meets the criteria for a valid citation may be subject to progressive discipline.

503.4.5 MONTEBELLO FIRE DEPARTMENT EMERGENCY VEHICLE
If during the administrative review it is determined that a Fire Department emergency vehicle is driving "Code-3" no further action will be taken. If any vehicle meets the criteria for a valid citation, the special incident report will be forwarded to the Montebello Fire Department for their review.

503.4.6 ALL OTHER MONTEBELLO CITY VEHICLES (NOT LISTED ABOVE)
Any vehicle that meets the criteria for a valid citation the special incident report will be forwarded to the appropriate department manager.

Off-duty law enforcement or government personnel operating personal vehicles are not exempt and are subject to citation.

503.5 VIOLATION IMAGE VIEWING
Citizens who have been issued a citation for a red light camera violation can schedule an appointment to view the photographic images. The appointment will be scheduled through the contracting company at a time and date approved by the Chief of Police or his designee. Picture identification is required for all appointments.
503.5.1 CITIZEN INQUIRES
All citizen inquiries related to the Red Light Camera Enforcement Program should be forwarded to the Traffic Unit Sergeant or designee at 323-887-1336.

503.6 RED LIGHT VIOLATION OBSERVED BY OFFICER
Officers are encouraged to continue enforcement of red light violations at photo red light camera controlled intersections. Officers may issue citations when appropriate. If the officer believes that a red light camera violation was photographed, the officer must inform the Traffic Unit Sergeant or designee. If it is determined that a photo violation was recorded, that violation will be voided and the officer's citation will take priority.
Vehicle Towing and Release

510.1 PURPOSE AND SCOPE
This policy provides the procedures for towing a vehicle by or at the direction of the Montebello Police Department. Nothing in this policy shall require the [Department/Office] to tow a vehicle.

510.2 STORAGE AND IMPOUNDS
When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT
[Department/Office] members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should to be given to the tow truck operator and the original shall be submitted to the Records Bureau as soon as practicable after the vehicle is stored.

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES
When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the [Department/Office] to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official towing garage for the City of Montebello. The officer will then store the vehicle using a CHP Form 180.

510.2.3 STORAGE AT ARREST SCENES
Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this [department/office] to provide reasonable safekeeping by storing the arrestee’s vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).
Vehicle Towing and Release

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the [Department/Office] will not be responsible for theft or damages.

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS
Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver’s license, the officer shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The officer shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the officer shall list on his/her copy of the notice to appear the name and driver’s license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver’s license and current vehicle registration.

510.2.5 DRIVING A NON-CITY VEHICLE
Vehicles which have been towed by or at the direction of the [Department/Office] should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 IMPOUND FOR SUSPENDED, REVOKED OR UNLICENSED DRIVER
Whenever a police officer determines that a person was driving a vehicle while his/her driving privilege was suspended/revoked or without ever having been issued a license, the peace officer may immediately request impound of the vehicle per section 14602.6(A) of the Vehicle Code. Said vehicle will be impounded for 30 days. Said driver may be arrested or issued a citation.

510.2.7 DISPATCHER’S RESPONSIBILITIES
Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.
Vehicle Towing and Release

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

510.2.8 RECORDS BUREAU RESPONSIBILITY
Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Watch Commander for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code § 22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

(a) The name, address, and telephone number of this [Department/Office].
(b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
(c) The authority and purpose for the removal of the vehicle.
(d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice.

510.2.9 DISPATCHER'S RESPONSIBILITIES
Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

If the request is for "No Preference" towing, the dispatcher shall call the official City tow garage.

510.3 TOWING SERVICES
The City of Montebello periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

(a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
(b) When a vehicle is being held as evidence in connection with an investigation.
(c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.
Vehicle Towing and Release

510.3.1 TOWING ILLEGALLY PARKED COMMERCIAL VEHICLES

(a) Section 3277.1 of the Montebello Municipal Code permits the towing and citation of certain commercial vehicles over 6,000 lbs. when left standing on a public street in excess of 30 minutes.

(b) Commercial vehicles towed per the Montebello Municipal Code shall be towed in accordance with this policy and CVC 22850.

510.4 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner’s property while in police custody, to provide for the safety of officers, and to protect the [Department/Office] against fraudulent claims of lost, stolen, or damaged property.

510.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE

The [Department/Office] will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

(a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).

(b) Vehicles removed that require payment of parking fines or proof of valid driver’s license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).

(c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver’s license, and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:
Vehicle Towing and Release

1. The vehicle was stolen.
2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.

(d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.
Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE
This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING
When a vehicle is stored or impounded by any member of the Montebello Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES
The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Watch Commander will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code §14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations
where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department’s policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

(a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.

1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.

(b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department’s expense (Vehicle Code § 22852(e)).

(c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.
Impaired Driving

514.1 PURPOSE AND SCOPE
This policy provides guidance to those [department/office] members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY
The Montebello Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

514.3 INVESTIGATIONS
Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Traffic Sergeant will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

(a) The field sobriety tests (FSTs) administered and the results.
(b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
(c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
(d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
(e) The location and time frame of the individual's vehicle operation and how this was determined.
(f) Any prior related convictions in California or another jurisdiction.

514.4 PRELIMINARY ALCOHOL SCREENING (PAS) DEVICE TESTING
(a) The PAS test is to be conducted after the standard field sobriety test and is intended to supplement the officer's observations.
(b) The PAS test will not replace the FST or the chemical tests.
(c) Officer must complete PAS training before using the PAS device.
(d) Officers who check out a PAS Device must complete the Usage Log and ensure that the device is complete and functional.
(e) The Traffic Sergeant is responsible for the supply of PAS Devices including repair, replacement, and calibration.

514.5 FIELD TESTS
The Traffic Sergeant should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.6 D.U.I. TRAFFIC COLLISION RECOVERY PROGRAM
Pursuant to Government Code 53154 the City can recover costs associated with the investigation of DUI-related traffic collisions.

(a) Officers who respond to DUI collisions shall complete the appropriate form (Request to Bill) for cost recovery.

(b) This form shall be approved by a supervisor.

(c) The Records Bureau shall prepare an invoice and bill the offender per the provisions of the appropriate City Resolution. A copy of the invoice shall be forwarded to the Finance Department.

514.7 CHEMICAL TESTS
A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

(a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

(b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person’s blood alcohol content is 0.05 or more (Vehicle Code § 23140).

(c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).

(d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

514.7.1 CHOICE OF TESTS
Officers shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).
Impaired Driving

A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the officer shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.7.2 BREATH SAMPLES
The Traffic Sergeant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Traffic Sergeant.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer’s belief shall be included in the officer’s report (Vehicle Code § 23612(a)(2)(C)).

514.7.3 BLOOD SAMPLES
Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.
Impaired Driving

514.7.4 URINE SAMPLES
If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

514.7.5 STATUTORY NOTIFICATIONS
 Officers requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.7.6 PRELIMINARY ALCOHOL SCREENING
 Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, he/she shall be advised that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

514.7.7 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21
 If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.8 REFUSALS
When an arrestee refuses to provide a viable chemical sample, officers should:

(a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
(b) Audio- and/or video-record the admonishment when it is practicable.
(c) Document the refusal in the appropriate report.
Impaired Driving

514.8.1 BLOOD SAMPLE WITHOUT CONSENT
A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

(a) A search warrant has been obtained (Penal Code § 1524).
(b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person’s bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.8.2 FORCED BLOOD SAMPLE
If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

(a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
(b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
(c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
   1. This dialogue should be recorded on audio and/or video if practicable.
(d) Ensure that the blood sample is taken in a medically approved manner.
(e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
(f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
   1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
   2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
   3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
(g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.
Impaired Driving

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.8.3 STATUTORY NOTIFICATIONS UPON REFUSAL
Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

514.9 RECORDS BUREAU RESPONSIBILITIES
The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney’s office.

514.10 ADMINISTRATIVE HEARINGS
The Records Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

514.11 TRAINING
The Training Sergeant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney’s office and update training topics as needed.

514.12 ARREST AND INVESTIGATION

514.12.1 WARRANTLESS ARREST
In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Traffic Bureau Manager. Upon a review of the circumstances involving the issuance of the traffic citation, the Traffic Bureau Manager may request the Uniform Services Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Uniform Services Division Commander for review.

These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.

(b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY
When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE
In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS
Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.3.2 RELOCATION OF DISABLED VEHICLES
The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

520.3.3 RELOCATION OF DISABLED MOTORIST

524.2 MARKING VEHICLES
Vehicles suspected of being in violation of the City of Montebello 72-Hour Parking Ordinance shall be marked and noted on the Montebello Police Department Abandoned Vehicle Warning. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Abandoned Vehicle Warning. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Abandoned Vehicle Warning completed.

(c) Citing state legislators. A traffic citation is a "breach of the peace" and legislators are subject to the regular process of arrest or citation (in re: Emmet 120, C.A. - 349, January 1932).

527.4 POST OFFICE EMPLOYEES AND VEHICLES

2. Evidence of financial responsibility, as specified in section 16020. If the financial responsibility of a person is a form of insurance, then that person shall supply the name and address of the insurance company.

(d) Any person failing to comply with all of the requirements of the section is guilty of an infraction is punishable by a fine of not to exceed $250.
(e) Section 16020(a) every driver and every owner of a vehicle shall at all times be able to establish financial responsibility pursuant to Section 16021, and shall at all times carry in the vehicle evidence of the form of financial responsibility in effect for the vehicle.

(f) Evidence of financial responsibility means the name of the insurance or security company that issued a policy or bond for the vehicle that meets the requirement of the Section 16056 and is currently in effect, and the number of the insurance policy or security bond.

(g) The officer shall indicate on his report the citation number. The DR number of the accident report shall appear in the upper right case number box. The citations will be attached to the accident report and handled the same as other reports.

The witnessing officer(s) should be used as witnesses to avoid any prejudice to the drivers involved. The investigating officer(s) should, when practical, issue a citation, if they are qualified.
Chapter 6 - Investigation Operations
Sexual Assault Investigations

602.1  PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

602.1.1  DEFINITIONS
Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2  POLICY
It is the policy of the Montebello Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.3  QUALIFIED INVESTIGATORS
Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

(a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.

(b) Conduct follow-up interviews and investigation.

(c) Present appropriate cases of alleged sexual assault to the prosecutor for review.

(d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.

(e) Provide referrals to therapy services, victim advocates and support for the victim.

(f) Participate in or coordinate with SART.
602.4 REPORTING
In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

602.5 RELEASING INFORMATION TO THE PUBLIC
In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigation Bureau supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

602.6 TRAINING
Subject to available resources, periodic training should be provided to:

(a) Members who are first responders. Training should include:
   1. Initial response to sexual assaults.
   2. Legal issues.
   3. Victim advocacy.
   4. Victim’s response to trauma.
   5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).

(b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
   1. Interviewing sexual assault victims.
   2. SART.
   3. Medical and legal aspects of sexual assault investigations.
   4. Serial crimes investigations.
   5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
   6. Techniques for communicating with victims to minimize trauma.

602.7 VICTIM INTERVIEWS
The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.
Sexual Assault Investigations

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim’s rights provisions, as outlined in the Victim and Witness Assistance Policy.

602.7.1 VICTIM RIGHTS
Whenever there is an alleged sexual assault, the assigned officer shall accomplish the following:

(a) Advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, any other rights of a sexual assault victim pursuant to Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).

(b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).

   1. The officer shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).

   2. A support person may be excluded from the examination by the officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

602.7.2 VICTIM CONFIDENTIALITY
Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim’s parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim’s parent or guardian (Penal Code § 293).

Except as authorized by law, members of this [department/office] shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).
Sexual Assault Investigations

602.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE
Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

602.8.1 COLLECTION AND TESTING REQUIREMENTS
Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned officer determines that a SAFE kit submitted to a private laboratory for analysis has not been tested within 120 days after submission, the officer shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned officer shall continue to update the status every 120 days thereafter until the evidence has been analyzed or the statute of limitations has run (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

602.8.2 DNA TEST RESULTS
A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant
Sexual Assault Investigations

delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

(a) Upon receipt of a written request from a sexual assault victim or the victim’s authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.

2. Absent a written request, no member of this [department/office] is required to, but may, communicate with the victim or the victim’s authorized designee regarding the status of any DNA testing.

(b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):

1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.

2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.

3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank of case evidence.

(c) Provided that the sexual assault victim or the victim’s authorized designee has kept the assigned officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim’s authorized designee shall, upon request, be advised of any known significant changes regarding the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.

2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.8.3 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property and Evidence Section supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).
602.9 DISPOSITION OF CASES
If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigation Bureau supervisor.

Classification of a sexual assault case as unfounded requires the Investigation Bureau supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

602.10 CASE REVIEW
The Investigation Bureau supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.
Asset Forfeiture

606.1 PURPOSE AND SCOPE
This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

606.1.1 DEFINITIONS
Definitions related to this policy include:

Fiscal agent - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Montebello Police Department seizes property for forfeiture or when the Montebello Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The [department/office] member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the [Department/Office] and the assigned attorney.

Property subject to forfeiture - The following may be subject to forfeiture:

(a) Property related to a narcotics offense, which includes (Health and Safety Code § 11470; Health and Safety Code § 11470.1):

1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.

2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.

3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.

4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.

5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors upon conviction for the unlawful manufacture or cultivation of any controlled substance or its precursors.
Asset Forfeiture

(b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):

1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.

2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

606.2 POLICY
The Montebello Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person’s due process rights.

It is the policy of the Montebello Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

606.3 ASSET SEIZURE
Property may be seized for forfeiture as provided in this policy.

606.3.1 PROPERTY SUBJECT TO SEIZURE
The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

(a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.

(b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):

1. The property subject to forfeiture is legally seized incident to an arrest.

2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).
Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

### 606.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

(a) Cash and property that does not meet the forfeiture counsel’s current minimum forfeiture thresholds should not be seized.

(b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).

(c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect’s immediate family (Health and Safety Code § 11470).

(d) Vehicles, boats or airplanes owned by an “innocent owner,” such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).

(e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

### 606.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

(a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.

(b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.

(c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, “Seized Subject to Forfeiture.” Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.
Asset Forfeiture

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

606.5 MAINTAINING SEIZED PROPERTY
The Property and Evidence Section Supervisor is responsible for ensuring compliance with the following:

(a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.

(b) All property received for forfeiture is checked to determine if the property has been stolen.

(c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.

(d) Property received for forfeiture is not used unless the forfeiture action has been completed.

606.6 FORFEITURE REVIEWER
The Chief of Police will appoint an officer as the forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a [department/office]-approved course on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

(a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.

(b) Serving as the liaison between the [Department/Office] and the forfeiture counsel and ensuring prompt legal review of all seizures.

(c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.

(d) Ensuring that property seized under state law is not referred or otherwise transferred to a federal agency seeking the property for federal forfeiture as prohibited by Health and Safety Code § 11471.2.

(e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.

(f) Ensuring that seizure forms are available and appropriate for [department/office] use. These should include notice forms, a receipt form and a checklist that provides relevant
Asset Forfeiture

guidance to officers. The forms should be available in languages appropriate for the region and should contain spaces for:

1. Names and contact information for all relevant persons and law enforcement officers involved.
2. Information as to how ownership or other property interests may have been determined (e.g., verbal claims of ownership, titles, public records).
3. A space for the signature of the person from whom cash or property is being seized.
4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized.

(g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or [Department/Office] Directives. The training should cover this policy and address any relevant statutory changes and court decisions.

(h) Reviewing each asset forfeiture case to ensure that:

1. Written documentation of the seizure and the items seized is in the case file.
2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property (Health and Safety Code § 11488.4).
4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).
5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
6. Any cash received is deposited with the fiscal agent.
7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.
8. Current minimum forfeiture thresholds are communicated appropriately to officers.
9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.
(i) Ensuring that a written plan that enables the Chief of Police to address any extended absence of the forfeiture reviewer, thereby ensuring that contact information for other law enforcement officers and attorneys who may assist in these matters is available.

(j) Ensuring that the process of selling or adding forfeited property to the [department/office]'s regular inventory is in accordance with all applicable laws and consistent with the [department/office]'s use and disposition of similar property.

(k) Keeping a manual that details the statutory grounds for forfeitures and [department/office] procedures related to asset forfeiture, including procedures for prompt notice to interest holders, the expeditious release of seized property, where appropriate, and the prompt resolution of claims of innocent ownership (Health and Safety Code § 11469).

(l) Providing copies of seized business records to the person or business from whom such records were seized, when requested (Health and Safety Code §11471).

(m) Notifying the California Franchise Tax Board when there is reasonable cause to believe that the value of seized property exceeds $5,000.00 (Health and Safety Code § 11471.5).

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and City financial directives (Health and Safety Code § 11495).

606.7   DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer’s employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The [Department/Office] may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

606.7.1   RECEIVING EQUITABLE SHARES

When participating in a joint investigation with a federal agency, the Montebello Police Department shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code § 11471.2 or the flight, death or willful failure to appear of the defendant. This does not apply to forfeited cash or negotiable instruments of $40,000 or more.

606.8   CLAIM INVESTIGATIONS

An investigation shall be made as to any claimant of a vehicle, boat or airplane whose right, title, interest or lien is on the record in the Department of Motor Vehicles or in an appropriate federal agency. If investigation reveals that any person, other than the registered owner, is the legal
Asset Forfeiture

owner, and that ownership did not arise subsequent to the date and time of arrest or notification of the forfeiture proceedings or seizure of the vehicle, boat or airplane, notice shall be made to the legal owner at his/her address appearing on the records of the Department of Motor Vehicles or the appropriate federal agency (Health and Safety Code § 11488.4).
Informants

608.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the use of informants.

608.1.1 UNIT SUPERVISORS'

608.1.2 DEFINITIONS
Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Montebello Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Montebello Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

608.2 POLICY
The Montebello Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this [department/ office] that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

608.3 USE OF INFORMANTS

608.3.1 INITIAL APPROVAL
Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this [department/office] should not guarantee absolute safety or confidentiality to an informant.

608.3.2 JUVENILE INFORMANTS
The use of informants under the age of 13 is prohibited.

Except for the enforcement of laws related to the commercial sale of alcohol, marijuana or tobacco products, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

(a) The juvenile’s parents or legal guardians

(b) The juvenile’s attorney, if any
Informants

(c) The court in which the juvenile’s case is being handled, if applicable (Penal Code § 701.5)
(d) The Chief of Police or the authorized designee

608.3.3 INFORMANT AGREEMENTS
All informants are required to sign and abide by the provisions of the designated [department/office] informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

608.4 INFORMANT INTEGRITY
To maintain the integrity of the informant process, the following must be adhered to:

(a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Division Commander, Narcotics Unit supervisor or their authorized designees.
   1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.

(b) Criminal activity by informants shall not be condoned.

(c) Informants shall be told they are not acting as police officers, employees or agents of the Montebello Police Department, and that they shall not represent themselves as such.

(d) The relationship between [department/office] members and informants shall always be ethical and professional.
   1. Members shall not become intimately involved with an informant.
   2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Narcotics Unit supervisor.
   3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.

(e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Narcotics Unit supervisor.
   1. Officers may meet informants alone in an occupied public place, such as a restaurant.

(f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.

(g) In all instances when [department/office] funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.

(h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.
Informants

608.4.1 UNSUITABLE INFORMANTS
The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the [Department/Office] and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file “unsuitable” when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

(a) The informant has provided untruthful or unreliable information in the past.
(b) The informant behaves in a way that may endanger the safety of an officer.
(c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
(d) The informant appears to be using his/her affiliation with this [department/office] to further criminal objectives.
(e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
(f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
(g) The informant commits criminal acts subsequent to entering into an informant agreement.

608.5 INFORMANT FILES
Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Narcotics Unit. The Narcotics Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Division Commander, Narcotics Unit supervisor or their authorized designees.

The Investigative Services Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Narcotics Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.
Informants

608.5.1 FILE SYSTEM PROCEDURE
A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

(a) Name and aliases
(b) Date of birth
(c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
(d) Photograph
(e) Current home address and telephone numbers
(f) Current employers, positions, addresses and telephone numbers
(g) Vehicles owned and registration information
(h) Places frequented
(i) Briefs of information provided by the informant and his/her subsequent reliability
   1. If an informant is determined to be unsuitable, the informant's file is to be marked “unsuitable” and notations included detailing the issues that caused this classification.
(j) Name of the officer initiating use of the informant
(k) Signed informant agreement
(l) Update on active or inactive status of informant

608.6 INFORMANT PAYMENTS
No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Narcotics Unit supervisor will discuss the above factors with the Uniform Services Division Commander and recommend the type and level of payment subject to approval by the Chief of Police.

608.6.1 PAYMENT PROCESS
Approved payments to an informant should be in cash using the following process:
Informants

(a) Payments of $500 and under may be paid in cash from a Narcotics Unit buy/expense fund.
   1. The Narcotics Unit supervisor shall sign the voucher for cash payouts from the buy/expense fund.

(b) Payments exceeding $500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
   1. The check shall list the case numbers related to and supporting the payment.
   2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
   3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
   4. Authorization signatures from the Chief of Police and the City Administrator are required for disbursement of the funds.

(c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
   1. The cash transfer form shall include the following:
      (a) Date
      (b) Payment amount
      (c) Montebello Police Department case number
      (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
   2. The cash transfer form shall be signed by the informant.
   3. The cash transfer form will be kept in the informant's file.

608.6.2 REPORTING OF PAYMENTS
Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed $600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as “other income” and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant’s file.

608.6.3 AUDIT OF PAYMENTS
The Narcotics Unit supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.
Informants

At least once every six months, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.
Eyewitness Identification

610.1 PURPOSE AND SCOPE
This policy sets forth guidelines to be used when members of this [department/office] employ eyewitness identification techniques (Penal Code § 859.7).

610.1.1 DEFINITIONS
Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

610.2 POLICY
The Montebello Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

610.3 INTERPRETIVE SERVICES
Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM
The Investigation Bureau supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

(a) The date, time and location of the eyewitness identification procedure.
(b) The name and identifying information of the witness.
Eyewitness Identification

(c) The name of the person administering the identification procedure.

(d) If applicable, the names of all of the individuals present during the identification procedure.

(e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.

(f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.

(g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.

(h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.

(i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

(j) A statement from the witness in the witness’s own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

(k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

610.5 EYEWITNESS IDENTIFICATION
Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

The eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures. When it is not feasible to make a recording with both audio and visual representations, an audio recording should be made (Penal Code § 859.7).

610.6 DOCUMENTATION
A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.
Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

610.6.1 DOCUMENTATION RELATED TO RECORDINGS
The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

610.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION
If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

610.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS
When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

610.7.1 OTHER SAFEGUARDS
Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that that may validate or invalidate an eyewitness’ identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

610.8 FIELD IDENTIFICATION CONSIDERATIONS
Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be
Eyewitness Identification

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

(a) Obtain a complete description of the suspect from the witness.

(b) Assess whether a witness should be included in a field identification process by considering:

1. The length of time the witness observed the suspect.
2. The distance between the witness and the suspect.
3. Whether the witness could view the suspect's face.
4. The quality of the lighting when the suspect was observed by the witness.
5. Whether there were distracting noises or activity during the observation.
6. Any other circumstances affecting the witness's opportunity to observe the suspect.
7. The length of time that has elapsed since the witness observed the suspect.

(c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.

(d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.

(e) The person who is the subject of the show-up should not be shown to the same witness more than once.

(f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.

(g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

(h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.
Brady Material Disclosure

612.1 PURPOSE AND SCOPE
This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “Brady information”) to a prosecuting attorney.

612.1.1 DEFINITIONS
Definitions related to this policy include:

Brady information - Information known or possessed by the Montebello Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

612.2 POLICY
The Montebello Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Montebello Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The [Department/Office] will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION
Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the [Department/Office] case file.
612.4 DISCLOSURE OF PERSONNEL INFORMATION
Whenever it is determined that Brady information is located in the personnel file of a member of this [department/office] who is a material witness in a criminal case, the following procedure shall apply:

(a) In the event that a Pitchess motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of Brady information in the officer’s personnel file.

(b) The prosecuting attorney should then be requested to file a Pitchess motion in order to initiate an in-camera review by the court.

(c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.

(d) The Custodian of Records shall accompany all relevant files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.

(e) If the court determines that there is relevant Brady information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.

1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

612.5 INVESTIGATING BRADY ISSUES
If the [Department/Office] receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

612.6 TRAINING
[Department/Office] members should receive periodic training on the requirements of this policy.
Unmanned Aerial System (UAS) Operations

613.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

613.1.1 DEFINITIONS
Definitions related to this policy include:

**Unmanned Aerial System (UAS)** - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

**Remote Pilot in Command** - The person directly responsible for the UAS and is the final authority as to the operation of the small unmanned aircraft system.

613.2 POLICY
Unmanned aerial systems may be utilized to enhance the department’s mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

613.3 PRIVACY
The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

613.4 PROGRAM COORDINATOR
The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current.
- Ensuring that all remote pilots have a current airmen's certificate from the FAA with a small unmanned aircraft rating.
- Ensuring that all authorized operators and visual observers have completed all required FAA and department-approved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
Unmanned Aerial System (UAS) Operations

- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require authorization of the Chief of Police or the authorized designee, depending on the type of mission.
- Developing protocol for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing an operational protocol governing the deployment and operation of a UAS including, but not limited to, safety oversight, use of visual observers, establishment of lost link procedures and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.

613.5 USE OF UAS

Only authorized operators who have completed the required training and have obtained the required FAA certifications shall be permitted to operate the UAS as the remote pilot in command.

Operators who do not have a current Airmen's Certificate from the FAA with a small unmanned aircraft rating may operate the controls of a UAS only under the direct and immediate supervision of the remote pilot in command. The remote pilot in command in these instances shall be in a position to immediately take control of the remotely piloted aircraft to prevent or avoid unsafe conditions or collisions.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.
UAS operations shall only be conducted in accordance with Federal, State and Local laws.

613.6 PROHIBITED USE
The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.
- To target a person based solely on actual or perceived characteristics, such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

613.7 RETENTION OF UAS DATA
Data collected by the UAS shall be retained as provided in the established records retention schedule.
Warrant Service

614.1 PURPOSE AND SCOPE
This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

614.2 POLICY
It is the policy of the Montebello Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

614.3 OPERATIONS DIRECTOR
The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

614.4 SEARCH WARRANTS
Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

614.5 ARREST WARRANTS
If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence
to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

614.6 WARRANT PREPARATION
An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

(a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime warrant execution.

(b) A clear explanation of the affiant’s training, experience and relevant education.

(c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.

(d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.

(e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.

(f) A specific description of the location to be searched, including photographs of the location, if reasonably available.

(g) A sufficient description of the items to be seized.

(h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

614.7 HIGH-RISK WARRANT SERVICE
The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

(a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.

(b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.

(c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the
Warrant Service

designated members to the presence of potential evidence and not touch or disturb the items.

(d) Reasonable efforts are made during the search to maintain or restore the condition of the location.

(e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.

(f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).

(g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.

(h) A copy of the search warrant is left at the location.

(i) The condition of the property is documented with video recording or photographs after the search.

614.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

614.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

614.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
Warrant Service

- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Montebello Police Department are utilized appropriately. Any concerns regarding the requested use of Montebello Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Watch Commander should assume this role.

If officers intend to serve a warrant outside Montebello Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Montebello Police Department when assisting outside agencies or serving a warrant outside Montebello Police Department jurisdiction.

614.11 MEDIA ACCESS
No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

614.12 TRAINING
The Training Sergeant should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.
Operations Planning and Deconfliction

615.1 PURPOSE AND SCOPE
This policy provides guidelines for planning, deconfliction and execution of high-risk operations. Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

615.1.1 DEFINITIONS
Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

615.2 POLICY
It is the policy of the Montebello Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

615.3 OPERATIONS DIRECTOR
The Chief of Police will designate a member of this [department/office] to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

615.4 RISK ASSESSMENT

615.4.1 RISK ASSESSMENT FORM PREPARATION
Officers and/or detectives assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer and/or detective should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer and/or detective should also submit information to these resources.
The officer and/or detective should gather available information that includes, but is not limited to:

(a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
(b) Maps of the location.
(c) Diagrams of any property and the interior of any buildings that are involved.
(d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
(e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
(f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
(g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
(h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

615.4.2 RISK ASSESSMENT REVIEW
Officers and/or detectives will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

615.4.3 HIGH-RISK OPERATIONS
If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

(a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
   (a) Special Response Team (SRT)
   (b) Additional personnel

Personal Communication Devices

702.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the [Department/Office] or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY
The Montebello Police Department allows members to utilize [department/office]-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the [Department/Office], will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member’s PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.3 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the [Department/Office] and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

702.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)
No member is authorized to be the sole possessor of a [department/office]-issued PCD. [Department/Office]-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a [department/office]-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for [department/office] purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).
702.4 **[DEPARTMENT/OFFICE]-ISSUED PCD**
Depending on a member’s assignment and the needs of the position, the [Department/Office] may, at its discretion, issue or fund a PCD. [Department/Office]-issued or funded PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the [Department/Office] and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

702.5 **PERSONALLY OWNED PCD**
Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

(a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.

(b) The [Department/Office] accepts no responsibility for loss of or damage to a personally owned PCD.

(c) The PCD and any associated services shall be purchased, used and maintained solely at the member’s expense.

(d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any [department/office] business-related communication.

1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief of Police.

(e) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the [Department/Office], without the express authorization of the Chief of Police or the authorized designee.

(f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the [Department/Office] to access the PCD to inspect and copy data to meet the needs of the [Department/Office], which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, members will provide the [Department/Office] with the telephone number of the device.
Personal Communication Devices

(g) All work-related documents, emails, photographs, recordings or other public records created or received on a member’s personally owned PCD should be transferred to the Montebello Police Department and deleted from the member’s PCD as soon as reasonably practicable but no later than the end of the member’s shift.

Except with prior express authorization from their supervisor, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty [department/office]-related business activities in any manner shall promptly provide the [Department/Office] with a copy of such records to ensure accurate record keeping.

702.6 USE OF PCD
The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct [department/office] business:

(a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.

(b) All PCDs in the workplace shall be set to silent or vibrate mode.

(c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.

(d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.

(e) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official [department/office] business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.

(f) Members will not access social networking sites for any purpose that is not official [department/office] business.
Personal Communication Devices

(g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

(b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.

1. An investigation into improper conduct should be promptly initiated when circumstances warrant.

2. Before conducting any administrative search of a member’s personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

702.8 USE WHILE DRIVING
The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating [department/office] vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the [Department/Office] or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

702.9 OFFICIAL USE
Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other [department/office] communications network.

This [Department/Office] provides members of the public with access to the 9-1-1 system for a single emergency telephone number.

When a call for services is received, the dispatcher will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

• Where?
• What?
• When?
• Who?
If the dispatcher determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the dispatcher determines that the caller is a limited English proficiency (LEP) individual, the dispatcher should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Communications Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the dispatcher is unable to identify the caller’s language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

800.6.1 EMERGENCY CALLS
A call is considered an emergency when there is an immediate or potential threat to life or serious property damage, and the timely arrival of public safety assistance is of the utmost importance. Emergency calls should be dispatched immediately. The Watch Commander shall be notified of pending emergency calls for service when [department/office] members are unavailable for dispatch.

800.6.2 NON-EMERGENCY CALLS
A call is considered a non-emergency call when there is no immediate or potential threat to life or property. A person reporting a non-emergency may be placed on hold, if necessary, to allow the dispatcher to handle a higher priority or emergency call.

The reporting person should be advised if there will be a delay in the dispatcher returning to the telephone line or when there will be a delay in the response for service.

800.7 RADIO COMMUNICATIONS

Automated data, such as Department of Motor Vehicle records, warrants, criminal history information, records of internal police files or medical information, shall only be made available to authorized law enforcement personnel. Prior to transmitting confidential information via the radio, an admonishment shall be made that confidential information is about to be broadcast.

800.10 TRAINING AND CERTIFICATION
Dispatchers shall receive training consistent with minimum standards established by POST (Penal Code § 13510).
Property and Evidence

802.1 PURPOSE AND SCOPE
This policy provides for the proper collection, storage, and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and identifies those persons authorized to remove and/or destroy property.

802.2 DEFINITIONS
Property - Includes all items of evidence, items taken for safekeeping and found property.
Evidence - Includes items taken or recovered in the course of an investigation that may be used in the prosecution of a case. This includes photographs and latent fingerprints.
Safekeeping - Includes the following types of property:
- Property obtained by the [Department/Office] for safekeeping such as a firearm
- Personal property of an arrestee not taken as evidence
- Property taken for safekeeping under authority of a law (e.g., Welfare and Institutions Code § 5150 (mentally ill persons))

Found property - Includes property found by an employee or citizen that has no apparent evidentiary value and where the owner cannot be readily identified or contacted.

802.3 PROPERTY HANDLING
Any employee who first comes into possession of any property shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage room along with the property form. Care shall be taken to maintain the chain of custody for all evidence.

Where ownership can be established as to found property with no apparent evidentiary value, such property may be released to the owner without the need for booking. The property form must be completed to document the release of property not booked and the owner shall sign the form acknowledging receipt of the items.

802.3.1 EXPLOSIVES
Officers who encounter a suspected explosive device shall promptly notify their immediate supervisor or the Watch Commander. The bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives will not be retained in the police facility. Only fireworks that are considered stable and safe and road flares or similar signaling devices may be booked into property. All such items shall be stored in proper containers and in an area designated for the storage of flammable materials. The property and evidence technician is responsible for transporting to the Fire Department, on a regular basis, any fireworks or signaling devices that are not retained as evidence.
Property and Evidence

802.3.2 RELINQUISHED FIREARMS
Individuals who relinquish firearms pursuant to the provisions of Penal Code § 29850 shall be issued a receipt that describes the firearm, the serial number or other identification of the firearm at the time of relinquishment (Penal Code § 29810).

Relinquished firearms shall be retained for 30 days, after which time they may be destroyed, retained, sold or otherwise transferred, unless (Penal Code § 29810):

(a) A certificate is issued by a judge of a court of record or the District Attorney stating the firearms shall be retained; or
(b) The convicted person provides written notice of an intent to appeal the conviction that necessitated the relinquishment; or
(c) The Automated Firearms System indicates that the firearm was reported lost or stolen.

1. In such event, the firearm shall be restored to the lawful owner as soon as it is no longer needed as evidence, the lawful owner has identified the weapon and provided proof of ownership, and the [Department/Office] has complied with the requirements of Penal Code § 33850 et seq.

The property and evidence technician shall ensure the Records Supervisor is notified of the relinquished firearm for purposes of updating the Automated Firearms System and the disposition of the firearm for purposes of notifying the California Department of Justice (DOJ) (See the Records Bureau Policy).

802.4 PACKAGING OF PROPERTY
Certain items require special consideration and shall be booked separately as follows:

(a) Narcotics and dangerous drugs
(b) Firearms (ensure they are unloaded and booked separately from ammunition)
(c) Property with more than one known owner
(d) Paraphernalia as described in Health and Safety Code § 11364
(e) Fireworks
(f) Contraband

802.4.1 PACKAGING NARCOTICS
The officer seizing narcotics and dangerous drugs shall retain such property in his/her possession until it is properly weighed, packaged, tagged, and placed in the designated narcotics locker, accompanied by two copies of the property record. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected narcotics. If conducted, the results of this test shall be included in the officer’s report.

Narcotics and dangerous drugs shall be packaged in an envelope of appropriate size available in the report room. The booking officer shall initial the sealed envelope and the initials covered with cellophane tape. Narcotics and dangerous drugs shall not be packaged with other property.
A completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

802.5 PROPERTY CONTROL
Each time the property and evidence technician receives property or releases property to another person, he/she shall enter this information on the property control card. Officers desiring property for court shall contact the property and evidence technician at least one day prior to the court day.

802.5.1 RELEASE OF PROPERTY
All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.

Release of property shall be made upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the authorizing supervisor or detective and must conform to the items listed on the property form or must specify the specific item(s) to be released. Release of all property shall be documented on the property form.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed (Civil Code § 2080.6). The final disposition of all such property shall be fully documented in related reports.

A property and evidence technician shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the property shall be recorded on the original property form. After release of all property entered on the property control card, the card shall be forwarded to the Records Bureau for filing with the case. If some items of property have not been released, the property card will remain with the Property and Evidence Section. Upon release, the proper entry shall be documented in the Property Log.

Under no circumstances shall any firearm, magazine, or ammunition be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice that conforms to the provisions of Penal Code § 33865.

The Property and Evidence Section Supervisor should also make reasonable efforts to determine whether the person is the subject of any court order preventing the person from possessing a firearm and, if so, the firearm should not be released to the person while the order is in effect.

The [Department/Office] is not required to retain any firearm, magazine, or ammunition longer than 180 days after notice has been provided to the owner that such items are available for return. At
the expiration of such period, the firearm, magazine, or ammunition may be processed for disposal in accordance with applicable law (Penal Code § 33875).

802.5.2 RELEASE OF FIREARM IN DOMESTIC VIOLENCE MATTERS
Within five days of the expiration of a restraining order issued in a domestic violence matter that required the relinquishment of a firearm or ammunition, the property and evidence technician shall return the weapon or ammunition to the owner if the requirements of Penal Code § 33850 and Penal Code § 33855 are met, unless the firearm or ammunition is determined to be stolen, evidence in a criminal investigation, or the individual is otherwise prohibited from possessing a firearm (Family Code § 6389(g); Penal Code § 33855).

802.5.3 RELEASE OF FIREARMS AND WEAPONS IN MENTAL ILLNESS MATTERS
Firearms and other deadly weapons confiscated from an individual detained for an evaluation by a mental health professional or subject to the provisions of Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 shall be released or disposed of as follows:

(a) If a petition for a hearing regarding the return of a firearm or a weapon has been initiated pursuant to Welfare and Institutions Code § 8102(c), the firearm or weapon shall be released or disposed of as provided by an order of the court. If the court orders a firearm returned, the firearm shall not be returned unless and until the person presents valid identification and written notification from the California Department of Justice (DOJ) that conforms to the provisions of Penal Code § 33865.

(b) If no petition has been initiated pursuant to Welfare and Institutions Code § 8102(c) and the firearm or weapon is not retained as evidence, the [Department/Office] shall make the firearm or weapon available for return. No firearm will be returned unless and until the person presents valid identification and written notification from the California DOJ that conforms to the provisions of Penal Code § 33865.

(c) Unless the person contacts the [Department/Office] to facilitate the sale or transfer of the firearm to a licensed dealer pursuant to Penal Code § 33870, firearms not returned should be sold, transferred, destroyed, or retained as provided in Welfare and Institutions Code § 8102.

802.5.4 RELEASE OF FIREARMS IN GUN VIOLENCE RESTRAINING ORDER MATTERS
Firearms and ammunition that were taken into temporary custody or surrendered pursuant to a gun violence restraining order shall be returned to the restrained person upon the expiration of the order and in accordance with the requirements of Penal Code § 33850 et seq. (Penal Code § 18120).

If the restrained person who owns the firearms or ammunition does not wish to have the firearm or ammunition returned, he/she is entitled to sell or transfer title to a licensed dealer, provided that the firearms or ammunition are legal to own or possess and the restrained person has right to title of the firearms or ammunition (Penal Code § 18120).

If a person other than the restrained person claims title to the firearms or ammunition surrendered pursuant to Penal Code § 18120 and the Montebello Police Department determines him/her to be
the lawful owner, the firearms or ammunition shall be returned in accordance with the requirements of Penal Code § 33850 et seq. (Penal Code § 18120).

Firearms and ammunition that are not claimed are subject to the requirements of Penal Code § 34000.

802.5.5 RELEASE OF FIREARMS, MAGAZINES, AND AMMUNITION
The [Department/Office] shall not return any firearm, magazine, or ammunition taken into custody to any individual unless all requirements of Penal Code § 33855 are met.
Records Bureau

804.1 PURPOSE AND SCOPE
This policy establishes the guidelines for the operational functions of the Montebello Police Department Records Bureau. The policy addresses [department/office] file access and internal requests for case reports.

804.2 POLICY
It is the policy of the Montebello Police Department to maintain [department/office] records securely, professionally, and efficiently.

804.3 DETERMINATION OF FACTUAL INNOCENCE
In any case where a person has been arrested by officers of the Montebello Police Department and no accusatory pleading has been filed, the person arrested may petition the [Department/Office] to destroy the related arrest records. Petitions should be forwarded to the Administration Supervisor. The Administration Supervisor should promptly contact the prosecuting attorney and request a written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Administration Supervisor should forward the petition to the Investigation Bureau Supervisor and the City Attorney for review. After such review and consultation with the City Attorney, the Investigation Bureau Supervisor and the Administration Supervisor shall decide whether a finding of factual innocence is appropriate.

Upon determination that a finding of factual innocence is appropriate, the Administration Supervisor shall ensure that the arrest record and petition are sealed for later destruction and the required notifications are made to the California DOJ and other law enforcement agencies (Penal Code § 851.8).

The Administration Supervisor should respond to a petition with the [Department/Office]'s decision within 45 days of receipt. Responses should include only the decision of the [Department/Office], not an explanation of the analysis leading to the decision.

804.4 FILE ACCESS AND SECURITY
The security of files in the Records Bureau must be a high priority and shall be maintained as mandated by state or federal law. All case reports including but not limited to initial, supplemental, follow-up, evidence, and any other reports related to a police [department/office] case, including field interview (FI) cards, criminal history records, and publicly accessible logs, shall be maintained in a secure area within the Records Bureau, accessible only by authorized members of the Records Bureau. Access to case reports or files when Records Bureau staff is not available may be obtained through the Watch Commander.
The Records Bureau will also maintain a secure file for case reports deemed by the Chief of Police as sensitive or otherwise requiring extraordinary access restrictions.

804.5 ORIGINAL CASE REPORTS
Generally, original case reports shall not be removed from the Records Bureau. Should an original case report be needed for any reason, the requesting [department/office] member shall first obtain authorization from the Records Supervisor. All original case reports removed from the Records Bureau shall be recorded on a designated report check-out log, which shall be the only authorized manner by which an original case report may be removed from the Records Bureau.

All original case reports to be removed from the Records Bureau shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Bureau. The photocopied report shall be shredded upon return of the original report to the file.

804.6 CONFIDENTIALITY
Records Bureau staff has access to information that may be confidential or sensitive in nature. Records Bureau staff shall not access, view, or distribute, or allow anyone else to access, view, or distribute any record, file, or report, whether in hard copy or electronic file format, or any other confidential, protected, or sensitive information except in accordance with the Records Maintenance and Release and Protected Information policies and the Records Bureau procedure manual.

804.7 ARREST WITHOUT FILING OF ACCUSATORY PLEADING
The Uniform Services Division Commander should ensure a process is in place for when an individual is arrested and released and no accusatory pleading is filed so that the following occurs (Penal Code § 849.5; Penal Code § 851.6):

(a) The individual is issued a certificate describing the action as a detention.

(b) All references to an arrest are deleted from the arrest records of the [Department/Office] and the record reflects only a detention.

(c) The California DOJ is notified.
Restoration of Firearm Serial Numbers

806.1 PURPOSE AND SCOPE
The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

806.2 PROCEDURE
Any firearm coming into the possession of the Montebello Police Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

806.2.1 PRELIMINARY FIREARM EXAMINATION
(a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.

(b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.

(c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.

(d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

806.2.2 PROPERTY BOOKING PROCEDURE
Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.
Restoration of Firearm Serial Numbers

806.2.3 OFFICER RESPONSIBILITY
The property and evidence technician receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration and maintain the chain of evidence.

806.2.4 DOCUMENTATION
Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

806.2.5 FIREARM TRACE
After the serial number has been restored (or partially restored) by the criminalistics laboratory, the property and evidence technician will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the data into the ATF eTrace system.

806.3 BULLET AND CASING IDENTIFICATION
Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.
Records Maintenance and Release

808.1 PURPOSE AND SCOPE
This policy provides guidance on the maintenance and release of department records. Protected information is separately covered in the Protected Information Policy.

808.2 POLICY
The Montebello Police Department is committed to providing public access to records in a manner that is consistent with the California Public Records Act (Government Code § 6250 et seq.).

808.3 CUSTODIAN OF RECORDS RESPONSIBILITIES
The Chief of Police shall designate a Custodian of Records. The responsibilities of the Custodian of Records include but are not limited to:

(a) Managing the records management system for the [Department/Office], including the retention, archiving, release, and destruction of [department/office] public records.

(b) Maintaining and updating the [department/office] records retention schedule including:
   1. Identifying the minimum length of time the [Department/Office] must keep records.
   2. Identifying the [department/office] division responsible for the original record.

(c) Establishing rules regarding the inspection and copying of [department/office] public records as reasonably necessary for the protection of such records (Government Code § 6253).

(d) Identifying records or portions of records that are confidential under state or federal law and not open for inspection or copying.

(e) Establishing rules regarding the processing of subpoenas for the production of records.

(f) Ensuring a current schedule of fees for public records as allowed by law is available (Government Code § 6253).

(g) Determining how the [department/office]'s website may be used to post public records in accordance with Government Code § 6253.

(h) Ensuring that all [department/office] current standards, policies, practices, operating procedures, and education and training materials are posted on the [department/office] website in accordance with Penal Code § 13650.

(i) Ensuring that public records posted on the [Department/Office] website meet the requirements of Government Code § 6253.10 including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.

(j) Ensuring that a list and description, when applicable, of enterprise systems (as defined by Government Code § 6270.5) is publicly available upon request and posted in a prominent location on the [Department/Office]'s website.
808.4 PROCESSING REQUESTS FOR PUBLIC RECORDS
Any [department/office] member who receives a request for any record shall route the request to the Custodian of Records or the authorized designee.

808.4.1 REQUESTS FOR RECORDS
Any member of the public, including the media and elected officials, may access unrestricted records of this [department/office], during regular business hours by submitting a written and signed request that reasonably describes each record sought and paying any associated fees (Government Code § 6253).

The processing of requests for any record is subject to the following (Government Code § 6253):

(a) The [Department/Office] is not required to create records that do not exist.

(b) Victims of an incident or their authorized representative shall not be required to show proof of legal presence in the United States to obtain [department/office] records or information. If identification is required, a current driver’s license or identification card issued by any state in the United States, a current passport issued by the United States or a foreign government with which the United States has a diplomatic relationship or current Matricula Consular card is acceptable (Government Code § 6254.30).

(c) Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the [Department/Office] shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.

1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 6253.1).

2. If the record requested is available on the [department/office] website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

(d) Upon request, a record shall be provided in an electronic format utilized by the [Department/Office]. Records shall not be provided only in electronic format unless specifically requested (Government Code § 6253.9).

(e) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.
1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the [department/office]-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

(f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255). The written response shall also include the names, titles or positions of each person responsible for the denial.

808.5 RELEASE RESTRICTIONS
Examples of release restrictions include:

(a) Personal identifying information, including an individual’s photograph; Social Security and driver identification numbers; name, address, and telephone number; and medical or disability information that is contained in any driver license record, motor vehicle record, or any [department/office] record, including traffic collision reports, are restricted except as authorized by the [Department/Office], and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

(b) Social Security numbers (Government Code § 6254.29).

(c) Personnel records, medical records, and similar records that would involve an unwarranted invasion of personal privacy except as allowed by law (Government Code § 6254; Penal Code § 832.7; Penal Code § 832.8; Evidence Code § 1043 et seq.).

1. Peace officer personnel records that are deemed confidential shall not be made public or otherwise released to unauthorized individuals or entities absent a valid court order.

2. The identity of any officer subject to any criminal or administrative investigation shall not be released without the consent of the involved officer, prior approval of the Chief of Police, or as required by law.

(d) Victim information that may be protected by statutes, including victims of certain crimes who have requested that their identifying information be kept confidential, victims who are minors, and victims of certain offenses (e.g., sex crimes or human trafficking (Penal Code § 293)). Addresses and telephone numbers of a victim or a witness to any arrested person or to any person who may be a defendant in a criminal action shall not be disclosed, unless it is required by law (Government Code § 6254; Penal Code § 841.5).

1. Victims of certain offenses (e.g., domestic violence, sexual assault, stalking, human trafficking, elder and dependent adult abuse) or their representatives shall be provided, upon request and without charge, one copy of all incident report face sheets, one copy of all incident reports, or both, pursuant to the requirements and time frames of Family Code § 6228.
2. Victims of sexual assault, upon written request, shall be provided a free copy of the initial crime report regardless of whether the report has been closed. Personal identifying information may be redacted (Penal Code § 680.2(b)).

(e) Video or audio recordings created during the commission or investigation of the crime of rape, incest, sexual assault, domestic violence, or child abuse that depicts the face, intimate body part, or voice of a victim of the incident except as provided by Government Code § 6254.4.5.

(f) Information involving confidential informants, intelligence information, information that would endanger the safety of any person involved, or information that would endanger the successful completion of the investigation or a related investigation. This includes analysis and conclusions of investigating officers (Evidence Code § 1041; Government Code § 6254).

1. Absent a statutory exemption to the contrary or other lawful reason to deem information from reports confidential, information from unrestricted agency reports shall be made public as outlined in Government Code § 6254(f).

(g) Local criminal history information including but not limited to arrest history and disposition, and fingerprints shall only be subject to release to those agencies and individuals set forth in Penal Code § 13300.

1. All requests from criminal defendants and their authorized representatives (including attorneys) shall be referred to the District Attorney, City Attorney, or the courts pursuant to Penal Code § 1054.5.

(h) Certain types of reports involving but not limited to child abuse and molestation (Penal Code § 11167.5), elder and dependent abuse (Welfare and Institutions Code § 15633), and juveniles (Welfare and Institutions Code § 827).

(i) Sealed autopsy and private medical information concerning a murdered child with the exceptions that allow dissemination of those reports to law enforcement agents, prosecutors, defendants, or civil litigants under state and federal discovery laws (Code of Civil Procedure §130).

(j) Information contained in applications for licenses to carry firearms or other files that indicates when or where the applicant is vulnerable or which contains medical or psychological information (Government Code § 6254).

(k) Traffic collision reports (and related supplemental reports) shall be considered confidential and subject to release only to the California Highway Patrol, Department of Motor Vehicles (DMV), other law enforcement agencies, and those individuals and their authorized representatives set forth in Vehicle Code § 20012.

(l) Any record created exclusively in anticipation of potential litigation involving this [department/office] (Government Code § 6254).

808.6 SUBPOENAS AND DISCOVERY REQUESTS
Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the District Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the [Department/Office] so that a timely response can be prepared.

808.7 RELEASED RECORDS TO BE MARKED
Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the [department/office] name and to whom the record was released.

Each audio/video recording released should include the [department/office] name and to whom the record was released.

808.8 SEALED RECORD ORDERS
Sealed record orders received by the [Department/Office] shall be reviewed for appropriate action by the Custodian of Records. The Custodian of Records shall seal such records as ordered by the court. Records may include but are not limited to a record of arrest, investigation, detention, or conviction. Once the record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781).

When an arrest record is sealed pursuant to Penal Code § 851.87, Penal Code § 851.90, Penal Code § 851.91, Penal Code § 1000.4, or Penal Code § 1001.9, the Records Supervisor shall ensure that the required notations on local summary criminal history information and police
investigative reports are made. Sealed records may be disclosed or used as authorized by Penal Code § 851.92.

808.8.1 SEALLED JUVENILE ARREST RECORDS
Upon receiving notice from a probation department to seal juvenile arrest records pursuant to Welfare and Institutions Code § 786.5, the Records Supervisor should ensure that the records are sealed within 60 days of that notice and that the probation department is notified once the records have been sealed (Welfare and Institutions Code § 786.5).

808.9 SECURITY BREACHES
The Records Supervisor shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any [Department/Office] information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the [Department/Office] determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system.

For the purposes of this requirement, personal identifying information includes an individual’s first name or first initial and last name in combination with any one or more of the following:

- Social Security number
- Driver license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual
- Account number or credit or debit card number, in combination with any required security code, access code or password that would permit access to an individual’s financial account
- Medical information
- Health insurance information
- A username or email address, in combination with a password or security question and answer that permits access to an online account
- Information or data collected by Automated License Plate Reader (ALPR) technology
- Unique biometric data

808.9.1 FORM OF NOTICE
(a) The notice shall be written in plain language, be consistent with the format provided in Civil Code § 1798.29 and include, to the extent possible, the following:
1. The date of the notice.

2. Name and contact information for the Montebello Police Department.

3. A list of the types of personal information that were or are reasonably believed to have been acquired.

4. The estimated date or date range within which the security breach occurred.

5. Whether the notification was delayed as a result of a law enforcement investigation.

6. A general description of the security breach.

7. The toll-free telephone numbers and addresses of the major credit reporting agencies, if the breach exposed a Social Security number or a driver license or California identification card number.

(b) The notice may also include information about what the Montebello Police Department has done to protect individuals whose information has been breached and may include information on steps that the person whose information has been breached may take to protect him/herself (Civil Code § 1798.29).

(c) When a breach involves an online account, and only a username or email address in combination with either a password or security question and answer that would permit access to an online account, and no other personal information has been breached (Civil Code § 1798.29):

1. Notification may be provided electronically or in another form directing the person to promptly change either his/her password or security question and answer, as applicable, or to take other appropriate steps to protect the online account with the [Department/Office] in addition to any other online accounts for which the person uses the same username or email address and password or security question and answer.

2. When the breach involves an email address that was furnished by the Montebello Police Department, notification of the breach should not be sent to that email address but should instead be made by another appropriate medium as prescribed by Civil Code § 1798.29.

808.9.2 MANNER OF NOTICE

(a) Notice may be provided by one of the following methods (Civil Code § 1798.29):

1. Written notice.

2. Electronic notice if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 USC § 7001.

3. Substitute notice if the cost of providing notice would exceed $250,000, the number of individuals exceeds 500,000 or the [Department/Office] does not have sufficient contact information. Substitute notice shall consist of all of the following:
Records Maintenance and Release

(a) Email notice when the [Department/Office] has an email address for the subject person.

(b) Conspicuous posting of the notice on the [department/office]'s webpage for a minimum of 30 days.

4. Notification to major statewide media and the California Information Security Office within the California Department of Technology.

(b) If a single breach requires the [Department/Office] to notify more than 500 California residents, the [Department/Office] shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the Attorney General.

808.10   RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by an officer, or depicts an incident in which the use of force by an officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Custodian of Records should work as appropriate with the Chief of Police or the Watch Commander supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

808.10.1   DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

(a) Disclosure may be delayed up to 45 days from the date the [Department/Office] knew or reasonably should have known about the incident.

(b) Delay of disclosure may continue after the initial 45 days and up to one year if the [Department/Office] demonstrates that disclosure would substantially interfere with the investigation.

(c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 6254(f)(4)).

808.10.2   NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):
Records Maintenance and Release

(a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.

(b) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

808.10.3 REDACTION
If the Custodian of Records, in consultation with the Chief of Police or authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the [Department/Office] should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

808.10.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE
If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the [Department/Office] may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

(a) The person in the recording whose privacy is to be protected, or his/her authorized representative.

(b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.

(c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the [Department/Office] determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the
requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The [Department/Office] may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).

Computers and Digital Evidence

812.1 PURPOSE AND SCOPE
This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

812.2 SEIZING COMPUTERS AND RELATED EVIDENCE
Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

(a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.

(b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.

(c) If the computer is off, do not turn it on.

(d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.

1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.

2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).

(e) Label each item with case number, evidence sheet number, and item number.

(f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.

(g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.

(h) At minimum, officers should document the following in related reports:

1. Where the computer was located and whether or not it was in operation.

2. Who was using it at the time.

3. Who claimed ownership.
4. If it can be determined, how it was being used.

(i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

812.2.1 BUSINESS OR NETWORKED COMPUTERS
If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

812.2.2 FORENSIC EXAMINATION OF COMPUTERS
If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

(a) Copy of report(s) involving the computer, including the Evidence/Property sheet.

(b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.

812.3 SEIZING DIGITAL STORAGE MEDIA
Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

(a) If the media has a write-protection tab or switch, it should be activated.

(b) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

(c) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.

(d) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

812.4 DIGITAL EVIDENCE RECORDED BY OFFICERS
Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.
812.4.1 COLLECTION OF DIGITAL EVIDENCE
Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

812.4.2 SUBMISSION OF DIGITAL MEDIA
The following are required procedures for the submission of digital media used by cameras or other recorders:

(a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Section as soon as possible for submission into evidence.

(b) Officers are not authorized to copy memory cards. The evidence technicians are the only employees authorized to copy digital media made from the memory cards.

(c) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.

812.4.3 DOWNLOADING OF DIGITAL FILES
Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

(a) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

812.4.4 PRESERVATION OF DIGITAL EVIDENCE

(a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.

(b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.

(c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY
An authorized [department/office] member capable of supervising shall be present at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision. The Chief of Police or the authorized designee shall ensure a staffing plan is prepared and maintained, indicating assigned personnel and their duties. When practicable, more than one authorized member should be present for entry into a location where a person is held in custody for security purposes and to witness interactions.

900.4 INITIATING TEMPORARY CUSTODY
The officer responsible for an individual in temporary custody should evaluate the person for any apparent chronic illness, disability, vermin infestation, possible communicable disease or any other potential risk to the health or safety of the individual or others. The officer should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or indications of suicidal intent.

The receiving officer should ask the arresting officer if there is any statement, indication or evidence surrounding the individual's arrest and transportation that would reasonably indicate the individual is at risk for suicide or critical medical care. If there is any suspicion that the individual may be suicidal, he/she shall be transported to the City jail or the appropriate mental health facility.

The officer should promptly notify the Watch Commander of any conditions that may warrant immediate medical attention or other appropriate action. The Watch Commander shall determine whether the individual will be placed in a cell, immediately released or transported to jail or other facility.
Temporary Custody of Adults

900.4.1 SCREENING AND PLACEMENT
The officer responsible for an individual in custody shall (15 CCR 1050):

(a) Advise the Watch Commander of any significant risks presented by the individual (e.g., suicide risk, health risk, violence).

(b) Evaluate the following issues against the stated risks in (a) to determine the need for placing the individual in a single cell:
   1. Consider whether the individual may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141), or whether the person is facing any other identified risk.
   2. Provide any individual identified as being at a high risk for sexual or other victimization with heightened protection. This may include (28 CFR 115.113; 28 CFR 115.141):

   5. Ensure restrained individuals are not placed in cells with unrestrained individuals.

(c) Ensure that those confined under civil process or for civil causes are kept separate from those who are in temporary custody pending criminal charges.

(d) Ensure separation, as appropriate, based on other factors, such as age, criminal sophistication, assaultive/non-assaultive behavior, mental state, disabilities and sexual orientation.

900.4.2 CONSULAR NOTIFICATION
Consular notification may be mandatory when certain foreign nationals are arrested. The Uniform Services Division Commander will ensure that the U.S. Department of State’s list of countries and jurisdictions that require mandatory notification is readily available to [department/office] members. There should also be a published list of foreign embassy and consulate telephone and fax numbers, as well as standardized notification forms that can be transmitted and then retained for documentation. Prominently displayed signs informing foreign nationals of their rights related to consular notification should also be posted in areas used for the temporary custody of adults.

   (d) Document all notifications to the embassy or consulate and retain the faxed notification and any fax confirmation for the individual’s file.

to the security of the facility, the appliance may be removed from the individual unless its removal would be injurious to his/her health or safety.

Whenever a prosthetic or orthopedic appliance is removed, the Watch Commander shall be promptly apprised of the reason. It shall be promptly returned when it reasonably appears that any risk no longer exists (Penal Code § 2656; 15 CCR 1207).

900.5.5 TELEPHONE CALLS
Immediately upon being booked and, except where physically impossible, no later than three hours after arrest, an individual in custody has the right to make at least three completed calls to an attorney, bail bondsman, and a relative or other person (Penal Code § 851.5). Additional calls may be made as reasonable and necessary (15 CCR 1067). In providing further access to a telephone beyond that required by Penal Code § 851.5, legitimate law enforcement interests such as officer safety, effect on ongoing criminal investigations and logistics should be balanced against the individual’s desire for further telephone access.

(a) Telephone calls may be limited to local calls, except that long-distance calls may be made by the individual at his/her own expense.

1. The [Department/Office] should pay the cost of any long-distance calls related to arranging for the care of a child or dependent adult (see the Child and Dependent Adult Safety Policy).

Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated (15 CCR 1072). Temporary Custody of Adults

The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. Religious garments that substantially cover the individual’s head and face may be temporarily removed during the taking of any photographs.

A request for the release of property to another person must be made in writing. Release of the property requires the recipient’s signature on the appropriate form.

Upon release of an individual from temporary custody, his/her items of personal property shall be compared with the inventory, and he/she shall sign a receipt for the property's return. If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person’s signature as notice of receipt. The [Department/Office] shall maintain a copy of the property receipt.

The Watch Commander shall be notified whenever an individual alleges that there is a shortage or discrepancy regarding his/her property. The Watch Commander shall attempt to prove or disprove the claim.

900.8 HOLDING CELLS
A thorough inspection of a cell shall be conducted before placing an individual into the cell to ensure there are no weapons or contraband and that the cell is clean and sanitary. The following guidelines apply when placing any inmate in a sobering cell (15 CCR 1056):

(a) Placement of an inmate into the cell requires approval of the Watch Commander.

(b) A cell log shall be initiated every time an inmate is placed in the cell. The log shall be maintained for the entire time the inmate is housed in the cell.

(c) A safety check consisting of direct visual observation sufficient to assess the inmate’s well-being and behavior shall occur at least once every 30 minutes. Each safety check shall be documented in the cell log. Supervisors shall check the logs for completeness every two hours and document this action on the cell log.

(d) Under no circumstances shall an inmate be held in a sobering cell for more than six hours without being evaluated by qualified medical personnel to ensure that the inmate does not have an urgent medical issue.

Custodial Searches

902.1 PURPOSE AND SCOPE

Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Montebello Police Department facility. Such items can pose a serious risk to the safety and security of [department/office] members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

902.1.1 DEFINITIONS

(d) The individual’s actions or demeanor.

(e) Criminal history (i.e., level of experience in a custody setting).

2. A process to ensure a criminal or administrative investigation is completed on all allegations of sexual abuse or sexual harassment.

3. A process to document all referrals to other law enforcement agencies.

4. Access to forensic medical examinations, without financial cost, for all victims of sexual abuse where appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The efforts to provide SAFEs or SANEs shall be documented.

During intake the [Department/Office] shall notify all detainees and prisoners of the zero-tolerance policy regarding sexual abuse and sexual harassment, and of at least one way to report abuse or harassment to a public or private entity that is not part of the [Department/Office] and that is able to receive and immediately forward detainee or prisoner reports of sexual abuse and sexual harassment to agency officials. This allows the detainee or prisoner to remain anonymous (28 CFR 115.132; 28 CFR 115.151).

904.4.2 WATCH COMMANDER RESPONSIBILITIES
The Watch Commander shall report to the [department/office]'s designated investigators all allegations of sexual abuse, harassment, retaliation, neglect or violations leading to sexual abuse, harassment or retaliation. This includes third-party and anonymous reports (28 CFR 115.161).

Upon receiving an allegation that a detainee or prisoner was sexually abused while confined at another facility, the Watch Commander shall notify the head of the facility or the appropriate office of the agency where the alleged abuse occurred. The notification shall be made as soon as possible but no later than 72 hours after receiving the allegation. The Watch Commander shall document such notification (28 CFR 115.163).

If an alleged detainee or prisoner victim is transferred from the Temporary Holding Facility to a jail, prison or medical facility, the [Department/Office] shall, as permitted by law, inform the receiving facility of the incident and the prisoner's potential need for medical or social services, unless the prisoner requests otherwise (28 CFR 115.165).

904.5 INVESTIGATIONS
The [Department/Office] shall promptly, thoroughly and objectively investigate all allegations, including third-party and anonymous reports, of sexual abuse or sexual harassment. Only investigators who have received [department/office]-approved special training shall conduct sexual abuse investigations (28 CFR 115.171).

904.5.1 FIRST RESPONDERS
The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

(a) Separate the parties.

(b) Establish a crime scene to preserve and protect any evidence. Identify and secure witnesses until steps can be taken to collect any evidence.

(d) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.

If the first responder is not an officer the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

904.5.2 INVESTIGATOR RESPONSIBILITIES
Investigators shall (28 CFR 115.171):

(a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

(b) Interview alleged victims, suspects and witnesses.

(c) Review any prior complaints and reports of sexual abuse involving the suspect.

(d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

(e) Assess the credibility of the alleged victim, suspect or witness on an individual basis and not by the person's status as a detainee or a member of the Montebello Police Department.

(f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.

(g) Refer allegations of conduct that may be criminal to the District Attorney for possible prosecution, including any time there is probable cause to believe a detainee or prisoner sexually abused another detainee or prisoner in the Temporary Holding Facility (28 CFR 115.178).

(h) Cooperate with outside investigators and remain informed about the progress of any outside investigation.

904.5.3 ADMINISTRATIVE INVESTIGATIONS

904.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS
No detainee or prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Detainee or prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and
Prison Rape Elimination

regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

904.5.5 CONCLUSIONS AND FINDINGS
All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Administrator. The Chief of Police or City Administrator shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for [department/office] members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member’s disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees or prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with detainees or prisoners by a contractor or volunteer.

904.6 RETALIATION PROHIBITED
All detainees, prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Watch Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee or prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees, prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Watch Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees, prisoners or members who have reported sexual abuse and of detainees or prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees or prisoners, such monitoring shall also include periodic status checks.

904.7 REVIEWS AND AUDITS
904.7.1 INCIDENT REVIEWS
An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

(a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.

(b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.

(c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.

(d) Assess the adequacy of staffing levels in that area during different shifts.

(e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA Coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

904.7.2 DATA REVIEWS
The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

(a) Identification of any potential problem areas.

(b) Identification of any corrective actions taken.

(c) Recommendations for any additional corrective actions.

(d) A comparison of the current year’s data and corrective actions with those from prior years.

(e) An assessment of the [Department/Office]’s progress in addressing sexual abuse.

The report shall be approved by the Chief of Police and made readily available to the public through the [department/office] website or, if it does not have one, through other means. Material
may be redacted from the reports when publication would present a clear and specific threat to
the safety and security of the Temporary Holding Facility. However, the nature of the redacted
material shall be indicated.

All aggregated sexual abuse data from Montebello Police Department facilities and private
facilities with which it contracts shall be made readily available to the public at least annually
through the [department/office] website or, if it does not have one, through other means. Before
making aggregated sexual abuse data publicly available, all personal identifiers shall be removed
(28 CFR 115.189).

904.8 RECORDS
The [Department/Office] shall retain all written reports from administrative and criminal
investigations pursuant to this policy for as long as the alleged abuser is held or employed by
the [Department/Office], plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years
after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR
115.189).

904.9 TRAINING
All employees, volunteers and contractors who may have contact with detainees or prisoners shall
receive [department/office]-approved training on the prevention and detection of sexual abuse and
sexual harassment within this facility. The Training Sergeant shall be responsible for developing
and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

- The [Department/Office]'s zero-tolerance policy and the right of detainees and
  prisoners to be free from sexual abuse and sexual harassment, and from retaliation
  for reporting sexual abuse or harassment.

  which detainees and prisoners are most vulnerable.
- The right of detainees, prisoners and staff members to be free from sexual abuse and
  sexual harassment, and from retaliation for reporting sexual abuse or harassment.

- Communicating effectively and professionally with all detainees and prisoners.

- Proper use of Miranda and Garrity warnings.
- Sexual abuse evidence collection in confinement settings.
Prison Rape Elimination

- Criteria and evidence required to substantiate a case for administrative action or prosecution referral.

The Training Sergeant shall maintain documentation that employees, volunteers, contractors and investigators have completed required training and that they understand the training. This understanding shall be documented through individual signature or electronic verification.

All current employees and volunteers who may have contact with detainees or prisoners shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.

1000.5.2 STATE NOTICES
If information disclosed in a candidate’s criminal offender record information (CORI) is the basis for an adverse employment decision, a copy of the CORI shall be provided to the applicant (Penal Code § 11105).

1000.5.3 REVIEW OF SOCIAL MEDIA SITES
Due to the potential for accessing unsubstantiated, private, or protected information, the Administration Division Commander shall not require candidates to provide passwords, account information, or access to password-protected social media accounts (Labor Code § 980).

The Administration Division Commander should consider utilizing the services of an appropriately trained and experienced third party to conduct open source, internet-based searches, and/or review information from social media sites to ensure that:

(a) The legal rights of candidates are protected.
(b) Material and information to be considered are verified, accurate, and validated.
(c) The [Department/Office] fully complies with applicable privacy protections and local, state, and federal law.

Regardless of whether a third party is used, the Administration Division Commander should ensure that potentially impermissible information is not available to any person involved in the candidate selection process.

1000.5.4 DOCUMENTING AND REPORTING
The background investigator shall summarize the results of the background investigation in a narrative report that includes sufficient information to allow the reviewing authority to decide whether to extend a conditional offer of employment. The report shall not include any information that is prohibited from use, including that from social media sites, in making employment decisions. The report and all supporting documentation shall be included in the candidate’s background investigation file (11 CCR 1953).

1000.5.5 RECORDS RETENTION
The background report and all supporting documentation shall be maintained for a minimum of four years and in accordance with the established records retention schedule (Government Code § 12946; 11 CCR 1953).

- Passage of time
- Patterns of past behavior
- Severity of behavior
- Probable consequences if past behavior is repeated or made public
- Likelihood of recurrence
- Relevance of past behavior to public safety employment
- Aggravating and mitigating factors

The California Commission on Peace Officer Standards and Training (POST) developed a Job Dimensions list, which is used as a professional standard in background investigations.

Validated, job-related, and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge, and skills required to perform the position’s essential duties in a satisfactory manner. Each standard should include performance indicators for candidate evaluation. The Personnel/Risk Management should maintain validated standards for all positions.

Evaluation of Employees

1002.1 PURPOSE AND SCOPE
The [Department/Office]'s employee performance evaluation system is designed to record work performance for both the [Department/Office] and the employee, providing recognition for good work and developing a guide for improvement.

1002.2 POLICY
The Montebello Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The [Department/Office] evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee’s position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

1002.3 EVALUATION FREQUENCY
Employees are evaluated based on the following chart:

<table>
<thead>
<tr>
<th>Position</th>
<th>Evaluated Every 3 Months</th>

1002.3.1 RESERVE OFFICER EVALUATIONS
Reserve officer evaluations are covered under the Reserve Officers Policy.
Evaluation of Employees

1002.4 FULL TIME PROBATIONARY PERSONNEL
Non-sworn personnel are on probation for six months, which may be extended six months, before being eligible for certification as permanent employees. An evaluation is completed after three months, six months, and one year for all full-time non-sworn personnel during the probationary period.

Sworn personnel are on probation for 12 months, which may be extended an additional six months, before being eligible for certification as permanent employees. Probationary officers are evaluated every three months during the probationary period.

1002.5 FULL-TIME PERMANENT STATUS PERSONNEL
Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee’s immediate supervisor on the anniversary of the employee’s date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee’s date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater’s supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1002.5.1 RATINGS
When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee’s performance. The definition of each rating category is as follows:

Outstanding - Is actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Is the performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs Improvement - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.
Evaluation of Employees

Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

1002.6 EVALUATION INTERVIEW
When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

1002.7 EVALUATION REVIEW
After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Division Commander). The Division Commander shall review the evaluation for fairness, impartiality, uniformity, and consistency.

1002.8 EVALUATION DISTRIBUTION
The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to City Personnel.

Grievance Procedure

1006.1 PURPOSE AND SCOPE
It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department’s philosophy is to promote a free verbal communication between employees and supervisors.

1006.1.1 GRIEVANCE DEFINED
A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- City rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any [department/office] employee that, if true, would constitute a violation of [department/office] policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

1006.2 PROCEDURE
Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

(a) Attempt to resolve the issue through informal discussion with immediate supervisor.

(b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Division Commander of the affected division or bureau.

(c) If a successful resolution is not found with the Division Commander, the employee may request a meeting with the Chief of Police.

(d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:

1. Submit in writing a written statement of the grievance and deliver one copy to the Chief of Police and another copy to the immediate supervisor and include the following information:
Grievance Procedure

(a) The basis for the grievance (i.e., what are the facts of the case?).

(b) Allegation of the specific wrongful act and the harm done.

(c) The specific policies, rules or regulations that were violated.

(d) What remedy or goal is being sought by this grievance.

(e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.

(f) The Chief of Police will receive the grievance in writing. The Chief of Police and the City Administrator will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the City Administrator is considered final.

1006.3 EMPLOYEE REPRESENTATION
Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

1006.4 GRIEVANCE RECORDS
At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administration for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the City Administrator’s office to monitor the grievance process.

1006.5 EMPLOYEE CONTRACTS
Nothing in this section is in any way meant to conflict or differ from the current employee contract. Should a conflict arise, the wording of the employee contract shall prevail.
Anti-Retaliation

1008.1 PURPOSE AND SCOPE
This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members’ access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1008.2 POLICY
The Montebello Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1008.3 RETALIATION PROHIBITED
No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.
1008.3.1 RETALIATION PROHIBITED FOR REPORTING VIOLATIONS

An officer shall not be retaliated against for reporting a suspected violation of a law or regulation of another officer to a supervisor or other person in the [Department/Office] who has the authority to investigate the violation (Government Code § 7286(b)).

1008.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Director of Personnel/Risk Management.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member’s identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1008.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
(b) Receiving all complaints in a fair and impartial manner.
(c) Documenting the complaint and any steps taken to resolve the problem.
(d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
(e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
(f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
(g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
Anti-Retaliation

(h) Not interfering with or denying the right of a member to make any complaint.

(i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

1008.6 COMMAND STAFF RESPONSIBILITIES

The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

(a) Communicating to all members the prohibition against retaliation.

(b) The timely review of complaint investigations.

(c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.

(d) The timely communication of the outcome to the complainant.

1008.7 WHISTLE-BLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

(a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member’s supervisor or any other member with the authority to investigate the reported violation.

(b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.

(c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.

(d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.

(e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Watch Commander for investigation pursuant to the Personnel Complaints Policy.
Anti-Retaliation

1008.7.1 DISPLAY OF WHISTLE-BLOWER LAWS
The [Department/Office] shall display a notice to members regarding their rights and responsibilities under the whistle-blower laws, including the whistle-blower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

1008.8 RECORDS RETENTION AND RELEASE
The Records Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1008.9 TRAINING
The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.
Reporting of Employee Convictions

1010.1 PURPOSE AND SCOPE
Convictions of certain offenses may restrict or prohibit an employee’s ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the [Department/Office] of any past and current criminal convictions.

1010.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS
California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1010.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS
Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee’s ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member’s ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this [department/office] may be inherently in conflict with law enforcement duties and the public trust.

1010.4 REPORTING PROCEDURE
All members of this [department/office] and all retired officers with an identification card issued by the [Department/Office] shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the [Department/Office] shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired
Reporting of Employee Convictions

officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1010.5 PROCEDURE FOR RELIEF
Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Employees shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm or ammunition as a part of the individual's employment. Relief from any domestic violence or other restriction shall also be pursued through the employee’s own resources and on the employee’s own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned, or disciplined. The [Department/Office] may, but is not required to return an employee to any assignment, reinstate any employee, or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

1010.5.1 NOTIFICATION REQUIREMENTS
The Administration Supervisor shall submit within 30 days of final disposition a notice to the Commission on Peace Officer Standards and Training (POST) of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this [department/office] or any former peace officer if this [department/office] was responsible for the investigation (11 CCR 1003).

The Administration Supervisor shall submit within 30 days a notice to POST of any appointment, termination, reinstatement, name change, or status change regarding any peace officer, reserve peace officer, public safety dispatcher, and records supervisor employed by this [department/office] (11 CCR 1003).
Drug- and Alcohol-Free Workplace

1012.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

1012.2 POLICY
It is the policy of this [department/office] to provide a drug- and alcohol-free workplace for all members.

1012.3 GENERAL GUIDELINES
Alcohol and drug use in the workplace or on [department/office] time can endanger the health and safety of [department/office] members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1012.3.1 USE OF MEDICATIONS
Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the [Department/Office] while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

1012.3.2 COMPLIANCE
Employees must, as a condition of employment, abide by the terms of this policy, and report any conviction under a criminal drug statute for violations occurring on or off city premises while conducting city business. A report of a conviction must be made as soon as possible, but in no case more than five days after the conviction.

1012.3.3 MEDICAL CANNABIS
Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.
Drug- and Alcohol-Free Workplace

1012.4 MEMBER RESPONSIBILITIES
Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on [department/office] premises or on [department/office] time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1012.5 EMPLOYEE ASSISTANCE PROGRAM
There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse may also be available. Employees should contact the Personnel/Risk Management, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1012.6 WORK RESTRICTIONS
If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the [Department/Office].

1012.7 SCREENING TESTS
A supervisor may require an employee to submit to a screening under any of the following circumstances:

(a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.

(b) The employee discharges a firearm in the performance of the employee's duties (excluding training or authorized euthanizing of an animal).
Drug- and Alcohol-Free Workplace

(c) The employee discharges a firearm issued by the [Department/Office] while off-duty, resulting in injury, death, or substantial property damage.

(d) The employee drives a motor vehicle in the performance of the employee’s duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

1012.7.1 SUPERVISOR RESPONSIBILITIES
The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

(a) The test will be given to detect either alcohol or drugs, or both.

(b) The result of the test is not admissible in any criminal proceeding against the employee.

(c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1012.7.2 DISCIPLINE
An employee may be subject to disciplinary action if the employee:

(a) Fails or refuses to submit to a screening test as requested.

(b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that the employee took the controlled substance as directed, pursuant to a current and lawful prescription issued in the employee's name.

1012.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT
No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the [Department/Office] will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1012.9 CONFIDENTIALITY
The [Department/Office] recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.
Department Leave

1013.1 PURPOSE AND SCOPE
The purpose of this policy is to establish Department guidelines for administering various types of leave available to employees. These guidelines do not provide any additional benefits and are not intended to override any existing regulations or applicable memorandum of understanding.

These guidelines are also not intended to deny any employee their rights under State or federal law, including paid sick leave, paid kin care leave, and/or unpaid family medical leave. To that end, an employee seeking time off for the diagnosis, care or treatment of a health condition for themselves or a family member shall alert the Department at the time of making their request. The responsible Department official to whom the request is submitted pursuant to this policy shall immediately notify Human Resources in writing about the request. Human Resources, in turn, shall be responsible for coordinating the employee’s leave rights, if any, under State and federal laws.

While the Department endeavors to allow employees to use accrued leave at the requested time, unless otherwise required by law, requested leave may be denied if the requested leave will be unduly disruptive to the effective and safe operation of the Montebello Police Department.

Employees on approved annual leave / CTO are exempt from performing or attending official functions. However, if an employee has been properly served with a subpoena or other judicial process, the employee must abide by the subpoena unless excused in writing by the party issuing the subpoena or the applicable court. Employees should notify the Department’s court liaison officer of all approved extended leave.

1013.2 ANNUAL LEAVE ACCRUAL
The procedures and limitations for the amount of annual leave that an employee receives are covered in the applicable memorandum of understanding.

1013.3 ANNUAL LEAVE / CTO REQUESTS
All annual leave / CTO requests shall be submitted for approval to the requesting employee’s direct supervisor.

Except as otherwise permitted by law, requests for annual leave / CTO shall be made at least 72 hours in advance to permit the on-duty Watch Commander / Unit Officer-in-Charge to ensure adequate staffing to meet the operational needs of the Department pursuant to MPD Policy 216.

Employees calling out sick for no more than three (3) days shall give notice that they are calling out sick as soon as practicable, which in most cases shall be no less than (4) hours prior to their scheduled duty time. (See Section E. below regarding California Paid Sick Leave Law.)

If an employee’s request for annual leave / CTO is denied due to inadequate staffing levels, the Department will provide alternative dates within a reasonable time period, not to exceed one (1) year, after the request is made. When the safe and effective operation of the Department requires,
Department Leave

for example, in the event of a catastrophic disaster in the City, the Chief of Police or his or her
designee may rescind all approved time off requests.

1. PATROL BUREAU

Except as otherwise permitted by law, or in the case of unforeseen sick call outs, patrol officers/
corporals will only be permitted to use annual leave / CTO if minimum deployment requirements
are met. For example, if a patrol team has 10 officers assigned to it and the minimum deployment
is eight officers – only two Officers would be allowed to be off on annual leave / CTO time at
one time.

Watch Commanders may limit the use of annual leave / CTO time when the team is at minimum
staffing, due to training, special assignments, extended annual leave (vacations), move ups to
communications or illness / IOD. The Watch Commander and Sergeant assigned to the same
shift shall not use annual leave / CTO at the same time unless prior approval is obtained from
the Bureau Commander.

Teams that are short staffed due to actual vacancies shall be allowed to use overtime to fill vacant
positions to allow personnel to take time off. Refer to directive 16-02, for staffing levels on patrol
teams.

2. INVESTIGATIONS BUREAU

The Investigations Bureau Officer-in-Charge shall be responsible for approving leave requests
based on the operational needs of the unit. At no time shall the number of personnel granted
annual leave / CTO time be such that the unit does not meet minimum deployment requirements.

Only the Bureau Commander can authorize the entire unit to be off due to a holiday.

3. OTHER SPECIALIZED UNITS

The Officer-in-Charge of a specialized unit shall be responsible for approving annual leave / CTO
requests based on the operational needs of the unit. At no time shall the number of personnel
granted annual leave / CTO time be such that the unit does not meet minimum deployment
requirements. Only the Bureau Commander can authorize the entire unit to be off due to a holiday.

4. COMMUNICATIONS BUREAU

The Communications Bureau Supervisor shall be responsible for approving leave requests based
on the operational needs of the unit. At no time shall the number of personnel granted annual
leave / CTO time be such that the unit does not meet minimum deployment requirements.

Generally, one Dispatcher I, and one Dispatcher II must be on duty for all shifts.

Two Dispatcher 1’s may work together on a shift to meet the minimum deployment requirements
– as approved by the Communications Supervisor.

On Fridays and Saturdays, minimum deployment requires a third Dispatcher from 6:00 p.m. to
2:00 a.m.
Department Leave

The Dispatcher I and Dispatcher II assigned to the same shift shall not use annual leave / CTO on the same day unless prior approval is obtained from the Bureau Commander.

5. RECORDS BUREAU

The Records Bureau Supervisor shall be responsible for approving leave requests based on the operational needs of the unit. At no time shall the number of personnel granted annual leave / CTO time off be such that the unit does not meet the minimum deployment requirement of having a minimum of three employees on duty. Only the Bureau Commander can authorize the entire unit to be off due to a holiday.

1013.4 EXTENDED ANNUAL LEAVE / CTO REQUESTS

Except as otherwise permitted by law, an employee requesting extended annual leave / CTO of three or more days shall submit a request to their direct supervisor as soon as possible, but in no case less than 72 hours before the requested leave. Requests shall be granted or denied consistent with these guidelines to ensure minimum staffing levels and safe and efficient operation of the Department may be maintained.

Extended annual leave / CTO periods shall be prioritized within each team, unit and bureau on a departmental seniority basis. This will be evaluated by the Watch Commander / Bureau Commander at the beginning of each new deployment period.

The Department will endeavor to grant at least one timely request by an employee for extended leave per 16 week deployment period. Additional time off requests must be approved at the discretion of the Lieutenant / Unit Supervisor.

If the requested leave falls within a future deployment period for which no schedule has yet been established, then the request must be approved by a Lieutenant, Unit Supervisor, or Bureau Commander to ensure minimum deployment levels can be met. Each Bureau Commander must maintain a level of personnel deployment that will ensure the effective operation of each bureau within the Department.

If an employee’s request for annual leave / CTO is denied due to inadequate staffing levels, the Department will provide alternative dates within a reasonable time period, not to exceed one (1) year, after the request is made. When the safe and effective operation of the Department requires, for example, in the event of a catastrophic disaster in the City, the Chief of Police or his or her designee may rescind all approved time off requests.

1. EXTENDED TIME OFF – GROUPING ASSIGNMENTS

Certain positions within the Department may be grouped together to ensure that no more than a minimum number of key employees are off work at a given time. These groups shall be designated as follows:

(a) Group one: Chief of Police and Captains. At no time shall more than one captain and the Chief of Police be on extended annual leave / CTO at one time, unless approved by the Chief of Police or City Manager.
Department Leave

(b) Group two: Patrol Bureau Lieutenants. Only one lieutenant assigned to a Watch Commander position on the same side of the week (i.e. Team 1/2 - Team 3/4) may be on extended annual leave / CTO at one time. The Watch Commander and Field Sergeant from the same watch shall not be on extended annual leave / CTO at the same time, unless approved by the Chief of Police or Bureau Commander.

(c) Group three: Investigations Lieutenant / Sergeants. At no time shall more than one Sergeant and Lieutenant be on extended annual leave / CTO at one time, unless approved by the Chief of Police or Bureau Commander.

(d) Group four: Patrol Sergeants. Only one Sergeant assigned to a team on the same side of the week (i.e. Team 1/2 - Team 3/4) may be on extended annual leave / CTO at one time. The Watch Commander and Field Sergeant from the same team may not be on extended leave at the same time, unless approved by the Chief of Police or Bureau Commander.

(e) Group five: Patrol Officers and Corporals. Only one Officer / Corporal assigned to the same patrol team shall be on extended annual leave / CTO at one time, unless approved by the Chief of Police or Bureau Commander.

(f) Group six: Investigative Bureau Officers and Corporals. Only one Officer / Corporal assigned to the same unit may be on extended annual leave / CTO at one time, unless approved by the Chief of Police or Bureau Commander.

(g) Group seven: Other Sergeants / Corporals / Officers assigned to units other than patrol operations. No more than one Sergeant / Corporal / Officer assigned to the same unit may be on extended annual leave / CTO at one time, unless approved by the Chief of Police or Bureau Commander.

(h) Group eight: Civilian Personnel. No more than one employee assigned to the same unit may be on extended annual leave / CTO at one time, unless approved by the Chief of Police or Bureau Commander.

2. EXTENDED TIME OFF – TRANSFERRED AND REASSIGNED EMPLOYEES

If an employee is transferred or reassigned to a different duty assignment or patrol watch after previously scheduling extended annual leave / CTO, then the time off will be subject to the following regulations:

a. If the transfer or reassignment was initiated by the Department, then the employee shall retain his / her scheduled extended time off.

b. If the transfer or reassignment was initiated by the employee, then the scheduled extended time off approval may be rescinded if minimum deployment levels cannot be maintained.

3. REQUESTS FOR UNSCHEDULED EXTENDED ANNUAL LEAVE / CTO REQUESTS

Employees who encounter unforeseen circumstances which prevent them from requesting annual leave / CTO more than 72 hours before the requested leave would commence, shall make the request as soon as possible to the on-duty Watch Commander, who shall forward the request to the Bureau Commander. The Bureau Commander shall consider the totality of the circumstances including whether minimum deployment levels can be maintained. The Bureau Commander shall...
notify the employee’s supervisor of a decision to grant leave and the supervisor shall update the
deployment folder. An employee who is granted unscheduled extended time off may be required
to present appropriate documentation of the unforeseen event.

1013.5 FAMILY LEAVE AND CALIFORNIA PAID SICK LEAVE
The procedures discussed within this document apply to requests for annual leave / CTO requests.
The requirements for taking other types of leave available to employees (e.g., military, pregnancy,
emergency, family, or bereavement leave) are covered in the City’s Administrative Policy Number
V-B-14.

In accordance with California’s Paid Sick Leave law, an employee may use up to 24 hours of
accrued paid sick leave in a 12-month period for any one of the following reasons:

- For the employee’s own diagnosis, care, or treatment of an existing health condition
  or preventative care;

- For the diagnosis, care, or treatment of an existing health condition or preventative
  care for an employee’s family member, including:
  - Child (including a biological, adopted, or foster child, stepchild, legal ward, or a
    child to whom the employee stands in loco parentis.)
  - Spouse or Registered Domestic Partner
  - Parent (including biological, adoptive, or foster parent, stepparent, or legal
    guardian of an employee or the employee’s spouse or registered domestic
    partner, or a person who stood in loco parentis when the employee was a minor
    child.)
  - Grandparent
  - Grandchild
  - Sibling;

- To obtain any relief or services related to being a victim of domestic violence, sexual
  assault, or stalking including the following with appropriate certification of the need for
  such services:
  - A temporary restraining order or restraining order.
  - Other injunctive relief to help ensure the health, safety or welfare of themselves
    or their children.
  - To seek medical attention for injuries caused by domestic violence, sexual
    assault, or stalking.
  - To obtain services from a domestic violence shelter, program, or rape crisis
    center as a result of domestic violence, sexual assault, or stalking.
  - To obtain psychological counseling related to an experience of domestic
    violence, sexual assault, or stalking.
To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation;

An employee who uses paid sick leave must do so with a minimum increment of two hours of sick leave.

In the event that an employee or a member of the employee’s immediate family recovers from any such sickness after sick leave is approved, and during the employee’s regularly scheduled hours of work, then such employee shall notify the appropriate immediate supervisor and be available to return to duty.

Paid sick leave will not be granted to any employee to permit an extension of the employee’s vacation.

Supervisors shall have the discretion to place employees on sick leave when, in the judgment of the supervisor, the presence of the employee at work would endanger the health and welfare of other employees or where the illness or injury of the employee interferes with the performance of such employee’s duties.

(Additional information about the Montebello Police Department’s sick leave policy can be found in MPD Policy 1014.)

**1013.6 FLEXING OF WORK DAYS**

A Bureau Commander may approve flexing of work days for Department training or operational needs. Employees may not flex work days for any of the listed reasons below:

a. to work overtime or an extra duty assignment; or,
b. to engage in outside employment.

The flexing of work days should be documented in writing and maintained by the Watch Commander / Unit Officer-in-Charge.

**1013.7 SUBSTITUTION OF WORK HOURS (SHIFT TRADE)**

A shift exchange or trade is a process whereby two employees agree to work each other’s shifts and the employee whose shift was worked gets credit for the hours worked as though he/she worked the shift even though the shift was worked by the other employee who agreed to the shift exchange. Even though the two employees agree to work each other’s’ shifts, the employee whose shift was worked must pay back the shift during the current deployment period.

Two employees shall have the right to voluntarily exchange work shifts when the change does not interfere with the normal operation of the Department. Shift trades may be approved if all of the following conditions are met:

a. The employees must be of the same rank or job classification.
b. The employees must be capable of performing the respective duties of the other employee.
Department Leave

c. The substitution must be approved by the Watch Commander or Unit Officer-in-Charge of both employees two days prior to the day of the exchange.
d. The substitutions must occur during the same deployment period.

The clerical responsibility of the shift exchange shall be that of the employee initiating the exchange. The employee requesting the exchange shall ensure that the trade notification is properly completed and that he/she has enough available annual leave / CTO in the event the trade needs to be canceled. Shift exchanges will become valid only upon entry into the patrol team or unit’s deployment calendar. Once a shift change is approved, the supervisors shall be responsible for forwarding the appropriate form to Police Administration and payroll.

Once a shift exchange has been agreed upon, it is the Department’s expectation that the employee who agreed to work the shift will do so. However, there may be times when the employee who has agreed to work the shift will be unable to do so because of illness, emergency or other reasons beyond his/her control. If that occurs, no matter the reason, the employee whose shift it was originally is required to:

(a) Work the shift; or
(b) Use annual leave / CTO; or
(c) Get another employee to voluntarily agree to a shift exchange in advance of the start time for the shift and have it approved by the Watch Commander or Unit Officer-in-Charge of the volunteering employee.

The substitute employee (i.e., the employee who has agreed to work the shift per the shift exchange) is required to provide notice of at least four hours if he/she is unable to satisfy his/her agreement to the shift exchange. If he/she does not report for work on the agreed upon date and time and does not provide at least four hours of notice to enable the employee whose shift it was to make other arrangements, he/she will be considered absent without leave and the hours of the shift will not be paid.

Under no circumstances may a shift exchange result in an employee working more than sixteen (16) consecutive working hours.
Sick Leave

1014.1 PURPOSE AND SCOPE
This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1014.2 POLICY
It is the policy of the Montebello Police Department to provide eligible employees with a sick leave benefit.

1014.3 USE OF SICK LEAVE
Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member’s non-working hours when it is reasonable to do so.

1014.3.1 NOTIFICATION
All members should notify the Watch Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the [Department/Office] with no less than 30 days’ notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.
1014.4 SPECIAL SICK LEAVE PROVISIONS
Supervisors may not require employees to state the nature of the illness or injury. Supervisors may require that the employee state if the illness or injury is to themselves or a family member.

Per Labor Code § 233, an employee may use sick leave to attend to the illness of a parent, spouse, or child.

1014.5 REQUIRED NOTICES
The Director of Personnel/Risk Management shall ensure:

(a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.

(b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

1014.6 SUPERVISOR RESPONSIBILITIES
The responsibilities of supervisors include, but are not limited to:

(a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.

(b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Personnel/Risk Management as appropriate.

(c) Addressing absences and sick leave use in the member’s performance evaluation when excessive or unusual use has:

1. Negatively affected the member’s performance or ability to complete assigned duties.

(d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.

(e) Referring eligible members to an available employee assistance program when appropriate.
Communicable Diseases

1016.1 PURPOSE AND SCOPE
This policy provides general guidelines to assist in minimizing the risk of [department/office] members contracting and/or spreading communicable diseases.

1016.1.1 DEFINITIONS
Definitions related to this policy include:

**Communicable disease** - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

**Exposure** - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member’s position at the Montebello Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1016.2 POLICY
The Montebello Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1016.3 EXPOSURE CONTROL OFFICER
The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

(a) Exposure-prevention and decontamination procedures.

(b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.

(c) The provision that [department/office] members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member’s position and risk of exposure.

(d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).

(e) Compliance with all relevant laws or regulations related to communicable diseases, including:

1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).

2. Bloodborne pathogen mandates including (8 CCR 5193):
Communicable Diseases

(a) Sharps injury log.
(b) Needleless systems and sharps injury protection.

3. Airborne transmissible disease mandates including (8 CCR 5199):
   (a) Engineering and work practice controls related to airborne transmissible
diseases.
   (b) Distribution of appropriate personal protective equipment to minimize
   exposure to airborne disease.

4. Promptly notifying the county health officer regarding member exposures (Penal
Code § 7510).

5. Establishing procedures to ensure that members request exposure notification
from health facilities when transporting a person that may have a communicable
disease and that the member is notified of any exposure as required by Health
and Safety Code § 1797.188.

6. Informing members of the provisions of Health and Safety Code § 1797.188
(exposure to communicable diseases and notification).

(f) Provisions for acting as the designated officer liaison with health care facilities
regarding communicable disease or condition exposure notification. The designated
officer should coordinate with other [department/office] members to fulfill the role when
not available. The designated officer shall ensure that the name, title and telephone
number of the designated officer is posted on the [Department/Office] website (Health
and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/
OSHA) and may request voluntary compliance inspections. The ECO shall annually review and
update the exposure control plan and review implementation of the plan (8 CCR 5193).

1016.4 EXPOSURE PREVENTION AND MITIGATION

1016.4.1 GENERAL PRECAUTIONS
All members are expected to use good judgment and follow training and procedures related to
mitigating the risks associated with communicable disease. This includes, but is not limited to (8
CCR 5193):

(a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized
equipment in the work area or [department/office] vehicles, as applicable.
(b) Wearing [department/office]-approved disposable gloves when contact with blood,
other potentially infectious materials, mucous membranes and non-intact skin can be
reasonably anticipated.
(c) Washing hands immediately or as soon as feasible after removal of gloves or other
PPE.
(d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for
a communicable disease.
Communicable Diseases

(e) Using an appropriate barrier device when providing CPR.

(f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.

(g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.

1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

(h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.

(i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.

(j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1016.4.2 IMMUNIZATIONS
Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1016.5 POST EXPOSURE

1016.5.1 INITIAL POST-EXPOSURE STEPS
Members who experience an exposure or suspected exposure shall:

(a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).

(b) Obtain medical attention as appropriate.

(c) Notify a supervisor as soon as practicable.

1016.5.2 REPORTING REQUIREMENTS
The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

(a) Name and Social Security number of the member exposed

(b) Date and time of the incident

(c) Location of the incident

(d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)

(e) Work being done during exposure
Communicable Diseases

(f) How the incident occurred or was caused
(g) PPE in use at the time of the incident
(h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1016.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT
[Department/Office] members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

(a) Whether the member has been informed of the results of the evaluation.
(b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1016.5.4 COUNSELING
The [Department/Office] shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1016.5.5 SOURCE TESTING
Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member’s supervisor to ensure testing is sought.

Source testing may be achieved by:

(a) Obtaining consent from the individual.
(b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
(c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
(d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status
Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

(e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1016.6 CONFIDENTIALITY OF REPORTS
Medical information shall remain in confidential files and shall not be disclosed to anyone without the member’s written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1016.7 TRAINING
All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

(a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.

(b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.

(c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.
Smoking and Tobacco Use

1018.1 PURPOSE AND SCOPE
This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Montebello Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1018.2 POLICY
The Montebello Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

1018.3 SMOKING AND TOBACCO USE
Smoking and tobacco use by members is prohibited anytime members are in public view representing the Montebello Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

1018.4 ADDITIONAL PROHIBITIONS
No person shall use tobacco products within 20 feet of a main entrance, exit or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement or any other purpose (Government Code § 7596 et seq.).

1018.4.1 NOTICE
The Chief of Police or the authorized designee should ensure that proper signage is posted at each entrance to the Department facility (Labor Code § 6404.5).
Personnel Complaints

1020.1 PURPOSE AND SCOPE
This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Montebello Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1020.2 POLICY
The Montebello Police Department takes seriously all complaints regarding the service provided by the [Department/Office] and the conduct of its members.

The [Department/Office] will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this [department/office] to ensure that the community can report misconduct without concern for reprisal or retaliation.

1020.2.1 FALSE COMPLAINT ADMONITION
Every person making a complaint in person shall be instructed to carefully read and sign the admonitions on the Personnel Complaint form addressing consequences of filing a false complaint pursuant to Penal Code §148.6 and Civil Code § 47.5.

If the person refuses to sign the admonition, the supervisor should indicate “refused to sign” and initial the appropriate signature block. A refusal to sign shall not, by itself, be considered grounds for rejecting a complaint, but may be taken into consideration when determining the manner in which the matter should be handled.

If the complaint is received by telephone, the receiving supervisor should read the admonitions to the complainant and sign the signature block with a notation of the date and time read. If the complainant later appears in person, a second form should be completed and signed by the individual.

1020.3 PERSONNEL COMPLAINTS
Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of [department/office] policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate [department/office] policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the [Department/Office].
Personnel Complaints

1020.3.1 COMPLAINT CLASSIFICATIONS
Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Watch Commander, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Watch Commander, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

1020.3.2 SOURCES OF COMPLAINTS
The following applies to the source of complaints:

(a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.

(b) Any [department/office] member becoming aware of alleged misconduct shall immediately notify a supervisor.

(c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.

(d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.

(e) Tort claims and lawsuits may generate a personnel complaint.

1020.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1020.4.1 COMPLAINT FORMS
Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the [department/office] website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1020.4.2 ACCEPTANCE
All complaints will be courteously accepted by any [department/office] member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall
Personnel Complaints

obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the complaining party's statement at the time it is filed with the [Department/Office] (Penal Code § 832.7).

1020.4.3 AVAILABILITY OF WRITTEN PROCEDURES
The [Department/Office] shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

1020.5 DOCUMENTATION
Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the [Department/Office] should audit the log and send an audit report to the Chief of Police or the authorized designee.

1020.6 ADMINISTRATIVE INVESTIGATIONS
Allegations of misconduct will be administratively investigated as follows

1020.6.1 SUPERVISOR RESPONSIBILITIES
In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member’s immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

(a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
   1. The original complaint form will be directed to the Watch Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
   2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant
Personnel Complaints

is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Chief of Police, who will initiate appropriate action.

(b) Responding to all complainants in a courteous and professional manner.

(c) Resolving those personnel complaints that can be resolved immediately.

1. Follow-up contact with the complainant should be made within 24 hours of the [Department/Office] receiving the complaint.

2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Watch Commander.

(d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Watch Commander and the Chief of Police are notified via the chain of command as soon as practicable.

(e) Promptly contacting the Personnel/Risk Management and the Watch Commander for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.

(f) Forwarding unresolved personnel complaints to the Watch Commander, who will determine whether to contact the complainant or assign the complaint for investigation.

(g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.

(h) Investigating a complaint as follows:

1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.

2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.

(i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).

(j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1020.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Watch Commander, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

(a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, he/she shall be compensated.

(b) Unless waived by the member, interviews of an accused member shall be at the Montebello Police Department or other reasonable and appropriate place.

(c) No more than two interviewers should ask questions of an accused member.
Personnel Complaints

(d) Prior to any interview, a member shall be informed of the nature of the investigation, the name, rank and command of the officer in charge of the investigation, the interviewing officers and all other persons to be present during the interview.

(e) All interviews shall be for a reasonable period and the member’s personal needs should be accommodated.

(f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.

(g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Lybarger advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

(h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.

(i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual’s statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) All members shall provide complete and truthful responses to questions posed during interviews.

(k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor’s Brady list or the name of the officer may otherwise be subject to disclosure pursuant to Brady v. Maryland. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a Brady list or may otherwise be subject to disclosure pursuant to Brady v. Maryland (Government Code § 3305.5).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1020.6.6 COMPLETION OF INVESTIGATIONS
Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).
In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

1020.6.7 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS
The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1020.7 ADMINISTRATIVE SEARCHES
Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member’s consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

1020.7.1 DISCLOSURE OF FINANCIAL INFORMATION
An employee may be compelled to disclose personal financial information under the following circumstances (Government Code § 3308):

(a) Pursuant to a state law or proper legal process
(b) Information exists that tends to indicate a conflict of interest with official duties
(c) If the employee is assigned to or being considered for a special assignment with a potential for bribes or other improper inducements

1020.8 ADMINISTRATIVE LEAVE
When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the [Department/Office], the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

(a) May be required to relinquish any [department/office] badge, identification, assigned weapons and any other [department/office] equipment.
(b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
(c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.
1020.9 CRIMINAL INVESTIGATION
Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Montebello Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1020.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES
Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1020.10.1 DIVISION COMMANDER RESPONSIBILITIES
Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1020.10.2 CHIEF OF POLICE RESPONSIBILITIES
Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In
the event disciplinary action is proposed, the Chief of Police shall provide the member with a pre-disciplinary procedural due process hearing (Skelly) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief of Police shall also provide the member with:

(a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.

(b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.

1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.

2. If the member elects to respond orally, the presentation may be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1020.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT
The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1020.10.4 NOTICE REQUIREMENTS
The disposition of any civilian’s complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1020.11 PRE-DISCIPLINE EMPLOYEE RESPONSE
The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

(a) The response is not intended to be an adversarial or formal hearing.

(b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
**Personnel Complaints**

(c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.

(d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.

(e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1020.12 **RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**
In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline (Penal Code § 13510.8).

1020.13 **POST-DISCIPLINE APPEAL RIGHTS**
Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a Brady list or is otherwise subject to Brady restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such Brady evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1020.14 **PROBATIONARY EMPLOYEES AND OTHER MEMBERS**
At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of
Personnel Complaints

attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

1020.15 RETENTION OF PERSONNEL INVESTIGATION FILES
All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1020.16 REQUIRED REPORTING TO POST
The Chief of Police or the authorized designee shall notify POST on the appropriate POST form within 10 days of certain officer personnel events, including but not limited to (Penal Code § 13510.9):

(a) Termination or separation from employment or appointment. Separation from employment or appointment includes any involuntary termination, resignation, or retirement.

1. A POST affidavit-of-separation form shall be executed and maintained by the [Department/Office] and submitted to POST as required by Penal Code § 13510.9.

(b) Events that could affect an officer’s POST certification, such as:

1. Complaints, charges, or allegations of misconduct
2. Findings of civilian review boards
3. Final dispositions of any investigations
4. Civil judgments or court findings based on conduct, or settlement of a civil claim against an officer or the Montebello Police Department based on allegations of conduct by an officer

The Chief of Police or the authorized designee shall be responsible for providing POST access to or duplication of investigation documentation (e.g., physical or documentary evidence, witness statements, analysis, conclusions) for up to two years after reporting of the disposition of an investigation (Penal Code § 13510.9).
Seat Belts

1022.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in [department/office] vehicles (Vehicle Code § 27315.5).

1022.1.1 DEFINITIONS
Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1022.2 WEARING OF SAFETY RESTRAINTS
All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this [department/office] while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1022.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES
Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any [department/office] vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1022.4 INOPERABLE SEAT BELTS
[Department/Office] vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

[Department/Office] vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1022.5 POLICY
It is the policy of the Montebello Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.
Seat Belts

1022.6 TRANSPORTING CHILDREN
Children under the age of 8 shall be transported in compliance with California’s child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer’s design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1022.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS
Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer’s operator requirements for safe use.

1022.8 VEHICLE AIRBAGS
In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

      2. The requesting officer submits a waiver acknowledging such a modification may impact the performance of the body armor and he/she assumes all associated risks.
      3. The body armor along with any approved modifications remain property of the Police Department.
   (f) Any officer wishing to have his/her soft body armor upgraded to a higher threat level (i.e. threat level II to threat level IIIA) will be allowed to do so with prior approval at the Division Commander level and with the following stipulations:
      1. The officer will pay the difference in price; and,
      2. The officer will sign a waiver acknowledging the vest remains the property of the police Department upon his/her separation or upon the expiration of the vest warranty period.

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1024.3.1 USE OF SOFT BODY ARMOR
Generally, the use of body armor is required subject to the following:

(a) Officers shall only wear agency-approved body armor.
(b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
(c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. 1026.10 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

(a) During the preparation of each member’s performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.

(b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief of Police.

(c) If, in the opinion of the Chief of Police, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

1026.11 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief of Police or the Watch Commander supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3):

- All investigation reports.
Personnel Records

- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer’s action was consistent with law and [department/office] policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the Skelly or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter qualifying records) shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

(a) Records relating to the report, investigation, or findings of:
   1. The discharge of a firearm at another person by an officer.
   2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by an officer.
   3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
   4. A sustained finding that an officer failed to intervene against another officer using force that is clearly unreasonable or excessive.

(b) Records relating to an incident where a sustained finding was made by the [Department/Office] or oversight agency regarding:
   1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
   2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another officer, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.
   3. An officer engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
Personnel Records

4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the [Department/Office] or an oversight agency concludes its investigation ( Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the [Department/Office] shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of the qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

1026.11.1 REDACTION
The Custodian of Records, in consultation with the Chief of Police or authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

(a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers

(b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses

(c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force

(d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

1026.11.2 DELAY OF RELEASE
Unless otherwise directed by the Chief of Police, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

(a) Active criminal investigations

1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.

(b) Filed criminal charges

1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.

(c) Administrative investigations

1. Disclosure may be delayed until:

   (a) There is a determination from the investigation whether the misconduct or use of force violated law or department/office policy, but no longer than 180 days after the date of the department/office’s discovery of the misconduct or use of force or allegation of misconduct or use of force.

1026.11.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

(a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.

(b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.

1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:

   (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the [Department/Office] must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 6258, the [Department/Office] may justify delay by filing an application to seal the basis for withholding if
Personnel Records

disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

Meal Periods and Breaks

1034.1 PURPOSE AND SCOPE
To project a professional appearance to the public by avoiding the sight of numerous officers at the same location and to provide guidelines for meal breaks and coffee breaks by uniform officers.

1034.1.1 POLICY

(a) Meal breaks are part of patrol personnel paid working hours and therefore patrol personnel will only be provided an opportunity for paid meal breaks when field activity or the lack there of permits.

(b) Meal breaks shall not be authorized during the first or last hour of any patrol shift without the express permission of the supervisor.

(c) In as far as practical, the supervisor shall make an attempt to provide a meal break within the hours available. The desk personnel shall be responsible for denying requests for a meal break during the proscribed periods when received directly from field personnel.

(d) No more than two cars and three uniform employees shall meet at the same restaurant or coffee shop.

(e) All meal breaks should be requested through dispatch and monitored by field supervisors.
Lactation Break Policy

1035.1 PURPOSE AND SCOPE
The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee’s infant child (Labor Code § 1034).

1035.2 POLICY
It is the policy of this [department/office] to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207; Labor Code § 1030).

1035.3 LACTATION BREAK TIME
A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee’s regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employers desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt [department/office] operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1035.4 PRIVATE LOCATION
The [Department/Office] will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee’s work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207; Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.
Lactation Break Policy

1035.5 STORAGE OF EXPRESSED MILK
Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

1035.5.1 STATE REQUIREMENTS
Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).
Overtime Compensation Requests

1038.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1038.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee contract governs that amount of time that may be accumulated.

1038.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1038.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander. Employees submitting overtime slips for on-call pay when off duty shall submit slips to the Watch Commander or immediate supervisor the first day after returning for work.

1038.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee’s time slip, the overtime payment request form is forwarded to the employee’s Division Commander for final approval.
Overtime Compensation Requests

1038.2.3 DIVISION COMMANDERS RESPONSIBILITY
Division Commanders, after approving payment, will then forward the form to the Payroll Clerk.

1038.3 ACCOUNTING FOR OVERTIME WORKED
Employees are to record the actual time worked in an overtime status in accordance with existing employee agreements.

1038.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR
When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<table>
<thead>
<tr>
<th>TIME WORKED</th>
<th>INDICATE ON CARD</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 to 15 minutes</td>

1038.3.2 VARIATION IN TIME REPORTED
Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.
Outside Employment

1040.1 PURPOSE AND SCOPE
In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1040.1.1 DEFINITIONS
Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1040.2 OBTAINING APPROVAL
No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee’s immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1040.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT
If an employee’s Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.
If the employee’s appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS
Any outside employment request may be revoked or suspended under the following circumstances:

(a) Should an employee’s performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment request(s). That revocation will stand until the employee’s performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment request.

(b) Suspension or revocation of a previously approved outside employment request may be included as a term or condition of sustained discipline.

(c) If, at any time during the term of a valid outside employment request, an employee’s conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked.

(d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment request may be subject to similar restrictions as those applicable to the employee’s full time duties until the employee has returned to a full duty status.

1040.3 PROHIBITED OUTSIDE EMPLOYMENT
Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

(a) Involves the employee’s use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage

(b) Involves the employee’s receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee’s duties as a member of this department

(c) Involves the performance of an act in other than the employee’s capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department

(d) Involves time demands that would render performance of the employee’s duties for this department less efficient
Outside Employment

1040.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT
Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

(a) The applicant will be required to enter into an indemnification agreement prior to approval.

(b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.

(c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:

1. The officer(s) shall wear the departmental uniform/identification.
2. The officer(s) shall be subject to the rules and regulations of this department.
3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.
4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
5. Outside security services shall not be subject to the collective bargaining process.
6. No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1040.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE
Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1040.4 DEPARTMENT RESOURCES
Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee’s position with this department.
Outside Employment

1040.4.1 REVIEW OF FINANCIAL RECORDS
Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1040.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS
If an employee terminates his or her outside employment during the period of a valid work request, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1040.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY
Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor’s orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work request, a notice of revocation of the member's work request will be forwarded to the involved employee, and a copy attached to the original work request.

Criteria for revoking the outside employment request include, but are not limited to, the following:

(a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the City's professional medical advisors.

(b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.
Outside Employment

(c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Montebello Police Department, a request (in writing) may be made to the Chief of Police to restore the work request.

1042.1 PURPOSE AND SCOPE

1042.1.1 DEFINITIONS

A copy of the completed form shall be forwarded to the appropriate Division Commander through the chain of command and a copy sent to the Administration Division Commander.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1042.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL
No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational disease or work-related injury, the member shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether the offered settlement will affect any claim the City may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the City’s right of subrogation, while ensuring that the member’s right to receive compensation is not affected.
Funeral Policy

1043.1 PURPOSE AND SCOPE
This Department is concerned and actively involved whenever a member of this Department expires, whether on or off duty. This will include Reserve Officers. It is the policy of this Department to provide:

(a) A military type funeral for current and retired regular and reserve members of the Department who suffered an on-duty death, as a final tribute for their service to the community.

(b) All possible and appropriate assistance, support, and service to survivors of an active-duty regular or reserve officer who suffered an on-duty or off-duty death.

(c) The extent to which the Department participates in the funeral service or provides other support depends upon the expressed wishes of the family of the deceased.

(d) The Training/Personnel Unit shall have overall responsibility for the coordination, logistical, and operational aspects of providing the funeral services desired and for providing assistance to the member's family as needed.

(e) When it is determined that uniformed funeral is desired or appropriate, the Training/Personnel Unit shall notify other departmental members, as necessary to obtain appropriate assistance and provide coordination.

1043.1.1 NOTIFICATION

(c) It shall be the Division Commander’s responsibility to make the next-of-kin notification. In the case of an off-duty, at home death, next-of-kin notification may not be necessary.

(d) Notification to the spouse or close relation shall be made in person whenever possible. In certain instances, the Division Commander may designate others to make notification. Whenever impractical due to distance or lengthy time delays, the Division Commander may designate another police department to make immediate notification so that the death is not learned through a premature media release.

(e) The Chief of Police should notify the City Administrator. The Mayor and other members of the City Council should be notified only after appropriate family members have been notified.
Funeral Policy

(f) The Department Chaplain or a representative of the deceased's religious faith or church may also accompany the person designated to deliver the message.

(g) The person responsible for the death notification must have knowledge about how the death occurred. It is also important to make the notification as soon as possible to avoid inappropriate and insensitive notification from sources outside of the Department.

2. Assist in getting children in the home help, care and, if necessary, alternate lodging.

4. Inform family members of Department representative to contact if any assistance is needed or questions develop.

(i) The death notification procedures may be followed for off-duty as well as on-duty circumstances.

1043.2 ASSISTANCE TO FAMILY

(a) The emotional nature of a funeral service, particularly one associated with the death of a law enforcement officer, demands the utmost compassion and sensitivity on behalf of Department personnel. The welfare of the bereaved family is of primary concern. While the Department is interested in assisting these families during this difficult period and can provide many helpful services, we must also recognize the private and very personal nature of a funeral service. It is, therefore, important that in our desire to help, we do not unwittingly impose our services on the family.

(b) It is within our scope and responsibility to assist the family of a deceased member of this Department with funeral arrangements; when requested by the family, the Department shall assist in all funeral arrangements. It shall further notify any concerned organization of the completed funeral arrangements.

(c) Whenever necessary and possible, the Department shall provide transportation for relatives arriving at airports or other places within the county when other suitable transportation is not available.

(d) Also, the Training/Personnel Unit shall offer to assist the family in settling the employee's City affairs and, at the family's request, shall:

2. Ensure that the family receive the final paycheck (and the employee's copy of the final Personnel Action form) and is made aware of all benefits to be received, how long it will take to receive them and who the contact person is for each benefit.

3. Ensure that the city employee life insurance carrier is notified and that the claim is processed as soon as possible.

4. Ask family of employee (spouse and minor children) if they wish to stay on the City or County's health plan. Explain the cost to remain and the number of years available.

5. Follow up one month later to determine if the family has heard from retirement system and the life insurance carrier.

1043.3 PRE-FUNERAL ARRANGEMENTS

(a) Offer the family a uniformed honor guard service, a conventional service, or, if the deceased has served in the active military, a full military service.

(b) Offer the family an honor guard for the casket in the funeral home during viewing hours for non-military service. The Training/Personnel Unit shall make arrangements for the honor guard and reliefs.

(c) Secure a flag through the mortuary for all military services.

(d) Arrange for outside speakers at the chapel if they are deemed necessary because of an anticipated overflow crowd.

(e) Determine, with the funeral director, the cortege route and submit this information and the appropriate length of the cortege to the Chief of Police and affected agencies.

(f) Coordinate clearance at all major intersections and freeway ramps along the cortege route and all concerned police departments and the California Highway Patrol.
Funeral Policy

(g) Request other law enforcement agencies sending personnel to the funeral to curtail the number of patrol cars by assigning four persons to a vehicle.

(h) Furnish personnel to assist with parking at the mortuary and the cemetery.

1043.3.1 OTHER RELATED DUTIES

The following are duties and responsibilities of the Department and its members at funerals of Department members and members of other departments:

(a) The Training/Personnel Unit shall be responsible for collecting Department issued property and the employee's personal effects and examining the contents before release to the family.

(b) The Training/Personnel Unit shall act as the Department's liaison for any problems or misunderstandings with the new media.

(c) Any information of bomb placement or possible disturbance planned during a funeral shall be reported immediately to Intelligence.

(d) The Training/Personnel Unit shall notify police agencies of on-duty deaths of Montebello peace officers in order to arrange for Department representatives to attend services.

(e) The Training/Personnel Unit shall notify the Chief's Office of agencies that send representatives to members' funerals so that letters of recognition and appreciation may be sent.

(f) When the widow or mother of the deceased has no escort, the Chief of Police will personally escort her from the car to the church/chapel and back, and from the car to the graveside and back.

1043.4 UNIFORMS

1043.4.1 DRESS UNIFORM

(a) The dress uniform shall be worn at all funerals. All personnel attending the same function shall conform to standards specified by Department announcement or directive. Department notices made prior to the funeral shall direct personnel if certain uniform restrictions are requested.

(b) The dress uniform shall consist of the same items of apparel, identification, and equipment as the standard field uniform, with the following exceptions:

1. Head gear shall only be worn as directed. Equipment not authorized for the funeral shall be secured in vehicles with the Reserves providing parking security.

2. The gun belt shall be worn with only the holster, handcuff and ammo case attached.
3. The badge shall have a black cross which shall be inches black tape, uniformly installed. No other type of equipment shall be showing (pens, citation books, etc.) from any pocket of the uniform.

1043.4.2 HONOR GUARD UNIFORM
The gun belt is not worn when acting as an honor guard member of funerals or religious ceremonies. White gear, consisting of belt, cord, and gloves shall be worn. Personnel shall wear designated head gear and tie.

1043.5 LOGISTICAL PLANNING "" UNIFORMED CEREMONIES FOR FUNERALS
(a) When planning a funeral for a deceased member of this Department where a uniformed ceremony is desired or appropriate, it can be anticipated that large numbers of personnel, including ranking members of this Department and other law enforcement agencies, will attend, particularly if the death was duty related. Certain logistical and operational concerns, therefore, must be addressed. The following guidelines should not be considered all-inclusive, but are designed to provide some insight and assistance in planning efforts.

1. After determining funeral locations, parking and traffic control must be established. If the Chief or other ranking executives are attending or participating in the service, their ingress/egress should be prearranged.

(b) The Chief of Police should be briefed regarding family concerns and wishes. Information concerning other officials or dignitaries attending should also be discussed.

(c) Seating for Department executives attending/participating in the service should be prearranged and reserved. This would, most appropriately, be near the front section of the church or family home and in proximity to, or behind, the honor guard.

(d) Following the services, an appropriate location should be designated for the ranking officer and party to wait the procession of the coffin to the funeral hearse.

(e) The procession (cortege) should normally consist of a motorcycle escort of one radio car, the hearse, family limousine(s), ranking officer's vehicle, police vehicles, followed by the rest of the procession. A marked police unit shall be the last vehicle in the procession.

(f) If the cemetery is some distance from the funeral home or church, consideration of the size and speed of the procession is important. Delays and inconvenience to the private citizens must be minimized wherever possible. This is a legitimate operational concern and can be accomplished through explicit instructions to the escort vehicles or by placing an officer in the funeral hearse.

(g) An appropriate location for the ranking officer to stand during the graveside ceremony should be designated and make known to the executives.
Funeral Policy

(h) In the event of a rifle honor guard, the family members should be reminded of the volley of shots so as not to startle them.

(i) Prior to the services, ascertain who is to receive the American flag on behalf of the family at the conclusion of the graveside ceremony.

(j) Upon completion of the graveside ceremonies, the officer-in-charge or the senior ranking officer present shall receive from the pallbearers the national colors and present them to the family of the deceased.

(k) The Training/Personnel Unit shall coordinate all activities including, but not limited to:

1. Making parking arrangements.

Temporary Modified-Duty Assignments

1054.1 PURPOSE AND SCOPE
This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the [Department/Office] to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

1054.2 POLICY
Subject to operational considerations, the Montebello Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the [Department/Office] with a productive employee during the temporary period.

1054.3 GENERAL CONSIDERATIONS
Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Montebello Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the [Department/Office]. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee’s ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

1054.3.1 ELIGIBLE EMPLOYEE
Any full-time employee of the Department who is suffering from an injury, disability, or medical condition that a health-care provider has determined renders the employee unable to perform the full range of essential job duties associated with the employee’s regular job classification.
Temporary Modified-Duty Assignments

1054.3.2 MODIFIED-DUTY ASSIGNMENT
A temporary assignment that does not require the performance of the full range of essential job duties associated with an eligible employee’s regular job classification.

1054.3.3 TWELVE-MONTH PERIOD
A rolling twelve (12) month period measured forward from the date a temporary modified-duty assignment is first made.

1054.4 PROCEDURE
Employees may request a temporary modified-duty assignment for short-term injuries or illnesses. Employees seeking a temporary modified-duty assignment should submit a written request to their Division Commanders or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

(a) An assessment of the nature and probable duration of the illness or injury.
(b) The prognosis for recovery.
(c) The nature and scope of limitations and/or work restrictions.
(d) A statement regarding any required workplace accommodations, mobility aids or medical devices.
(e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Division Commander will make a recommendation through the chain of command to the Chief of Police regarding temporary modified-duty assignments that may be available based on the needs of the [Department/Office] and the limitations of the employee. The Chief of Police or the authorized designee shall confer with the Personnel/Risk Management or the City Attorney as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Watch Commander or Division Commander, with notice to the Chief of Police.

1054.5 ACCOUNTABILITY
Written notification of assignments, work schedules and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate [department/office] operations and the employee’s medical appointments, as mutually agreed upon with the Division Commander.

1054.6 MEDICAL EXAMINATIONS
Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.
Temporary Modified-Duty Assignments

The [Department/Office] may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

1054.6.1 EMPLOYEE RESPONSIBILITIES
An employee assigned to modified-duty must immediately notify their immediate supervisor of any condition that may impact their ability to completely perform their full duties in an effective and safe manner. The responsibilities of supervisors shall include, but not be limited to:

(a) Periodically apprising the Division Commander of the status and performance of employees assigned to temporary modified-duty.
(b) Notifying the Division Commander and ensuring that the required documentation facilitating a return to full-duty is received from the employee.

Ensuring that employees returning to full-duty have completed any required training and certification

1054.7 PREGNANCY

A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee’s right to a temporary modified-duty assignment if required under Government Code § 12945.

1054.7.1 NOTIFICATION
Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a

leave of absence, such leave shall be granted in accordance with the City’s personnel rules and regulations regarding family and medical care leave.

1054.8 PROBATIONARY EMPLOYEES
Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to their assignment to temporary modified-duty subject to the discretion of the Chief of Police, any limitations imposed upon such extensions by the Commission on Peace Officer Standards and Training, Penal Code section 832.4, and/or as otherwise provided by law.

1054.9 MAINTENANCE OF CERTIFICATION AND TRAINING
Employees assigned to temporary modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided that the certification, training or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.
Employee Speech, Expression and Social Networking

1058.1 PURPOSE AND SCOPE
This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1058.1.1 APPLICABILITY
This policy applies to all forms of communication including, but not limited to, film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

1058.2 POLICY
Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this [department/office]. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this [department/office] be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Montebello Police Department will carefully balance the individual employee’s rights against the [Department/Office]’s needs and interests when exercising a reasonable degree of control over its employees’ speech and expression.

1058.3 SAFETY
Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Montebello Police Department employees, such as posting personal information in a public forum, can result in compromising an employee’s home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee’s family or associates.
Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow officer.
- Otherwise disclosing where another officer can be located off-duty.

**1058.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT**

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Montebello Police Department or its employees.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Montebello Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the Montebello Police Department or its employees. Examples may include:

1. Statements that indicate disregard for the law or the state or U.S. Constitution.
2. Expression that demonstrates support for criminal activity.
3. Participating in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportsations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.

(e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Montebello Police Department.

(f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department.
for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

(g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Montebello Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

(h) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:

1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).

2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1058.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS
While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Montebello Police Department or identify themselves in any way that could be reasonably perceived as representing the Montebello Police Department in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

(a) Endorse, support, oppose or contradict any political campaign or initiative.

(b) Endorse, support, oppose or contradict any social issue, cause or religion.

(c) Endorse, support or oppose any product, service, company or other commercial entity.

(d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or officer associations), is affiliated with this department/office, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Montebello Police Department.
Employee Speech, Expression and Social Networking

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1058.5 PRIVACY EXPECTATION
Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed, transmitted, received, or reviewed on any [department/office] technology system (see the Information Technology Use Policy for additional guidance).

The [Department/Office] shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the [Department/Office] may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

1058.6 CONSIDERATIONS
In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

(a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.

(b) Whether the speech or conduct would be contrary to the good order of the [Department/Office] or the efficiency or morale of its members.

(c) Whether the speech or conduct would reflect unfavorably upon the [Department/Office].

(d) Whether the speech or conduct would negatively affect the member’s appearance of impartiality in the performance of his/her duties.

(e) Whether similar speech or conduct has been previously authorized.

(f) Whether the speech or conduct may be protected and outweighs any interest of the [Department/Office].

1058.7 TRAINING
Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.
Line-of-Duty Deaths

1059.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of the Montebello Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member’s survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

1059.1.1 DEFINITIONS
Definitions related to this policy include:

Line-of-duty death - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual’s relationship with the member and whether the individual was previously designated by the deceased member.

1059.2 POLICY
It is the policy of the Montebello Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this [department/office] to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1059.3 INITIAL ACTIONS BY COMMAND STAFF
(a) Upon learning of a line-of-duty death, the deceased member’s supervisor should provide all reasonably available information to the Watch Commander and the Communications Center.

1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).

(b) The Watch Commander should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

(c) If the member has been transported to the hospital, the Watch Commander or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
Line-of-Duty Deaths

(d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the [Department/Office] Liaison as soon as practicable (see the Notifying Survivors section and the [Department/Office] Liaison and Hospital Liaison subsections in this policy).

1059.4 NOTIFYING SURVIVORS
Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member’s emergency contact information and make accommodations to respect the member’s wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member’s wishes.

The Chief of Police, Watch Commander or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the [Department/Office] Chaplain.

Notifying members should:

(a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.

(b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child’s age, maturity and current location (e.g., small children at home, children in school).

(c) Plan for concerns such as known health concerns of survivors or language barriers.

(d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in [department/office] vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.

(e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.

(f) If making notification at a survivor’s workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

(g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.

(h) Assist the survivors with meeting childcare or other immediate needs.
**Line-of-Duty Deaths**

(i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.

(j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the [Department/Office] Liaison.

(k) Provide their contact information to the survivors before departing.

(l) Document the survivor’s names and contact information, as well as the time and location of notification. This information should be forwarded to the [Department/Office] Liaison.

(m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Montebello Police Department members may be apprised that survivor notifications are complete.

1059.4.1 OUT-OF-AREA NOTIFICATIONS

The [Department/Office] Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

(a) The [Department/Office] Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the [department/office] member that the survivors can call for more information following the notification by the assisting agency.

(b) The [Department/Office] Liaison may assist in making transportation arrangements for the member’s survivors, but will not obligate the [Department/Office] to pay travel expenses without the authorization of the Chief of Police.

1059.5 NOTIFYING [DEPARTMENT/OFFICE] MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying [department/office] members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the [Department/Office] regarding the deceased member or the incident.
1059.6 LIAISONS AND COORDINATORS

The Chief of Police or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death, including, but not limited to:

(a) [Department/Office] Liaison.
(b) Hospital Liaison.
(c) Survivor Support Liaison.
(d) Critical Incident Stress Management (CISM) coordinator.
(e) Funeral Liaison.
(f) Mutual aid coordinator.
(g) Benefits Liaison.
(h) Finance coordinator.

Liaisons and coordinators will be directed by the [Department/Office] Liaison and should be given sufficient duty time to complete their assignments.

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available [department/office] resources. The [Department/Office] Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed.

1059.6.1 [DEPARTMENT/OFFICE] LIAISON

The [Department/Office] Liaison should be a Division Commander or of sufficient rank to effectively coordinate department resources, and should serve as a facilitator between the deceased member’s survivors and the [Department/Office]. The [Department/Office] Liaison reports directly to the Chief of Police. The [Department/Office] Liaison’s responsibilities include, but are not limited to:

(a) Directing the other liaisons and coordinators in fulfilling survivors’ needs and requests. Consideration should be given to organizing the effort using the National Incident Management System (NIMS).
(b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.
(c) Advising survivors of the other liaison and coordinator positions and their roles and responsibilities.
(d) Identifying locations that will accommodate a law enforcement funeral and presenting the options to the appropriate survivors, who will select the location.
(e) Coordinating all official law enforcement notifications and arrangements.
(f) Making necessary contacts for authorization to display flags at half-mast.
(g) Ensuring that [department/office] members are reminded of appropriate information-sharing restrictions regarding the release of information that could undermine future legal proceedings.
Line-of-Duty Deaths

(h) Coordinating security checks of the member’s residence as necessary and reasonable.

(i) Serving as a liaison with visiting law enforcement agencies during memorial and funeral services.

1059.6.2 HOSPITAL LIAISON
The Hospital Liaison should work with hospital personnel to:

(a) Arrange for appropriate and separate waiting areas for:
   1. The survivors and others whose presence is requested by the survivors.
   2. [Department/Office] members and friends of the deceased member.
   3. Media personnel.

(b) Ensure, as much as practicable, that any suspects who are in the hospital and their families or friends are not in close proximity to the member’s survivors or Montebello Police Department members (except for members who may be guarding the suspect).

(c) Ensure that survivors receive timely updates regarding the member before information is released to others.

(d) Arrange for survivors to have private time with the member, if requested.
   1. The Hospital Liaison or hospital personnel may need to explain the condition of the member to the survivors to prepare them accordingly.
   2. The Hospital Liaison should accompany the survivors into the room, if requested.

(e) Stay with survivors and ensure that they are provided with other assistance as needed at the hospital.

(f) If applicable, explain to the survivors why an autopsy may be needed.

(g) Ensure hospital bills are directed to the [Department/Office], that the survivors are not asked to sign as guarantor of payment for any hospital treatment and that the member’s residence address, insurance information and next of kin are not included on hospital paperwork.

Other responsibilities of the Hospital Liaison include, but are not limited to:

- Arranging transportation for the survivors back to their residence.
- Working with investigators to gather and preserve the deceased member’s equipment and other items that may be of evidentiary value.
- Documenting his/her actions at the conclusion of his/her duties.

1059.6.3 SURVIVOR SUPPORT LIAISON
The Survivor Support Liaison should work with the [Department/Office] Liaison to fulfill the immediate needs and requests of the survivors of any member who has died in the line of duty, and serve as the long-term department contact for survivors.
Line-of-Duty Deaths

The Survivor Support Liaison should be selected by the deceased member’s Division Commander. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member’s supervisor and/or coworkers. The deceased member’s partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

The Administration Division Commander will take appropriate action to ensure the illness and injury prevention plan addresses potential hazards upon such notification.

1060.7 INSPECTIONS
Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards and permit mitigation of those hazards. A hazard assessment checklist should be used for documentation and to ensure a thorough assessment of the work environment.

The Administration Division Commander shall ensure that the appropriate documentation is completed for each inspection.

1060.7.1 EQUIPMENT
Members are charged with daily vehicle inspections of their assigned vehicles and of their personal protective equipment (PPE) prior to working in the field. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:
